There is a severe lack of Water Patrol patrolling the waters of Lake of the Ozarks. The Lake desperately needs more law enforcement to crack down on the drunk boaters that put innocent families in harms way with their reckless driving. I am in full support of this bill. Let's do as much as we can!

**This is a much needed service to the people who spend any amount of time on Lake of the Ozarks.
This will undoubtedly save lives and improve the overall safety of the lake.**

I am for this all the way , my daughter was killed by a drunken boater July 25th 2020 , he had 7 people on his boat they were drinking all day . I believe if there were more water patrol on the lake there might be less people drinking and driving boats which would save lives .

My aunt Marie Steinkuehler was killed on Lake of the Ozarks in 2020 by a drunk boater. More patrol officers having easier access around the lake would prevent this from happening as much as it does. In 2020, Lake of the Ozarks contributed to 50% of boating accidents in Missouri. When asked about the causes, Missouri State Highway Patrol corporal Kyle Green stated, " Usually a combination of alcohol, people that are being inattentive, going too fast." This new patrol force could be essential in enforcing the laws of boating in Missouri.

I am Opposed to this Bill at this time as this is a duplication of Law Enforcement Patrol Activities that is currently handled and paid for through the Missouri Department of Public Safety, Highway Patrol, Division of Water Patrol.
