I am Opposed to this Bill and Closing and or Limiting Disclosure, Public Information and Public Documents. All Water taken from the Water Aquafer and Gallons used on Farms shall be a matter of Public Record and not being hidden or Restricted by any State-Law. I Opposed H.B.-2669, which is the "Companion Bill" to S.B.-1351. There shall be NO Hidden-Agendas and Secrets in Farming and Rural Communities across our Great State of Missouri. Defeat this Bill and allow for Openness of the Geological Survey and the State Department of Natural Resources.

I am writing to voice my opposition to SB1351. With there being major projects planned in Missouri to export our water via pipeline, having the information on who is violating the Riparian Water Rights we enjoy in this state. This bill would also give cover to corporations who would exploit the resources of the state that would bring ecological and property damage to all who live in the state. I ask that you please vote no on this horrible piece of legislation

I OPPOSE SB 1351 as perfected in the Senate. We need more transparency, not less. This bill seems like it would reduce transparency.

The Sierra Club opposes SB 1351. This bill is part of an increasing trend in legislation to bar personally identifiable information from being accessible to the public through sunshine requests. This bill would make it harder for the public to make sure that private companies are not harming the public interest. People should be able to make and receive information from sunshine requests concerning all information related to water pumping or divergence from companies. If the companies are able to cause harm to a significant amount of water that thousands of other Missourians rely on, then we should have the right to know who and where water is moving.

I'm sorry but We The People did not put you in office to make the foreign corporation you work in (the government), to keep things from being FOIA or Sunshine requested from us. Our Founders set up a Republican form of Government. But you refuse to follow the Constitution and instead listen to those who pad your pockets. Your day is coming to an end with this foreign corporation as We The People will vote you out if you refuse to vote NO! It's pathetic how you act as a representative for We The People
