## FISCAL ANALYSIS

### ASSUMPTION

#### § 190.101 - Provisions relating to the State Advisory Council on Emergency Medical Services

Officials from the **Department of Commerce and Insurance**, the **Department of Health and Senior Services**, the **Department of Social Services**, the **Office of the Governor** and the **City of Kansas City** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **University of Missouri Health Care (MUHC)** have reviewed the proposed legislation and determined that as written it should not create expenses in excess of \$100,000 annually.

**Oversight** assumes the costs incurred by the MUHC related to this proposal can be absorbed within current resource levels.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other cities, fire protection districts, ambulance and EMS districts and hospitals were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
