16 experience and clinical supervision requirements in effect and the other state verifies that the person  
17 met those requirements in order to be licensed or certified in that state. An oversight body that  
18 administers an examination on laws of this state as part of its licensing application requirement may  
19 require an applicant to take and pass an examination specific to the laws of this state; or

30 the state; who has a criminal record that would disqualify him or her for licensure in Missouri; or  
31 who does not hold a valid current license in the other jurisdiction on the date the oversight body  
32 receives his or her application under this section.

33           (2) If another jurisdiction has taken disciplinary action against an applicant, the oversight  
34 body shall determine if the cause for the action was corrected and the matter resolved. If the matter  
35 has not been resolved by that jurisdiction, the oversight body may deny a license until the matter is  
36 resolved.

38 applicant under this section for any reason described in any section associated with the occupation  
39 or profession for which the applicant seeks a license.

1           6. Any person who is licensed under the provisions of this section shall be subject to the  
2 applicable oversight body's jurisdiction and all rules and regulations pertaining to the practice of the  
3 licensed occupation or profession in this state.

4           7. This section shall not be construed to waive any requirement for an applicant to pay any  
5 fees, post any bonds or surety bonds, or submit proof of insurance associated with the license the  
6 applicant seeks.

7           8. This section shall not apply to business, professional, or occupational licenses issued or  
8 required by political subdivisions.

9           9. The provisions of this section shall not impede an oversight body's authority to require an  
10 applicant to submit fingerprints as part of the application process.

11           10. ~~[The provisions of this section shall not apply to an oversight body that has entered into~~  
12 ~~a licensing compact with another state for the regulation of practice under the oversight body's~~  
13 ~~jurisdiction.]~~ The provisions of this section shall not be construed to alter the authority granted by,  
14 or any requirements promulgated pursuant to, any interjurisdictional or interstate compacts adopted  
15 by Missouri statute or any reciprocity agreements with other states in effect ~~[on August 28, 2018]~~,  
16 and whenever possible this section shall be interpreted so as to imply no conflict between it and any  
17 compact, or any reciprocity agreements with other states in effect ~~[on August 28, 2018]~~.

18           11. Notwithstanding any other provision of law, a license issued under this section shall be  
19 valid only in this state and shall not make a licensee eligible to be part of an interstate compact. An  
20 applicant who is licensed in another state pursuant to an interstate compact shall not be eligible for  
21 licensure by an oversight body under the provisions of this section.

22           12. The provisions of this section shall not apply to any occupation set forth in subsection 6
