I am Opposed to this Bill in its form. "Congressional Metal of Honor Recipients" are highly recognized, rewarded and praised. Our State Interstates, Highways and State Lettered Routes are being cluttered with way to many signs. These signs are causing safety issues and obstacles in reference to vehicle accidents and severe weather. Signs impede mowing and snow removal operations. The Missouri Department of Transportation has to maintain the Signs, Replace the Signs, mow and trim around the signs. Mo.D.O.T. does NOT need to additional responsibility, can NOT maintain what we already own and can not take on the additional Financial Responsibility.
