 4 The voter may provide additional information to further assist the election authority in determining
 5 eligibility, including the place and date the voter registered to vote, if known.

6 5. (1) Prior to counting any provisional ballot, the election authority shall determine if the
 7 voter is registered and eligible to vote and if the vote was properly cast. The eligibility of
 8 provisional votes shall be determined according to the requirements for a voter to cast a ballot in the
 9 election as set forth in sections 115.133 and 115.135. A provisional [~~voter~~] ballot shall not be
 10 eligible to be counted until the election authority has determined that:

11 (a) The voter cast such provisional ballot at a polling place established for the voter or the
 12 central polling place established by the election authority under subsection 5 of section 115.115;

13 (b) The individual who cast the provisional ballot is an individual registered to vote in the
 14 respective election at the polling place where the ballot was cast;

1 (c) The voter did not otherwise vote in the same election by regular ballot, absentee ballot,
2 or otherwise; and

3 (d) The information on the provisional ballot envelope is found to be correct, complete, and
4 accurate.

5 (2) When the ballot boxes are delivered to the election authority from the polling places, the
6 receiving teams shall separate the provisional ballots from the rest of the ballots and place the sealed
7 provisional ballot envelopes in a separate container. Teams of election authority employees or
8 teams of election judges with each team consisting of one member of each major political party
9 shall photocopy each provisional ballot envelope, such photocopy to be used by the election
10 authority to determine provisional voter eligibility. The sealed provisional ballot envelopes shall be
11 placed by the team in a sealed container and shall remain therein until tabulation.

12 (3) To determine whether a provisional ballot is valid and entitled to be counted, the election
13 authority shall examine its records and verify that the provisional voter is properly registered and
14 eligible to vote in the election. If the provisional voter has provided information regarding the
15 registration agency where the provisional voter registered to vote, the election authority shall make
16 an inquiry of the registration agency to determine whether the provisional voter is properly
17 registered and eligible to vote in the election.

18 (4) If the election authority determines that the provisional voter is registered and eligible to
19 vote in the election, the election authority shall provide documentation verifying the voter's
20 eligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and
21 shall contain substantially the following information:

22 (a) The name of the provisional voter;

23 (b) The name of the reviewer;

24 (c) The date and time; and

25 (d) A description of evidence found that supports the voter's eligibility.

26 (5) The local election authority shall record on a provisional ballot acceptance/rejection list
27 the provisional ballot identification number and a notation marking it as accepted.

28 (6) If the election authority determines that the provisional voter is not registered or eligible
29 to vote in the election, the election authority shall provide documentation verifying the voter's
30 ineligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and
31 shall contain substantially the following information:

32 (a) The name of the provisional voter;

33 (b) The name of the reviewer;

34 (c) The date and time;

35 (d) A description of why the voter is ineligible.

36 (7) The local election authority shall record on a provisional ballot acceptance/rejection list
37 the provisional ballot identification number and notation marking it as rejected.

38 (8) If rejected, a photocopy of the envelope shall be made and used by the election authority
39 as a mail-in voter registration. The actual provisional ballot envelope shall be kept as ballot

1 material, and the copy of the envelope shall be used by the election authority for registration record
2 keeping.

3 6. All provisional ballots cast by voters whose eligibility has been verified as provided in
4 this section shall be counted in accordance with the rules governing ballot tabulation. Provisional
5 ballots shall not be counted until all provisional ballots are determined either eligible or ineligible
6 and all provisional ballots must be processed before the election is certified. The provisional ballot
7 shall be counted only if the election authority determines that the voter is registered and eligible to
8 vote. Provisional ballots voted in the wrong polling place shall not be counted. If the voter is not
9 registered but is qualified to register for future elections, the affidavit shall be considered a mail-in
10 application to register to vote pursuant to this chapter.

