I strongly SUPPORT HR 4055 as originally drafted!! Every state is now a "border state", and every state needs to start acting accordingly.

The US Federal Government has jurisdiction with respect to immigration. The US Senate worked across the aisle to draft a bill that was endorsed by the Border Patrol Union, only to be shutdown by the US House of Representatives for no substantive reason. I strongly oppose any Missouri tax dollars for the continued gamesmanship that is the real reason we have this border problem. President Biden would not have to act outside of the legislature if the US House of Representatives would act. I am ashamed and embarrassed at the dehumanizing, injury, and death that is occurring as a result of Gov Abbott's cruel and inhumane treatment of families who are already escaping unspeakable horror. This country is supposed to welcome "...your poor, Your huddled masses yearning to breathe free..." Instead they make it all the way here and if they aren't cut to pieces in Abbot's barbed wire, they are put in cages, or lied to and sent to northern cities without adequate clothing in subzero temperatures. Shameful.

This resolution seeks to exploit legitimate concerns about border security to further a political agenda, rather than addressing the complexities of immigration policy with nuance and compassion. While it emphasizes constitutional duties, it conveniently overlooks the humanitarian aspect of immigration and the rights of individuals seeking refuge. Painting President Biden as the sole culprit for immigration challenges oversimplifies a deeply entrenched issue that requires comprehensive, bipartisan solutions. Furthermore, calling upon the Missouri National Guard to assist in border security efforts diverts resources away from addressing pressing domestic needs within the state. Instead of scapegoating the federal government, we should work towards meaningful dialogue and collaborative solutions that prioritize both security and humanity.

This is political theater. Missourians do NOT support the racist immigration policies that Texas is enacting at the southern border and we will not be complicit in Governor Abbott's hateful actions against immigrants.
