I am in Support of this Bill and Requiring Appropriations from the General Assembly based on the Short and Long-Range "State Transportation Improvement Plan." There NEEDS to be Checks and Balances in this Process. Mo.D.O.T. NEEDS to be Accountable to the Six (60-Million Missourians as at time that are NOT Transparent and a Runaway Train!

This proposed Constitutional Amendment would have a substantial impact to the Missouri Highways and Transportation Commission (MHTC) and the Missouri Department of Transportation (MoDOT). Current language enables MHTC to deliver projects and transportation services using State Road Fund monies efficiently and quickly. This change would enable the General Assembly to choose the projects that MoDOT commits to the Statewide Transportation Improvement Program (STIP), the Department's central planning document.
