## FISCAL ANALYSIS

### ASSUMPTION

#### \$415.415 - Notice for Sale by an Operator of a Self-Service Storage Facility

Officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

**Oversight** does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Office of the State Courts Administrator**, the **Office of Administration**, the **Office of the Secretary of State**, the **Joint Committee on Administrative Rules** and the **City of Kansas City** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from 2023, Perfected HB 1120, officials from the **City of Claycomo** and the **City of Springfield** each assumed the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other cities and counties were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

FISCAL IMPACT – Small Business

Small business storage facilities could see a direct fiscal impact from this proposal since it allows other reasonable methods of advertising to be used to sell defaulted property.

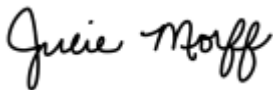

FISCAL DESCRIPTION

This bill modifies the requirements of notice for sale by an operator of a self-service storage facility for the sale of personal property of an occupant in default. In addition to advertising in the classified section of a newspaper prior to sale, the operator may also and instead advertise in any other commercially reasonable manner. The advertisement is commercially reasonable if at least three independent bidders attend the sale.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
