FISCAL ANALYSIS

ASSUMPTION

Section 227.876 – Road Naming

Officials from the **Missouri Department of Transportation (MoDOT)** state this proposal is estimated to have a total negative impact on the State Road Fund of \$4,000. This would be one-time expense as language requires MoDOT to fund this designation with no costs for sign fabrication and installation recouped through the participation fee. The estimated cost is \$2,000 per sign, with 2 total signs for this designation.

Oversight has no information to the contrary. Therefore, Oversight will present the fiscal impact of this proposal as provided by MoDOT.
