FISCAL ANALYSIS

ASSUMPTION

Sections 324.001 – 621.045 – Interior Designer Provisions

Oversight assumes this proposal repeals the Interior Designer Council Fund (0877) and modifies the Professional Landscape Architects Fund to include Licensed Interior Designers. Oversight assumes revenue collected from the licensing of interior designers would now be deposited into the Professional Landscape Architects, and Licensed Interior Designers Fund (and expenses (if any) would be paid from the Professional Landscape Architects Fund). According to DCI, revenue projections for licensing interior designers are \$7,060 in FY 2025 and \$1,010 FY 2026 (biannual renewal). Since this is an immaterial amount, for fiscal note purposes, Oversight will not reflect the transfer from the current Designer Council Fund to the Professional Landscape Architects Fund.

Oversight notes the current balance of the Interior Designer Council Fund (0877) is \$26,980.

Officials from the **Office of Administration - Administrative Hearing Commission**, the **Department of Commerce and Insurance**, the **Department of Corrections**, the **Department of Revenue**, the **Department of Public Safety - Missouri Highway Patrol**, the **Office of Administration**, the **Office of the State Public Defender**, the **Office of the State Treasurer** and the **Office of the State Auditor** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **Missouri Office of Prosecution Services** and the **Office of the State Courts Administrator** did not respond to **Oversight's** request for fiscal impact for this proposal.
