25 administrative costs. The donation prescribed in this subsection is voluntary and may be refused by
26 the applicant for registration at the time of issuance or renewal. The director shall inquire of each
27 applicant at the time the applicant presents the completed application to the director whether the
28 applicant is interested in making the one dollar donation prescribed in this subsection.

29 8. An applicant for registration may make a donation of an amount not less than one dollar
30 to promote an organ donor program. The director of revenue shall collect the donations and deposit
31 all such donations in the state treasury to the credit of the organ donor program fund as established

33 purposes established in sections 194.297 to 194.304, except that the department of revenue shall
34 retain no more than one percent for its administrative costs. The donation prescribed in this
35 subsection is voluntary and may be refused by the applicant for registration at the time of issuance

8 The director shall inquire of each applicant at the time the applicant presents the completed
9 application to the director whether the applicant is interested in making the one dollar donation
10 prescribed in this subsection.

11 301.190. 1. No certificate of registration of any motor vehicle or trailer, or number plate
12 therefor, shall be issued by the director of revenue unless the applicant therefor shall make
13 application for and be granted a certificate of ownership of such motor vehicle or trailer, or shall
14 present satisfactory evidence that such certificate has been previously issued to the applicant for
15 such motor vehicle or trailer. Application shall be made within thirty days after the applicant
16 acquires the motor vehicle or trailer, unless the motor vehicle was acquired under section 301.213 or
17 subsection 5 of section 301.210 in which case the applicant shall make application within thirty days
18 after receiving title from the dealer, upon a blank form furnished by the director of revenue and shall
19 contain the applicant's identification number, a full description of the motor vehicle or trailer, the
20 vehicle identification number, and the mileage registered on the odometer at the time of transfer of
21 ownership, as required by section 407.536, together with a statement of the applicant's source of title
22 and of any liens or encumbrances on the motor vehicle or trailer, provided that for good cause
23 shown the director of revenue may extend the period of time for making such application. When an
24 owner wants to add or delete a name or names on an application for certificate of ownership of a
25 motor vehicle or trailer that would cause it to be inconsistent with the name or names listed on the
26 notice of lien, the owner shall provide the director with documentation evidencing the lienholder's
27 authorization to add or delete a name or names on an application for certificate of ownership.

28 2. The director of revenue shall use reasonable diligence in ascertaining whether the facts
29 stated in such application are true and shall, to the extent possible without substantially delaying
30 processing of the application, review any odometer information pertaining to such motor vehicle
31 that is accessible to the director of revenue. If satisfied that the applicant is the lawful owner of
32 such motor vehicle or trailer, or otherwise entitled to have the same registered in his name, the
33 director shall thereupon issue an appropriate certificate over his signature and sealed with the seal of
34 his office, procured and used for such purpose. The certificate shall contain on its face a complete
35 description, vehicle identification number, and other evidence of identification of the motor vehicle
36 or trailer, as the director of revenue may deem necessary, together with the odometer information
37 required to be put on the face of the certificate pursuant to section 407.536, a statement of any liens
38 or encumbrances which the application may show to be thereon, and, if ownership of the vehicle has
39 been transferred, the name of the state issuing the transferor's title and whether the transferor's

1 odometer mileage statement executed pursuant to section 407.536 indicated that the true mileage is
2 materially different from the number of miles shown on the odometer, or is unknown.

3 3. The director of revenue shall appropriately designate on the current and all subsequent
4 issues of the certificate the words "Reconstructed Motor Vehicle", "Motor Change Vehicle",
5 "Specially Constructed Motor Vehicle", or "Non-USA-Std Motor Vehicle", as defined in section
6 301.010. Effective July 1, 1990, on all original and all subsequent issues of the certificate for motor
7 vehicles as referenced in subsections 2 and 3 of section 301.020, the director shall print on the face
8 thereof the following designation: "Annual odometer updates may be available from the department
9 of revenue.". On any duplicate certificate, the director of revenue shall reprint on the face thereof
10 the most recent of either:

11 (1) The mileage information included on the face of the immediately prior certificate and
12 the date of purchase or issuance of the immediately prior certificate; or

13 (2) Any other mileage information provided to the director of revenue, and the date the
14 director obtained or recorded that information.

15 4. The certificate of ownership issued by the director of revenue shall be manufactured in a
16 manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such
17 certificate without ready detection. In order to carry out the requirements of this subsection, the
18 director of revenue may contract with a nonprofit scientific or educational institution specializing in
19 the analysis of secure documents to determine the most effective methods of rendering Missouri
20 certificates of ownership nonalterable or noncounterfeitable.

