Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1       (4) Six cents per minute for any domestic phone calls made by inmates in a jail with an  
2 average daily population of at least one thousand.

3       5. Payments made by a third-party vendor under subsection 4 of this section shall be used by  
4 the jail for costs to monitor all forms of communication from inmates in order to protect inmates and  
5 their families, jail staff and their families, and law enforcement.

6       6. For purposes of this section, "average daily population" means the sum of all inmates in a  
7 facility for each day of the preceding calendar year, divided by the number of days in the year.

8       7. The rate caps specified under subsections 2 and 3 of this section shall be adjusted  
9 annually on May first by the same percentage as the increase in the consumer price index for the  
10 preceding calendar year as measured by the Consumer Price Index for All Urban Consumers for the  
11 United States, or its successor index, as defined and officially recorded by the United States  
12 Department of Labor or its successor agency."; and
