We NEED to be writing checks and making direct payment to Institutions and Organizations. No "Pass-Thru" Agencies any longer. This is Highway Robbery and NEEDS to end today! Are you serious, "Pass-Thru Groups" are getting 10% to 25%? For What? Greed and to Steal? This is very wrong, Unethical and Illegal! This is B.S. and why Government is really "F-UP!" Why is the check NOT being written by Office of Administration in the first place? 42-Billion wasted, WOW!!! Our State Gov. is really Screwed-UP, I could do a ton of Great Things with \$42-Billion in "Pass-Thru" Highway Robbery Fees!

No Support...this legislation has the possibility of being used in nefarious ways. Depends on who's running the social services, etc.

Dear Chairman Richey and Special Committee on Government Accountability Members, On behalf of the six regional Feeding Missouri food banks and the over 1,200 community and faith-based hunger-relief partners providing emergency food assistance to Missourians facing hunger, we strongly urge this committee to reconsider the language proposed in HB 2803. Our concern is that the language is too broad and could have unintended consequences to programs and services that are designed to provide assistance to our most vulnerable populations. We stand ready to assist you in ensuring this bill adequately protects organizations and programs that are accountable, unbiased, efficient, and effective in helping our neighbors who need it most. Heather Hargrove Executive Director Feeding Missouri