21 5. The fee for each original certificate so issued shall be eight dollars and fifty cents, in
22 addition to the fee for registration of such motor vehicle or trailer. If application for the certificate is
23 not made within thirty days after the vehicle is acquired by the applicant, or where the motor vehicle
24 was acquired under section 301.213 or subsection 5 of section 301.210 and the applicant fails to
25 make application within thirty days after receiving title from the dealer, a delinquency penalty fee of
26 twenty-five dollars for the first thirty days of delinquency and twenty-five dollars for each thirty
27 days of delinquency thereafter, not to exceed a total of two hundred dollars, but such penalty may be
28 waived by the director for a good cause shown. If the director of revenue learns that any person has
29 failed to obtain a certificate within thirty days after acquiring a motor vehicle or trailer, or where the
30 motor vehicle was acquired under section 301.213 or subsection 5 of section 301.210 and the
31 applicant fails to make application within thirty days after receiving title from the dealer, or has sold
32 a vehicle without obtaining a certificate, he shall cancel the registration of all vehicles registered in
33 the name of the person, either as sole owner or as a co-owner, and shall notify the person that the
34 cancellation will remain in force until the person pays the delinquency penalty fee provided in this
35 section, together with all fees, charges and payments which the person should have paid in
36 connection with the certificate of ownership and registration of the vehicle. The certificate shall be
37 good for the life of the motor vehicle or trailer so long as the same is owned or held by the original
38 holder of the certificate and shall not have to be renewed annually.

1 6. Any applicant for a certificate of ownership requesting the department of revenue to
2 process an application for a certificate of ownership in an expeditious manner requiring special
3 handling shall pay a fee of five dollars in addition to the regular certificate of ownership fee.

4 7. It is unlawful for any person to operate in this state a motor vehicle or trailer required to
5 be registered under the provisions of the law unless a certificate of ownership has been applied for
6 as provided in this section.

7 8. Before an original Missouri certificate of ownership is issued, an inspection of the vehicle
8 and a verification of vehicle identification numbers shall be made by the Missouri state highway
9 patrol on vehicles for which there is a current title issued by another state if a Missouri salvage
10 certificate of title has been issued for the same vehicle but no prior inspection and verification has
11 been made in this state, except that if such vehicle has been inspected in another state by a law
12 enforcement officer in a manner comparable to the inspection process in this state and the vehicle
13 identification numbers have been so verified, the applicant shall not be liable for the twenty-five
14 dollar inspection fee if such applicant submits proof of inspection and vehicle identification number
15 verification to the director of revenue at the time of the application. The applicant, who has such a
16 title for a vehicle on which no prior inspection and verification have been made, shall pay a fee of
17 twenty-five dollars for such verification and inspection, payable to the director of revenue at the
18 time of the request for the application, which shall be deposited in the state treasury to the credit of
19 the state highways and transportation department fund.

20 9. Each application for an original Missouri certificate of ownership for a vehicle which is
21 classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit vehicle, motor
22 change vehicle, non-USA-std motor vehicle, or other vehicle as required by the director of revenue
23 shall be accompanied by a vehicle examination certificate issued by the Missouri state highway
24 patrol, or other law enforcement agency as authorized by the director of revenue. The vehicle
25 examination shall include a verification of vehicle identification numbers and a determination of the
26 classification of the vehicle. The owner of a vehicle which requires a vehicle examination
27 certificate shall present the vehicle for examination and obtain a completed vehicle examination
28 certificate prior to submitting an application for a certificate of ownership to the director of revenue.
29 Notwithstanding any provision of the law to the contrary, an owner presenting a motor vehicle
30 which has been issued a salvage title and which is ten years of age or older to a vehicle examination
31 described in this subsection in order to obtain a certificate of ownership with the designation prior
32 salvage motor vehicle shall not be required to repair or restore the vehicle to its original appearance
33 in order to pass or complete the vehicle examination. The fee for the vehicle examination
34 application shall be twenty-five dollars and shall be collected by the director of revenue at the time
35 of the request for the application and shall be deposited in the state treasury to the credit of the state
36 highways and transportation department fund. If the vehicle is also to be registered in Missouri, the
37 safety inspection required in chapter 307 and the emissions inspection required under chapter 643
38 shall be completed and the fees required by section 307.365 and section 643.315 shall be charged to
39 the owner.

