I have owned and operated a Bed & Breakfast in Arrow Rock, Missouri for 42 years. Arrow Rock is a small historic village that welcomes a large number of tourist/guests. We have a limited tax base due to a small population. Therefore, any additional tax would be a benefit especially in maintaining our streets. My guests have consistently enjoyed Arrow Rock and I know they would be willing to support the village with such a tax if so approved.

I am writing in support of HB2863. The Village of Arrow Rock is a National Historic Landmark Village that has a population of 57 and serves over 120,000 visitors annually. The village has limited ability to raise funds and maintain infrastructure to serve such a level of tourism. Rep. Gregory's bill helps tremendously with fundraising efforts. Without such additional help the Village of Arrow Rock is forced to make difficult decisions each year when it comes to road, water and wastewater repairs and improvement-the basic necessities for the economy and longevity of Missouri's first preservation focused community. Thank you for considering this bill and our efforts to support tourism with funding brought by tourism within our community.

I am Opposed to this Bill. The Village of Arrow Rock is 0.1 Square-Mile or 57-Acres and has a Population of 57 Village Residents with 6-7 Guest Rooms. I am Opposed to this Tax as it hinders Economic Development. Defeat this Proposed Bill.
