FISCAL ANALYSIS

ASSUMPTION

§477.650 – Basic Civil Legal Services Fund

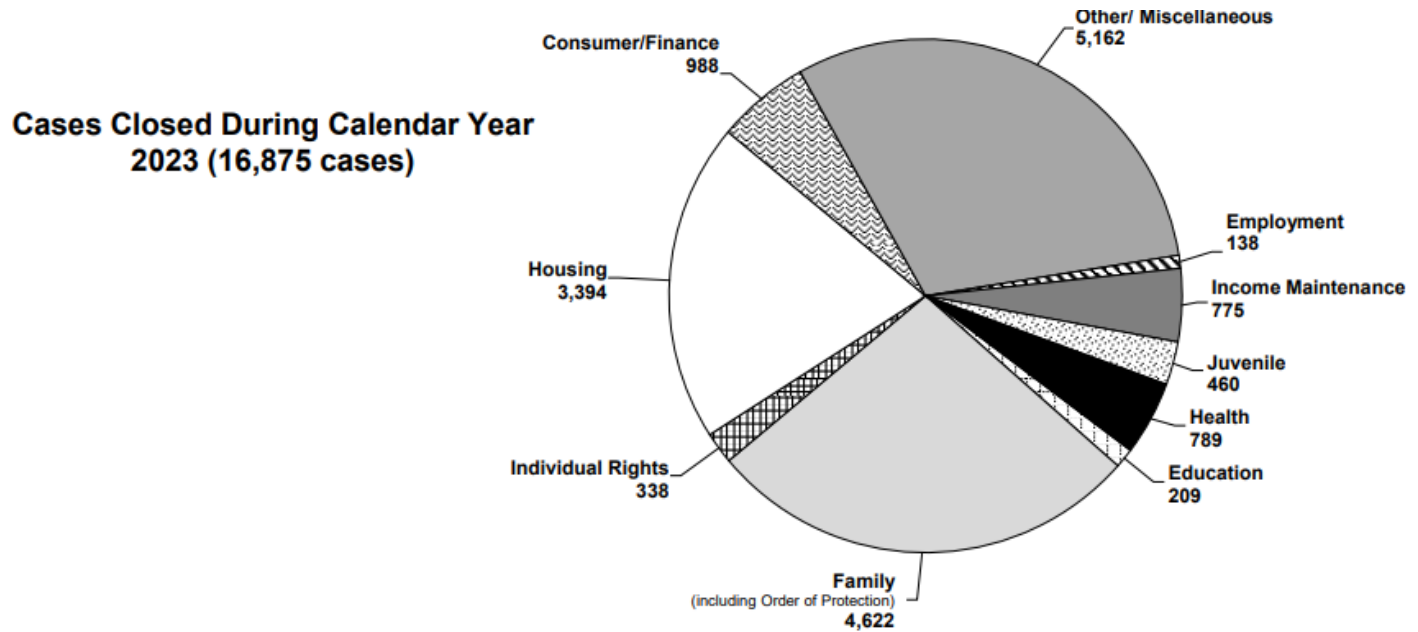

Officials from the **Office of the State Courts Administrator (OSCA)** assume this proposal would repeal the expiration date of the Basic Civil Legal Services Fund. The Basic Civil Legal Services Fund annual appropriations are approximately \$5.1 million and 2 FTE.

Oversight notes the Basic Civil Legal Services Fund (BCLS) is a statutorily created fund (SB 447 in 2003) and was created to fund the work of Missouri's four Legal Aid programs, which provide access to the civil justice system to low-income Missourians (who live at or below 125% of the Federal Poverty Level) to protect their fundamental legal rights. The fund is set to expire December 31, 2025.

One of the focuses of the Legal Aid programs is to ensure that adults and children have access to medical care through the MoHealthNet system.

Legal Aid staff bring cases to obtain access to medical care for their clients. There are four regional Legal Aid offices: Kansas City, St. Louis, Columbia and Springfield. In FY22, over \$125 million from punitive damages awarded in talc litigation in Missouri was transferred from the Tort Victims Compensation Fund into the BCLS. This represents the largest single payment into the BCLS, and this funding was paid to legal service organizations.

Below is a chart of the number of cases closed during CY 2023 representing the BCLS Fund:

The fund has a court filing fee on certain civil and criminal actions of \$20 in the Missouri Supreme Court and Court of Appeals, \$10 in the circuit courts and \$8 in the associate circuit courts. The fund has received the following receipts during FY 2020 to FY 2024:

Basic Civil Legal Services Fund (0757)	
FY 20	\$ 4,290,667
FY 21	\$ 3,868,347
FY 22	\$ 3,865,619
FY 23	\$ 4,047,390
FY 24	\$ 4,281,742
Total	\$20,353,765
5 year avg	\$ 4,070,753

Oversight notes the balance of the BCLS (0757) at December 31, 2024 was \$264,070.

Oversight notes this proposal removes the expiration date of these provisions. If the proposal is extended, Oversight assumes revenue and expenditure activity will continue for the fund. Since the fund does not expire until December 31, 2025, Oversight assumes only half of the average receipts and expenditures would be shown for FY26. Therefore, Oversight will use the average amounts from the table above to reflect the fiscal impact.

The appropriations for the BCLS Fund includes 2 FTEs according to OSCA. **Oversight** assumes should this proposal be extended, the 2 FTEs will also continue to be funded through the BCLS Fund.

Officials from the **Office of Attorney General (AGO)** assume any additional litigation costs arising from this proposal can be absorbed with existing personnel and resources. However, the AGO may seek additional appropriations if there is a significant increase in litigation.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Office of the State Public Defender** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

In response to similar legislation from the prior year (HB 1838), officials from the **Missouri Office of Prosecution Services** assumed the proposal would have no fiscal impact on their organization.

Oversight notes the balance of the BCLS (0757) at December 31, 2024 was \$264,070.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

Currently, the "Basic Civil Legal Services Fund" is set to expire on December 31, 2025. This bill repeals that expiration date. It also corrects an incorrect reference to a provision in the Missouri Constitution.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