1 10. When an application is made for an original Missouri certificate of ownership for a
2 motor vehicle previously registered or titled in a state other than Missouri or as required by section
3 301.020, it shall be accompanied by a current inspection form certified by a duly authorized official
4 inspection station as described in chapter 307, except that such inspection may be completed by an
5 employee of a licensed new or used motor vehicle dealer for a motor vehicle sold to a person who
6 lives outside of this state and intends to register the vehicle outside of this state or for a motor
7 vehicle having less than thirty thousand miles for the three-year period following the model year of
8 manufacture. The completed form shall certify that the manufacturer's identification number for the
9 vehicle has been inspected, that it is correctly displayed on the vehicle and shall certify the reading
10 shown on the odometer at the time of inspection. The inspection station or, in the case of a motor
11 vehicle sold to a person who lives outside of this state and intends to register the vehicle outside of
12 this state or a motor vehicle having less than thirty thousand miles for the three-year period
13 following the model year of manufacture, the licensed new or used motor vehicle dealer shall collect
14 the same fee as authorized in section 307.365 for making the inspection, and the fee shall be
15 deposited in the same manner as provided in section 307.365. If the vehicle is also to be registered
16 in Missouri, the safety inspection required in chapter 307 and the emissions inspection required
17 under chapter 643 shall be completed and only the fees required by section 307.365 and section
18 643.315 shall be charged to the owner. This section shall not apply to vehicles being transferred on
19 a manufacturer's statement of origin. A licensed new or used motor vehicle dealer completing the
20 inspection under this section shall be subject to disciplinary action up to and including suspension or
21 revocation of their dealer's license for knowingly completing such inspection with incorrect
22 information. Such disciplinary action shall take place in accordance with department of revenue
23 regular procedures for disciplinary action.

24 11. Motor vehicles brought into this state in a wrecked or damaged condition or after being
25 towed as an abandoned vehicle pursuant to another state's abandoned motor vehicle procedures
26 shall, in lieu of the inspection required by subsection 10 of this section, be inspected by the Missouri
27 state highway patrol in accordance with subsection 9 of this section. If the inspection reveals the
28 vehicle to be in a salvage or junk condition, the director shall so indicate on any Missouri certificate
29 of ownership issued for such vehicle. Any salvage designation shall be carried forward on all
30 subsequently issued certificates of title for the motor vehicle.

31 12. When an application is made for an original Missouri certificate of ownership for a
32 motor vehicle previously registered or titled in a state other than Missouri, and the certificate of
33 ownership has been appropriately designated by the issuing state as a reconstructed motor vehicle,
34 motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the director of
35 revenue shall appropriately designate on the current Missouri and all subsequent issues of the
36 certificate of ownership the name of the issuing state and such prior designation. The absence of
37 any prior designation shall not relieve a transferor of the duty to exercise due diligence with regard
38 to such certificate of ownership prior to the transfer of a certificate. If a transferor exercises any due
39 diligence with regard to a certificate of ownership, the legal transfer of a certificate of ownership

1 without any designation that is subsequently discovered to have or should have had a designation
 2 shall be a transfer free and clear of any liabilities of the transferor associated with the missing
 3 designation.

4 13. When an application is made for an original Missouri certificate of ownership for a
 5 motor vehicle previously registered or titled in a state other than Missouri, and the certificate of
 6 ownership has been appropriately designated by the issuing state as non-USA-std motor vehicle, the
 7 director of revenue shall appropriately designate on the current Missouri and all subsequent issues of
 8 the certificate of ownership the words "Non-USA-Std Motor Vehicle".

9 14. The director of revenue and the superintendent of the Missouri state highway patrol shall
 10 make and enforce rules for the administration of the inspections required by this section.

11 15. Each application for an original Missouri certificate of ownership for a vehicle which is
 12 classified as a reconstructed motor vehicle, manufactured forty or more years prior to the current
 13 model year, and which has a value of three thousand dollars or less shall be accompanied by:

14 (1) A proper affidavit submitted by the owner explaining how the motor vehicle or trailer
 15 was acquired and, if applicable, the reasons a valid certificate of ownership cannot be furnished;

16 (2) Photocopies of receipts, bills of sale establishing ownership, or titles, and the source of
 17 all major component parts used to rebuild the vehicle;

18 (3) A fee of one hundred fifty dollars in addition to the fees described in subsection 5 of this
 19 section. Such fee shall be deposited in the state treasury to the credit of the state highways and
 20 transportation department fund; and

21 (4) An inspection certificate, other than a motor vehicle examination certificate required
 22 under subsection 9 of this section, completed and issued by the Missouri state highway patrol, or
 23 other law enforcement agency as authorized by the director of revenue. The inspection performed
 24 by the highway patrol or other authorized local law enforcement agency shall include a check for
 25 stolen vehicles.