11 7. (1) After the election authority completes its review of the provisional voter's eligibility
12 under subsection 5 of this section, the election authority shall deliver the provisional ballots and
13 copies of the provisional ballot envelopes that include eligibility information to bipartisan counting
14 teams, which may be the board of verification, for review and tabulation. The election authority
15 shall maintain a record of such delivery. The record shall include the number of ballots delivered to
16 each team and shall include a signed receipt from two judges, one from each major political party.
17 The election authority shall provide each team with a ballot box and material necessary for
18 tabulation.

19 (2) If the person named on the provisional ballot affidavit is found to have been properly
20 qualified and registered to cast a ballot in the election and the provisional ballot otherwise qualifies
21 to be counted under the provisions of this section, the envelope shall be opened, and the ballot shall
22 be placed in a ballot box to be counted.

23 (3) If the person named on the provisional ballot affidavit is found not to have been properly
24 qualified and registered to cast a ballot in the election or if the election authority is unable to
25 determine such person's right to vote, the envelope containing the provisional ballot shall not be
26 opened, and the person's vote shall not be counted. The members of the team shall follow the
27 procedures set forth in subsection 5 of this section for rejected provisional ballots.

28 (4) The votes shall be tallied and the returns made as provided in sections 115.447 to
29 115.525 for paper ballots. After the vote on all ballots assigned to a team have been counted, the
30 ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information provided by
31 the election authority shall be enclosed in sealed containers marked "Voted provisional ballots and
32 ballot envelopes from the election held _____, 20_____". All rejected provisional ballots, ballot
33 envelopes, and copies of ballot envelopes with the eligibility information provided by the election
34 authority shall be enclosed in sealed containers marked "Rejected provisional ballots and ballot
35 envelopes from the election held _____, 20_____". On the outside of each voted ballot and
36 rejected ballot container, each member of the team shall write their name and all such containers
37 shall be returned to the election authority. Upon receipt of the returns and ballots, the election
38 authority shall tabulate the provisional votes.

1 8. Challengers and watchers, as provided by sections 115.105 and 115.107, may be present
2 during all times that the bipartisan counting teams are reviewing or counting the provisional ballots,
3 the provisional ballot envelopes, or copies of the provisional ballot envelopes that include eligibility
4 information provided by the election authority. Challengers and watchers shall be permitted to
5 observe the determination of the eligibility of all provisional ballots. The election authority shall
6 notify the county chair of each major political party of the time and location when bipartisan
7 counting teams will be reviewing or counting the provisional ballots, the provisional ballot
8 envelopes, or the copies of the provisional ballot envelopes that include the eligibility information
9 provided by the election authority.

10 9. The certificate of ballot cards shall:

11 (1) Reflect the number of provisional envelopes delivered; and

12 (2) Reflect the number of sealed provisional envelopes with voted ballots deposited in the
13 ballot box.

14 10. In counties where the voting system does not utilize a paper ballot, the election authority
15 shall provide the appropriate provisional ballots to each polling place.

16 11. The secretary of state may promulgate rules for purposes of ensuring the uniform
17 application of this section. No rule or portion of a rule promulgated pursuant to the authority of this
18 section shall become effective unless it has been promulgated pursuant to chapter 536.

19 12. The secretary of state shall design and provide to the election authorities the envelopes
20 and forms necessary to carry out the provisions of this section.

21 13. Pursuant to the Help America Vote Act of 2002, the secretary of state shall ensure a free
22 access system is established, such as a toll-free number or an internet website, that any individual
23 who casts a provisional ballot may access to discover whether the vote of that individual was
24 counted, and, if the vote was not counted, the reason that the vote was not counted. At the time an
25 individual casts a provisional ballot, the election authority shall give the voter written information
26 that states that any individual who casts a provisional ballot will be able to ascertain under such free
27 access system whether the vote was counted, and if the vote was not counted, the reason that the
28 vote was not counted.

29 14. In accordance with the Help America Vote Act of 2002, any individual who votes in an
30 election as a result of a court order or any other order extending the time established for closing the
31 polls in section 115.407 may vote only by using a provisional ballot, and such provisional ballot
32 shall be separated and held apart from other provisional ballots cast by those not affected by the
33 order. Such ballots shall not be counted until such time as the ballots are determined to be valid.
34 No state court shall have jurisdiction to extend the polling hours established by law, including
35 section 115.407.

