7 2. For all fiscal years beginning on or after July 1, 2019, a taxpayer shall be allowed to
8 claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the
9 amount of such taxpayer's contributions to a diaper bank.

10 3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state
11 tax liability for the tax year for which the credit is claimed, and such taxpayer shall not be allowed
12 to claim a tax credit in excess of fifty thousand dollars per tax year. However, any tax credit that
13 cannot be claimed in the tax year the contribution was made may be carried over only to the next
14 subsequent tax year. No tax credit issued under this section shall be assigned, transferred, or sold.

15 4. Except for any excess credit that is carried over under subsection 3 of this section, no

30 the cumulative limit created under this subsection for the next fiscal year and carried over to
31 subsequent fiscal years until claimed.

32 9. The department shall establish a procedure by which, from the beginning of the fiscal
33 year until some point in time later in the fiscal year to be determined by the department, the
34 cumulative amount of tax credits are equally apportioned among all entities classified as diaper
35 banks. If a diaper bank fails to use all, or some percentage to be determined by the department, of
36 its apportioned tax credits during this predetermined period of time, the department may reapportion
37 such unused tax credits to diaper banks that have used all, or some percentage to be determined by
38 the department, of their apportioned tax credits during this predetermined period of time. The
39 department may establish multiple periods each fiscal year and reapportion accordingly. To the

16 following the calendar year in which the program authorized under this section is sunset; and
