I am Opposed to this Bill and another "Designation Day." We as a State are confusing our Great Residents In keeping track of all of these Days, Weeks and Months. We are clouding the waters and over-saturating the real meaning and effect on the what this person did to our State. What about all of the other Great Missourians that are being missed and not remembered with their great contributions to our State? This Legislation is picking winners and losers and is unfair to our State.
