

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By \_\_\_\_\_

1 AMEND House Committee Substitute for Senate Bill No. 189, Page 114, Section 567.030, Line 20, by  
2 inserting after said section and line the following:

3  
4 "569.086. 1. As used in this section, "critical infrastructure facility" means any of the following  
5 facilities that are under construction or operational: a petroleum or alumina refinery; critical electric  
6 infrastructure, as defined in 18 CFR Section 118.113(c)(3) including, but not limited to, an electrical power  
7 generating facility, substation, switching station, electrical control center, or electric power lines and  
8 associated equipment infrastructure; a chemical, polymer, or rubber manufacturing facility; a water intake  
9 structure, water storage facility, water treatment facility, wastewater treatment plant, wastewater pumping  
10 facility, or pump station; a natural gas compressor station; a liquid natural gas terminal or storage facility; a  
11 telecommunications central switching office; wireless and wireline telecommunications infrastructure,  
12 including cell towers, telephone poles and lines, including fiber optic lines; a port, railroad switching yard,  
13 railroad tracks, trucking terminal, or other freight transportation facility; a gas processing plant, including a  
14 plant used in the processing, treatment, or fractionation of natural gas or natural gas liquids; a transmission  
15 facility used by a federally licensed radio or television station; a steelmaking facility that uses an electric arc  
16 furnace to make steel; a facility identified and regulated by the United States Department of Homeland  
17 Security Chemical Facility Anti-Terrorism Standards (CFATS) program; a dam that is regulated by the state  
18 or federal government; a natural gas distribution utility facility including, but not limited to, natural gas  
19 distribution and transmission mains and services, pipeline interconnections, a city gate or town border station,  
20 metering station, aboveground piping, a regulator station, and a natural gas storage facility; a crude oil or  
21 refined products storage and distribution facility including, but not limited to, valve sites, pipeline  
22 interconnection, pump station, metering station, below or aboveground pipeline or piping and truck loading  
23 or offloading facility, a grain mill or processing facility; a generation, transmission, or distribution system of  
24 broadband internet access; or any aboveground portion of an oil, gas, hazardous liquid or chemical pipeline,  
25 tank, railroad facility, or other storage facility that is enclosed by a fence, other physical barrier, or is clearly  
26 marked with signs prohibiting trespassing, that are obviously designed to exclude intruders.

27 2. A person commits the offense of trespass on a critical infrastructure facility if he or she purposely  
28 trespasses or enters property containing a critical infrastructure facility without the permission of the owner  
29 of the property or lawful occupant thereof. The offense of trespass on a critical infrastructure facility is a  
30 class B misdemeanor. If it is determined that the intent of the trespasser is to damage, destroy, or tamper with  
31 equipment, or impede or inhibit operations of the facility, the person shall be guilty of a class A misdemeanor.

32 3. A person commits the offense of damage of a critical infrastructure facility if he or she purposely  
33 damages, destroys, or tampers with equipment in a critical infrastructure facility. The offense of damage of a  
34 critical infrastructure facility is a class D felony.

35 4. This section shall not apply to conduct protected under the Constitution of the United States, the  
36 Constitution of the state of Missouri, or a state or federal law or rule."; and

37  
38 Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
