THE INFORMATION ON THIS FORM Members of the Special Committee on Pu Bank of Des Moines, I would like to thank	blic Policy:	On behalf of Federa	al Home Loan		
connection with the Committee's consider by Representative Hicks. The Bank thank	ration of HB 2780 (Comr s the Committee for con	nercial Transaction sidering this impor	s) as introduced tant legislation and		
I am writing to convey the Bank's suppor Moines (Bank) is a member-owned coope	rative that provides fund		iquidity to more		
than 1,200 members to support mortgage district includes Missouri, and we are pro					
companies and community development business is to provide loans – which we d					
liquidity needs. By law, every advance w	e make must be fully col	lateralized, and our	' members' loans		
are a key type of collateral that they pled to the Uniform Commercial Code (UCC) th		n important and tim ri. As the financial s			
continues to evolve into the digital age, our members are increasingly utilizing digital signature					
technology to document their loan transactions. Although this digital signature technology allows our members to legally enforce their loans, many types of digitally-signed loans are not eligible for					
collateral pledging to the Bank because the current UCC does not include a framework for secured lenders like the Bank to control those digital assets. The new UCC provisions contained in HB 2780					
create this framework and, if adopted, wo					
the Bank that are currently ineligible. Thi	s would help our Missou	ri members and the	eir communities		
because it would allow them to more easi businesses. For these reasons, the Bank
