FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education**, the **Department of Revenue**, **Department of Public Safety - Missouri Highway Patrol** and the **Missouri Department of Transportation** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from **Warren Co. R-III School District** assume the cost would be approximately \$500,000 annually. This would require a large increase in staff and vehicles for students to drive.

Oversight assumes there could be cost to schools that choose to participate in the Missouri Integrated Driving Program. However, the program does not require participants to spend any time operating a vehicle and program participation is voluntary. Therefore, Oversight will reflect no additional cost to schools.

Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

FISCAL IMPACT – Small Business

FISCAL DESCRIPTION
