AMEND House Committee Substitute for House Bill No. 916, Page 1, Section A, Line 3, by inserting after all of said section and line the following: "196.1170. 1. This section shall be known and may be cited as the "Kratom Consumer Protection Act". 2. As used in this section, the following terms mean: (1) "Dealer", a person who sells, prepares, or maintains kratom or advertises, represents, or holds oneself out as selling, preparing, or maintaining kratom. Such person may include, but not be limited to, a manufacturer, wholesaler, store, restaurant, hotel, catering facility, camp, bakery, delicatessen, supermarket, grocery store, convenience store, nursing home, or food or drink company; (2) "Kratom", any good placed in the marketplace containing any part of the leaf of the plan Mitragyna speciosa. 3. A dealer who prepares, distributes, sells, or exposes for sale kratom including, but not limited to, kratom intended for human consumption, shall disclose the factual basis upon which that representation is made. 4. A dealer shall not prepare, distribute, sell, or expose for sale any of the following: (1) Kratom that is adulterated with a dangerous nonkratom substance. Kratom shall be considered to be adulterated with a dangerous nonkratom substance if the kratom to such a degree as to render the kratom injurious to a consumer; (2) Kratom that is contaminated with a dangerous nonkratom substance. Kratom shall be considered to be contaminated with a dangerous nonkratom substance if the kratom contains a poisonous or otherwise deleterious nonkratom ingredient including, but not limited to, any substance listed in section 195.017; (3) Any product marketed or sold as kratom that contains a level of 7-hydroxymitragynine in the alkaloid fraction that is greater than two percent of the alkaloid composition contained therein;	House	Amendment NO
inserting after all of said section and line the following: "196.1170. 1. This section shall be known and may be cited as the "Kratom Consumer Protection Act". 2. As used in this section, the following terms mean: (1) "Dealer", a person who sells, prepares, or maintains kratom or advertises, represents, or holds oneself out as selling, preparing, or maintaining kratom. Such person may include, but not be limited to, a manufacturer, wholesaler, store, restaurant, hotel, catering facility, camp, bakery, delicatessen, supermarket, grocery store, convenience store, nursing home, or food or drink company; (2) "Kratom", any good placed in the marketplace containing any part of the leaf of the plan Mitragyna speciosa. 3. A dealer who prepares, distributes, sells, or exposes for sale kratom including, but not limited to, kratom intended for human consumption, shall disclose the factual basis upon which that representation is made. 4. A dealer shall not prepare, distribute, sell, or expose for sale any of the following: (1) Kratom that is adulterated with a dangerous nonkratom substance. Kratom shall be considered to be adulterated with a dangerous nonkratom substance. Kratom to such a degree as to render the kratom injurious to a consumer; (2) Kratom that is contaminated with a dangerous nonkratom substance. Kratom shall be considered to be contaminated with a dangerous nonkratom substance if the kratom contains a poisonous or otherwise deleterious nonkratom ingredient including, but not limited to, any substance is section 195.017; (3) Any product marketed or sold as kratom that contains a level of 7-hydroxymitragynine in the alkaloid fraction that is greater than two percent of the alkaloid composition contained		Offered By
Protection Act". 2. As used in this section, the following terms mean: (1) "Dealer", a person who sells, prepares, or maintains kratom or advertises, represents, or holds oneself out as selling, preparing, or maintaining kratom. Such person may include, but not be limited to, a manufacturer, wholesaler, store, restaurant, hotel, catering facility, camp, bakery, delicatessen, supermarket, grocery store, convenience store, nursing home, or food or drink company; (2) "Kratom", any good placed in the marketplace containing any part of the leaf of the plan Mitragyna speciosa. 3. A dealer who prepares, distributes, sells, or exposes for sale kratom including, but not limited to, kratom intended for human consumption, shall disclose the factual basis upon which that representation is made. 4. A dealer shall not prepare, distribute, sell, or expose for sale any of the following: (1) Kratom that is adulterated with a dangerous nonkratom substance. Kratom shall be considered to be adulterated with a dangerous nonkratom substance if the kratom is mixed or packed with a nonkratom substance and that substance affects the quality or strength of the kratom to such a degree as to render the kratom injurious to a consumer; (2) Kratom that is contaminated with a dangerous nonkratom substance. Kratom shall be considered to be contaminated with a dangerous nonkratom substance if the kratom contains a poisonous or otherwise deleterious nonkratom ingredient including, but not limited to, any substance listed in section 195.017; (3) Any product marketed or sold as kratom that contains a level of 7-hydroxymitragynine in the alkaloid fraction that is greater than two percent of the alkaloid composition contained		
