THE INFORMATION ON THIS FORM IS PUBLIC RECORD UNDER CHAPTER 610, RSMo.			

I Supported this Bill in the State Senate when the Bill was only addressing Property in the City of Kirksville to be conveyed to the Kirksville Public School District. Now the Senate Bill has grown to include additional Lands and Properties, which I have reservations with: Property in the City of Hannibal, Marion County; 2. Property in the City of Springfield, Greene County; 3. Property in the City of Rich Hill, Bates County; 4. Property in the City of Jefferson, Cole County; 5. Property in the City of Joplin, Jasper County; 6. Property in the City of Monett, Barry County; 7. Property in the City of Lebanon, Laclede County; 8. Property in the City of St. Louis. These additional Amendments added onto the Bill have NOT been properly vetted and had ample Public Hearings, disclosing known information, purposes and reasons of why the property is being sold, transferred or traded. The physical Addresses have not been disclosed to do diligence and research as no reasons of disposing of these properties has been provided. This is very concerning and transparency has not been done in this case. Defeat this Bill!
