## FISCAL ANALYSIS

### ASSUMPTION

#### **Section 137.073 - Tax Levies by Political Subdivisions**

Officials from the **Office of Administration - Budget and Planning (B&P)** defer to the local governments for the fiscal impact. This proposal:

- Has no direct impact on B&P.
- Has no direct impact on general or total state revenues.
- Will not impact the calculation pursuant to Art. X, Sec. 18(e).

Officials from the **City of Kansas City** assume the proposed legislation has a negative fiscal impact of an indeterminate amount.

Officials from the **State Tax Commission, Jackson County Election Board, St. Louis City Board of Elections, St. Louis County Board of Elections, Office of the State Auditor,** and the **Platte County Board of Elections** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** does not anticipate a fiscal impact from this proposal. However, Oversight received a limited number of responses from local political subdivisions related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

**Oversight** only reflects the responses received from state agencies and political subdivisions; other local political subdivisions were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

#### Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet

these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

<u>FISCAL IMPACT – State Government</u>	FY 2026 (10 Mo.)	FY 2027	FY 2028
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT – Local Government</u>	FY 2026 (10 Mo.)	FY 2027	FY 2028
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
