FISCAL ANALYSIS

ASSUMPTION

§349.045 – Industrial Development Corporations in Lewis County

Officials from the **Office of the Secretary of State, Kansas City** and **O’Fallon** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from 2023, Perfected HB 490, officials from the **City of Springfield** and **St. Louis City** each assumed the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other cities and counties (including Lewis County) were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

Oversight notes the population described in subsection 2 does not correspond to Lewis County according to the 2020 census. Lewis County did not respond to Oversight’s request for fiscal impact. Oversight assumes any fiscal impact from this proposal would not be material.
