I oppose bill HB 3898, granting use of the MO House chamber to the Federalist Society. The bill states that the Missouri House has a history of rendering assistance to those organizations that sponsor projects in the interest of good citizenship. The Federalist Society is NOT such an organization. They are a far-right organization who has funneled millions of dollars of "dark money" into our government each year to push their anti-regulation, anti-union, anti-woman, and anti-environment agenda. This is the opposite of working in the interest of good citizenship. To give such a group access to the People's House is an affront to our democracy.
