I am tired of organizations that threaten the health of the people and the survival of the planet asking for tax exemptions as well. Just say no!

I am Opposed to this very unfair Bill making profits for a Private Contractor "Honey-Well." This Bill will be a \$6,700,000 Loss to the State, while having to pay for Employees, Inspecting and reviewing Plans and making Site Inspections. This is a super scary project to Our State and makes Kansas City a World -Target. This bill is a very bad Tax Policy! What are the Environmental contaminants, impact and ramifications to Jackson County Residents? Have we NOT learned our lesson as a State in the dumping of Nuclear-Waste Products in North Saint Louis County and in Saint Charles County? This Project has way to many secrets and concerns!