2. As used in this section, the following terms mean: (1) "Dealer", a person who sells, prepares, or maintains kratom or advertises, represents, or holds oneself out as selling, preparing, or maintaining kratom. Such person may include, but not be limited to, a manufacturer, wholesaler, store, restaurant, hotel, catering facility, camp, bakery, delicatessen, supermarket, grocery store, convenience store, nursing home, or food or drink company; (2) "Kratom", any good placed in the marketplace containing any part of the leaf of the plan Mitragyna speciosa. 3. A dealer who prepares, distributes, sells, or exposes for sale kratom including, but not limited to, kratom intended for human consumption, shall disclose the factual basis upon which that representation is made. 4. A dealer shall not prepare, distribute, sell, or expose for sale any of the following: (1) Kratom that is adulterated with a dangerous nonkratom substance. Kratom shall be considered to be adulterated with a dangerous nonkratom substance. Kratom to such a degree as to render the kratom injurious to a consumer; (2) Kratom that is contaminated with a dangerous nonkratom substance. Kratom shall be considered to be contaminated with a dangerous nonkratom substance. Kratom shall be considered to be contaminated with a dangerous nonkratom substance if the kratom contains a poisonous or otherwise deleterious nonkratom ingredient including, but not limited to, any substance listed in section 195.017; (3) Any product marketed or sold as kratom that contains a level of 7-hydroxymitragynine in the alkaloid fraction that is greater than two percent of the alkaloid composition contained	"196.1170. 1. This section	n shall be known and may be cited as the "Kratom Consumer
(1) "Dealer", a person who sells, prepares, or maintains kratom or advertises, represents, or holds oneself out as selling, preparing, or maintaining kratom. Such person may include, but not be limited to, a manufacturer, wholesaler, store, restaurant, hotel, catering facility, camp, bakery, delicatessen, supermarket, grocery store, convenience store, nursing home, or food or drink company; (2) "Kratom", any good placed in the marketplace containing any part of the leaf of the plan Mitragyna speciosa. 3. A dealer who prepares, distributes, sells, or exposes for sale kratom including, but not limited to, kratom intended for human consumption, shall disclose the factual basis upon which that representation is made. 4. A dealer shall not prepare, distribute, sell, or expose for sale any of the following: (1) Kratom that is adulterated with a dangerous nonkratom substance. Kratom shall be considered to be adulterated with a dangerous nonkratom substance if the kratom is mixed or packed with a nonkratom substance and that substance affects the quality or strength of the kratom to such a degree as to render the kratom injurious to a consumer; (2) Kratom that is contaminated with a dangerous nonkratom substance. Kratom shall be considered to be contaminated with a dangerous nonkratom substance if the kratom contains a poisonous or otherwise deleterious nonkratom ingredient including, but not limited to, any substance listed in section 195.017; (3) Any product marketed or sold as kratom that contains a level of 7-hydroxymitragynine in the alkaloid fraction that is greater than two percent of the alkaloid composition contained	Protection Act".	
holds oneself out as selling, preparing, or maintaining kratom. Such person may include, but not be limited to, a manufacturer, wholesaler, store, restaurant, hotel, catering facility, camp, bakery, delicatessen, supermarket, grocery store, convenience store, nursing home, or food or drink company; (2) "Kratom", any good placed in the marketplace containing any part of the leaf of the plan Mitragyna speciosa. 3. A dealer who prepares, distributes, sells, or exposes for sale kratom including, but not limited to, kratom intended for human consumption, shall disclose the factual basis upon which that representation is made. 4. A dealer shall not prepare, distribute, sell, or expose for sale any of the following: (1) Kratom that is adulterated with a dangerous nonkratom substance. Kratom shall be considered to be adulterated with a dangerous nonkratom substance if the kratom is mixed or packed with a nonkratom substance and that substance affects the quality or strength of the kratom to such a degree as to render the kratom injurious to a consumer; (2) Kratom that is contaminated with a dangerous nonkratom substance. Kratom shall be considered to be contaminated with a dangerous nonkratom substance if the kratom contains a poisonous or otherwise deleterious nonkratom ingredient including, but not limited to, any substance listed in section 195.017; (3) Any product marketed or sold as kratom that contains a level of 7-hydroxymitragynine in the alkaloid fraction that is greater than two percent of the alkaloid composition contained	2. As used in this section,	the following terms mean:
limited to, a manufacturer, wholesaler, store, restaurant, hotel, catering facility, camp, bakery, delicatessen, supermarket, grocery store, convenience store, nursing home, or food or drink company; (2) "Kratom", any good placed in the marketplace containing any part of the leaf of the plan Mitragyna speciosa. 3. A dealer who prepares, distributes, sells, or exposes for sale kratom including, but not limited to, kratom intended for human consumption, shall disclose the factual basis upon which that representation is made. 4. A dealer shall not prepare, distribute, sell, or expose for sale any of the following: (1) Kratom that is adulterated with a dangerous nonkratom substance. Kratom shall be considered to be adulterated with a dangerous nonkratom substance if the kratom is mixed or packed with a nonkratom substance and that substance affects the quality or strength of the kratom to such a degree as to render the kratom injurious to a consumer; (2) Kratom that is contaminated with a dangerous nonkratom substance. Kratom shall be considered to be contaminated with a dangerous nonkratom substance if the kratom contains a poisonous or otherwise deleterious nonkratom ingredient including, but not limited to, any substance listed in section 195.017; (3) Any product marketed or sold as kratom that contains a level of 7-hydroxymitragynine in the alkaloid fraction that is greater than two percent of the alkaloid composition contained	(1) "Dealer", a person who	o sells, prepares, or maintains kratom or advertises, represents, or
delicatessen, supermarket, grocery store, convenience store, nursing home, or food or drink company; (2) "Kratom", any good placed in the marketplace containing any part of the leaf of the plan Mitragyna speciosa. 3.
