## FISCAL ANALYSIS

### ASSUMPTION

Section 116.030 – Requires initiative and referendum petition signature pages to be printed on a form specified by the Secretary of State and made available in electronic form

#### Rule Promulgation

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

In a response to a similar proposal, (HB 1749, 2024 Session), officials from the **Office of the State Courts Administrator (OSCA)** said there may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

**Oversight** assumes OSCA is provided with core funding to handle a certain amount of activity each year. Oversight assumes OSCA could absorb the costs related to this proposal. If multiple bills pass which require additional staffing and duties at substantial costs, OSCA could request funding through the appropriation process.

Officials from the **Missouri House of Representatives** assume the proposal will have no fiscal impact on their respective organization.

Officials from the **Jackson County Election Board**, the **Platte County Board of Elections**, the **St. Louis City Board of Elections** and the **St. Louis County Board of Elections** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight only reflects the responses received from state agencies and political subdivisions; however other Election Authorities and County Clerks were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

<u>FISCAL IMPACT – State Government</u>	FY 2026 (10 Mo.)	FY 2027	FY 2028
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>

<u>FISCAL IMPACT – Local Government</u>	FY 2026 (10 Mo.)	FY 2027	FY 2028
	<b><u>\$0</u></b>	<b><u>\$0</u></b>	<b><u>\$0</u></b>

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This act requires initiative and referendum petition signature pages to be printed on a form as specified by the Secretary of State. Signature page forms will be made available in electronic format.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
