15 vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof
16 of financial responsibility, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer
17 for which the buyer has no registration plate available for transfer, or from a motor vehicle dealer

28 revenue and any amounts received by motor vehicle dealers or authorized agents for temporary
29 permits purchased from a producer other than the director of the department of revenue shall not
30 constitute state revenue. In no event shall revenues from the general revenue fund or any other state
31 fund be utilized to compensate motor vehicle dealers or other producers for their role in producing
32 temporary permits as authorized under this section. Amounts that do not constitute state revenue
33 under this section shall also not constitute fees for registration or certificates of title to be collected
34 by the director of the department of revenue under section 301.190. No motor vehicle dealer,
35 authorized agent or the department of revenue shall charge more than five dollars for each permit
36 issued. The permit shall be valid for a period of thirty days, or no more than ninety days if issued by
37 a dealer selling the motor vehicle under the provisions of section 301.213, or no more than sixty
38 days if issued by a dealer selling the motor vehicle under the provisions of subsection 5 of section
39 301.210, from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor

1 vehicle or trailer by a motor vehicle dealer for which the purchaser obtains a permit as set out above.
2 No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial
3 responsibility. Each temporary permit issued shall be securely fastened to the back or rear of the
4 motor vehicle in a manner and place on the motor vehicle consistent with registration plates so that
5 all parts and qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably
6 clean and are not impaired in any way.

7 5. The permit shall be issued on a form prescribed by the director of the department of
8 revenue and issued only for the applicant's temporary operation of the motor vehicle or trailer
9 purchased to enable the applicant to temporarily operate the motor vehicle while proper title and
10 registration plates are being obtained, or while awaiting receipt of registration plates, and shall be
11 displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be
12 transferable or renewable, shall not be valid upon issuance of proper registration plates for the motor
13 vehicle or trailer, and shall be returned to the department or to the department's agent upon the
14 issuance of such proper registration plates. Any temporary permit returned to the department or to
15 the department's agent shall be immediately destroyed. The provisions of this subsection shall not
16 apply to temporary permits issued for commercial motor vehicles licensed in excess of twenty-four
17 thousand pounds gross weight. The director of the department of revenue shall determine the size,
18 material, design, numbering configuration, construction, and color of the permit. The director of the
19 department of revenue, at his or her discretion, shall have the authority to reissue, and thereby
20 extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer
21 while proper title and registration are being obtained.

22 6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by
23 proper officers, an accurate record of each permit issued by recording the permit number, the motor
24 vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and
25 manufacturer's vehicle identification number, and the permit's date of issuance and expiration date.
26 Upon the issuance of a temporary permit by either the central office of the department of revenue, a
27 motor vehicle dealer or an authorized agent of the department of revenue, the director of the
28 department of revenue shall make the information associated with the issued temporary permit
29 immediately available to the law enforcement community of the state of Missouri.

30 7. Upon the transfer of ownership of any currently registered motor vehicle wherein the
31 owner cannot transfer the license plates due to a change of motor vehicle category, the owner may
32 surrender the license plates issued to the motor vehicle and receive credit for any unused portion of
33 the original registration fee against the registration fee of another motor vehicle. Such credit shall
34 be granted based upon the date the license plates are surrendered. No refunds shall be made on the
35 unused portion of any license plates surrendered for such credit.

36 8. An additional temporary license plate produced in a manner and of materials determined
37 by the director to be the most cost-effective means of production with a configuration that matches
38 an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the
39 interior of the vehicle's rear window such that the driver's view out of the rear window is not

1 obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as
2 the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such
3 temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in
4 the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate
5 shall be equal to the fee charged for a temporary permit issued under subsection 4 of this section.
6 Replacement temporary plates authorized in this subsection may be issued as needed upon the
7 payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this section.
8 The newly produced third plate may only be used on the vehicle with the matching plate, and the
9 additional plate shall be clearly recognizable as a third plate and only used for the purpose specified
10 in this subsection.

11 9. Notwithstanding the provisions of section 301.217, the director may issue a temporary
12 permit to an individual who possesses a salvage motor vehicle which requires an inspection under
13 subsection 9 of section 301.190. The operation of a salvage motor vehicle for which the permit has
14 been issued shall be limited to the most direct route from the residence, maintenance, or storage
15 facility of the individual in possession of such motor vehicle to the nearest authorized inspection
16 facility and return to the originating location. Notwithstanding any other requirements for the
17 issuance of a temporary permit under this section, an individual obtaining a temporary permit for the
18 purpose of operating a motor vehicle to and from an examination facility as prescribed in this
19 subsection shall also purchase the required motor vehicle examination form which is required to be
20 completed for an examination under subsection 9 of section 301.190 and provide satisfactory
21 evidence that such vehicle has passed a motor vehicle safety inspection for such vehicle as required
22 in section 307.350.

23 10. Notwithstanding any provision of law to the contrary, a person may be stopped or
24 inspected by law enforcement, based on reasonable suspicion that a temporary permit violation has
25 occurred, in order to determine whether a temporary permit is current or valid. Upon a
26 determination by law enforcement that a temporary permit is expired by at least seventy days, or
27 that a temporary permit has been altered, the law enforcement officer conducting the stop shall issue
28 a citation and such person shall be fined in the amount of two hundred fifty dollars. If the person
29 properly registers the vehicle within thirty days of the issuance of a citation, the prosecutor shall
30 nolle prosequi the citation, court costs shall be waived, and the offense shall not be registered as a
31 violation on the person's driving record. If the vehicle is stopped a second time for a temporary
32 permit violation after such thirty-day time period has lapsed, the vehicle shall be impounded until
33 such time as the vehicle is properly registered. It shall be the responsibility of the owner of the
34 vehicle to work with the impound lot owner if there is an issue with the vehicle's safety inspection.

35 11. The director of the department of revenue may promulgate all necessary rules and
36 regulations for the administration of this section. Any rule or portion of a rule, as that term is
37 defined in section 536.010, that is created under the authority delegated in this section shall become
38 effective only if it complies with and is subject to all of the provisions of chapter 536 and, if
39 applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers

1 vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to
2 disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
3 authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

4 ~~[11.]~~ 12. The repeal and reenactment of this section shall become effective on the date the
5 department of revenue or a producer authorized by the director of the department of revenue begins
6 producing temporary permits described in subsection 4 of such section, or on July 1, 2013,