26
 27 The department of revenue shall issue the owner a certificate of ownership designated with the
 28 words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance with
 29 the provisions of this chapter. Notwithstanding subsection 9 of this section, no owner of a
 30 reconstructed motor vehicle described in this subsection shall be required to obtain a vehicle
 31 examination certificate issued by the Missouri state highway patrol.

32 301.448. Any person who has served and was honorably discharged or currently serves in
 33 ~~[any branch of the United States Armed Forces]~~ the United States Army, Marine Corps, Navy, Air
 34 Force, Space Force, Coast Guard, or National Guard, or in the reserves for any such branch, [the
 35 United States Coast Guard or reserve,] the United States Merchant Marines or reserve, or the
 36 Missouri National Guard, or any subdivision of any of such services or a member of the United
 37 States Marine Corps League may apply for special motor vehicle license plates, either solely or
 38 jointly, for issuance either to passenger motor vehicles subject to the registration fees provided in
 39 section 301.055, or to nonlocal property-carrying commercial motor vehicles licensed for a gross

weight of six thousand pounds up through and including twenty-four thousand pounds as provided in section 301.057. Any such person shall make application for the special license plates on a form provided by the director of revenue and furnish such proof that such person is a member or former member of any such branch of service as the director may require. Upon presentation of the proof of eligibility and annual payment of the fee required for personalized license plates in section 301.144, and other fees and documents which may be required by law, the department shall issue personalized license plates which shall bear the seal, logo or emblem, along with a word or words designating the branch or subdivision of such service for which the person applies. All seals, logos, emblems or special symbols shall become an integral part of the license plate; however, no plate shall contain more than one seal, logo, emblem or special symbol and the design of such plates shall be approved by the advisory committee established in section 301.129 and by the branch or subdivision of such service or the Marine Corps League prior to issuing such plates. The plates shall have a white background with a blue and red configuration at the discretion of the advisory committee established in section 301.129. The plates shall be clearly visible at night and shall be aesthetically attractive, as prescribed by section 301.130. The bidding process used to select a vendor for the material to manufacture the license plates authorized by this section shall consider the aesthetic appearance of the plate. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms. All license plates issued under this provision must be renewed in accordance with law. License plates issued under the provisions of this section shall not be transferable to any other person, except that any registered co-owner of the motor vehicle shall be entitled to operate the motor vehicle for the duration of the year licensed, in the event of the death of the qualified applicant.

301.469. 1. Any vehicle owner may receive license plates as prescribed in this section, for any motor vehicle such person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of twenty-four thousand pounds gross weight, after an annual payment of an emblem-use authorization fee to the Missouri conservation heritage foundation. The foundation hereby authorizes the use of its official emblems to be affixed on multiyear license plates as provided in this section. Any vehicle owner may annually apply for the use of the emblems.

2. Upon annual application and payment of a twenty-five dollar emblem-use authorization fee to the Missouri conservation heritage foundation, the foundation shall issue to the vehicle owner, without further charge, an emblem-use authorization statement, which shall be presented to the director of the department of revenue at the time of registration of a motor vehicle.

3. Upon presentation of the annual statement, payment of a fifteen dollar fee in addition to the regular registration fees and documents which may be required by law, the director of the department of revenue shall issue a license plate, which shall bear an emblem of the Missouri conservation heritage foundation in a form prescribed by the director, to the vehicle owner. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section

1 301.130. Notwithstanding the provisions of section 301.144, no additional fee shall be charged for
2 the personalization of license plates pursuant to this section.

3 4. Application for the emblem-use authorization and payment of the twenty-five-dollar
4 contribution may also be made at the time of registration to the director of the department of
5 revenue, who shall deposit the contribution to the credit of the Missouri conservation heritage
6 foundation.

7 5. A vehicle owner, who was previously issued a plate with a Missouri conservation heritage
8 foundation emblem authorized by this section but who does not provide an emblem-use
9 authorization statement at a subsequent time of registration, shall be issued a new plate which does
10 not bear the foundation emblem, as otherwise provided by law.

11 [5-] 6. The director of the department of revenue may promulgate rules and regulations for
12 the administration of this section. Any rule or portion of a rule, as that term is defined in section
13 536.010, that is promulgated under the authority delegated in this section shall become effective
14 only if it has been promulgated pursuant to the provisions of chapter 536. All rulemaking authority
15 delegated prior to August 28, 1999, is of no force and effect; however, nothing in this section shall
16 be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if
17 it fully complied with the provisions of chapter 536. This section and chapter 536 are nonseverable
18 and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to
19 delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional,
20 then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall
21 be invalid and void."; and

24 line the following:

25
26 "307.350. 1. The owner of every motor vehicle as defined in section 301.010 which is
27 required to be registered in this state, except:
