I've grown up in Concordia and have known almost all servicemen/women from here. The murals effectively depict the commitment to patriotism that our families live. Thank you for your consideration.

As a small business owner in the small town of Concordia for the last 18 years, I have seen a lot of growth while keeping our root morals intact. Our community has stuck together and strongly voiced our support to the committees and groups who continue this patriotic mural project. While some small towns might struggle, this title can support the continued growth of Concordia by welcoming visitors from all over the country! Concordia is known for "Hearts in Harmony" in the HEART of Missouri, it only makes sense to be named the "Patriotic Mural City of Missouri!"

As the Mayor of the City of Concordia, I am in support of this bill to make Concordia the patriotic mural city of Missouri. As a city located on I-70, the 5 current patriotic murals have brought tourism to our city and the State of Missouri from off of the interstate. The community also has plans for two more additional murals in the works.

We have serval "Patriotic Mural Cities in Missouri. I do not like when we pick Winners & Losers. I am opposed to this Bill.