36 115.453. Election judges shall count votes for all candidates in the following manner:

37 (1) No candidate shall be counted as voted for, except a candidate before whose name a
38 distinguishing mark appears preceding the name and a distinguishing mark does not appear in the
39 square preceding the name of any candidate for the same office in another column. Except as

1 provided in this subdivision and subdivision (2) of this section, each candidate with a distinguishing
2 mark preceding his or her name shall be counted as voted for;

3 (2) If distinguishing marks appear next to the names of more candidates for an office than
4 are entitled to fill the office, no candidate for the office shall be counted as voted for. If more than
5 one candidate is to be nominated or elected to an office, and any voter has voted for the same
6 candidate more than once for the same office at the same election, no votes cast by the voter for the
7 candidate shall be counted;

8 (3) No vote shall be counted for any candidate that is not marked substantially in
9 accordance with the provisions of this section. The judges shall count votes marked substantially in
10 accordance with this section and section 115.456 when the intent of the voter seems clear.
11 Regulations promulgated by the secretary of state shall be used by the judges to determine voter
12 intent. No ballot containing any proper votes shall be rejected for containing fewer marks than are
13 authorized by law;

14 (4) Write-in votes shall be counted only for candidates for election to office who have filed
15 a declaration of intent to be a write-in candidate for election to office with the proper election
16 authority, who shall then notify the proper filing officer of the write-in candidate prior to 5:00 p.m.
17 on the second Friday immediately preceding the election day; except that, write-in votes shall be
18 counted only for candidates for election to state or federal office who have filed a declaration of
19 intent to be a write-in candidate for election to state or federal office with the secretary of state
20 pursuant to section 115.353 prior to 5:00 p.m. on the second Friday immediately preceding the
21 election day. No person who filed as a party or independent candidate for nomination or election to
22 an office may, without withdrawing as provided by law, file as a write-in candidate for election to
23 the same office for the same term. No candidate who files for nomination to an office and is not
24 nominated at a primary election may file a declaration of intent to be a write-in candidate for the
25 same office at the general election. When declarations are properly filed with the secretary of state,
26 the secretary of state shall promptly transmit copies of all such declarations to the proper election
27 authorities for further action pursuant to this section. The election authority shall furnish a list to the
28 election judges and counting teams prior to election day of all write-in candidates who have filed
29 such declaration. ~~[This subdivision shall not apply to elections wherein candidates are being elected
30 to an office for which no candidate has filed.]~~ No person shall file a declaration of intent to be a
31 write-in candidate for election to any municipal office unless such person is qualified to be certified
32 as a candidate under section 115.306;

33 (5) Write-in votes shall be cast and counted for a candidate without party designation.
34 Write-in votes for a person cast with a party designation shall not be counted. Except for candidates
35 for political party committees, no candidate shall be elected as a write-in candidate unless such
36 candidate receives a separate plurality of the votes without party designation regardless of whether
37 or not the total write-in votes for such candidate under all party and without party designations totals
38 a majority of the votes cast;

39 (6) When submitted to the election authority, each declaration of intent to be a write-in
40 candidate for the office of United States president shall include the name of a candidate for vice

1 president and the name of nominees for presidential elector equal to the number to which the state is
2 entitled. At least one qualified resident of each congressional district shall be nominated as
3 presidential elector. Each such declaration of intent to be a write-in candidate shall be accompanied
4 by a declaration of candidacy for each presidential elector in substantially the form set forth in
5 subsection 3 of section 115.399. Each declaration of candidacy for the office of presidential elector
6 shall be subscribed and sworn to by the candidate before the election official receiving the
7 declaration of intent to be a write-in, notary public or other officer authorized by law to administer
8 oaths.

6 special district at the general municipal election.

7 115.773. After the count and canvass of the votes cast, the secretary of state shall notify the
