I am very opposed to giving away "Sales Tax-Exemption" in this Bill to Honey-Well as the General Contractor for the Construction and Retrofitting of a Nuclear Weapons Production, Manufacturing and Storage of Nuclear Weapons and Chemicals. This Plant and Facility is in the Middle of the City of Kansas City (South-Side). This is yet another "Weldon Spring" in the making and NEEDS to be halted to protect our Environment, Kansas City Residents and Federal Employees at this Nuclear Weapons Facility. Where are the Safeguards? The United States Environmental Agency has No Authority and Regulation over the United States Department of Energy. I am sure that Honey-Well already has Sales-Taxes built into their Signed Federal Contract with the Federal Government and we as Federal and State Tax-Payers will be paying for the Sales-Taxes any way. Defeat this Bill and Say NO!
