FISCAL ANALYSIS

ASSUMPTION

§441.043 – Rental Property and Federal Housing Assistance Program

Officials from the **Department of Mental Health (DMH)** assume the proposal modifies §441.043. It prohibits local government from requiring private property owners to accept federal housing assistance vouchers as payment for rent. The DMH has a few programs which offer rental assistance that are funded through federal sources. It is very challenging for DMH consumers to obtain rentals in the current market. If landlords in areas that protect "source of income" revert back to disallowing tenants because of subsidies, this could cause additional housing instability within the DMH service population which typically leads to poorer treatment outcomes and higher utilization of crisis services. This could also require funding of incentive programs to encourage landlords to give DMH service population the opportunity to rent in the private market. Those could include landlord mitigation funds or landlord incentive payments. DMH currently does not have any such funds and it would be challenging to predict how much would be necessary. The Division of Behavioral Health (DBH) assumes this will likely impact consumers seeking housing. It is unknown the level of impact to consumer or the potential increase in those consumers seeking crisis services. Fiscal impact to DBH is unknown.

Oversight notes the following on DMH's website:

Federal Housing Subsidies (Section 8, etc.) for Low-Income Households

• Public Housing Agencies - Many cities and towns in Missouri have Public Housing Agencies (PHA's). These agencies administer federally funded low-income housing in their towns or counties; some also own their own affordable rental properties to rent to area residents who cannot afford the normal rents in the area. Most PHA's also administer the federal Housing Choice Voucher Program, commonly known as Section 8. If you cannot find affordable housing on your own, or wish to apply for Section 8 housing, your local Public Housing Agency may be able to help. In some cases, your local Community Action Agency office will also be your Public Housing Agency.

Oversight assumes the state may be impacted from this proposal, however; Oversight assumes this would be more of an <u>indirect</u> impact for this proposal.

Officials from **Kansas City (KC)** assume this proposal has a negative fiscal impact as it will increase homelessness that will increase the City's cost.

Upon further inquiry with KC, KC states the costs will increase requirements for City services including housing and wraparound services.

Oversight assumes local political subdivisions could be impacted from this proposal, however; Oversight assumes this would be more of an <u>indirect</u> impact for this proposal.

In response to a previous version, officials from the **City of O'Fallon** assumed the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to similar legislation from 2024, Perfected HB 2385, officials from **Lincoln County** assumed the proposal will have no fiscal impact on their organization.

Responses regarding the proposed legislation as a whole

Officials from the **Department of Commerce and Insurance**, the **Department of Economic Development**, the **Department of Labor and Industrial Relations** and the **Missouri Veterans Commission** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other cities and counties were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

FISCAL IMPACT – State Government	FY 2026	FY 2027	FY 2028
	(10 Mo.)		
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Local Government	FY 2026	FY 2027	FY 2028
	(10 Mo.)		
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

Small businesses who operate rental properties and brokerage services could be impacted as a result of this proposal.

FISCAL DESCRIPTION

This act modifies provisions relating to real estate transactions, including brokerage agreements with buyers and tenants and ordinances limiting the actions of landlords and tenants.

L.R. No. 1536H.05S Bill No. CCS for SS for HCS for HB Nos. 595 & 343 Page **5** of **5** May 5, 2025

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
