## **FISCAL ANALYSIS**

### **ASSUMPTION**

§§456.1-108, 456.10-1005, 474.540, 474.542, 474.544, 474.546, 474.548, 474.550, 474.552, 474.554, 474.556, 474.558, 474.560, 474.562, 474.564 & 474.600 – Estate Planning

Officials from the **Department of Commerce and Insurance, Department of Health and Senior Services, Department of Mental Health, Department of Economic Development, Office of the State Courts Administrator** and the **Department of Social Services** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

**Oversight** does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Upon brief review, **Oversight** notes that electronic wills are only accepted in a few states currently. Some states have updated their statutes to allow e-wills. Electronic wills are now legal in Nevada, Florida, Indiana, and Arizona. Utah and Colorado have also recently adopted the Uniform Electronic Wills Act, which is a model law created by the Uniform Laws Commission. In other instances, some state courts have accepted e-wills on a case-by-case basis. COVID-19 also caused some courts to temporarily allow remote witnessing as an emergency measure.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other counties and county circuit clerks were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

### **Rule Promulgation**

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for

this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

<u>FISCAL IMPACT – State Government</u>	FY 2026 (10 Mo.)	FY 2027	FY 2028
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT – Local Government</u>	FY 2026 (10 Mo.)	FY 2027	FY 2028
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

#### FISCAL IMPACT – Small Business

There could be a direct fiscal impact to small businesses who sell software for electronic wills and estate planning as a result of this proposal.

#### FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
