FISCAL ANALYSIS

ASSUMPTION

§§217.451 and 221.108 – Telephones in correctional facilities

Officials from the **Department of Corrections (DOC)** assume the proposal will have no fiscal impact on their organization. The DOC states the current phone services contract charges offenders \$0.05 per minute.

Officials from the **Phelps County Sheriff’s Department**, the **Kansas City Police Department**, and the **St. Louis County Police Department** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other local law enforcement agencies were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
