## FISCAL ANALYSIS

### ASSUMPTION

#### §578.365 – Hazing

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. However, the AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

**Oversight** does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Department of Corrections (DOC)** state there was only one guilty plea made under this section with a class A misdemeanor penalty in 2024. Therefore, the DOC expects no impact to the department with this change in legislation.

**Oversight** notes on December 24, 2024, President Joe Biden signed into law the Stop Campus Hazing Act <https://www.hklaw.com/en/insights/publications/2024/12/new-federal-law-creates-anti-hazing-requirements-for-institutions>.

Officials from the **Department of Higher Education and Workforce Development**, the **Department of Public Safety - Missouri Highway Patrol**, the **Missouri Office of Prosecution Services**, the **Office of the State Courts Administrator**, the **Office of the State Public Defender**, the **University of Missouri**, the **Phelps County Sheriff's Department**, the **Kansas City Police Department**, the **St. Louis County Police Department**, and the **University of Central Missouri** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other colleges and universities and local law enforcement were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
