I am in Support of this Bill and its Intent. As a Candidate for College Trustee of the Saint Charles Community College District Board, Students have problems with 1. Raising Tuition each and every year and 2. Paying for, putting in the time and effort of classes that are rejected by a four (4) year College or University and then to be retaken with additional increased expense, more time and extra effort. This Bill makes sense! For more details, please see the House archived video or audio Public Testimony under "Media."
