**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Missouri Department of Transportation, Office of the Governor and Office of Administration** each assume the proposal will have no fiscal impact on their respective organizations.

**Oversight** notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the **Attorney General’s Office (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation costs.

**Oversight** assumes AGO is provided with core funding to handle a certain amount of activity each year. Oversight assumes AGO could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, AGO could request funding through the appropriation process. Officials from the AGO assume the proposal will have no fiscal impact on their organization.

**Oversight** notes the proposal allows for consideration of \$1 or less; therefore, Oversight will not reflect a fiscal impact.

Officials from **Jackson County** did not respond to **Oversight’s** request for fiscal impact for this proposal.
