THE INFORMATION ON THIS FORM IS PUBLIC RECORD UNDER CHAPTER 610, RSMo.		

The law should be modifies to prohibit solitary confinement and prohibit any and types of corporeal punishment. In addition, the law should be modified to prioritize and emphasize the requirements for mental health treatments and counseling (regardless of screening out persons with known or diagnosed mental health diseases, all people in this age group benefit from mental health counseling/therapy). The law should be modifies to include progrm element for learning mindfulness and meditation practices. Thank you.
