**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Commerce and Insurance** and the **Office of the State Treasurer** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to a similar proposal from 2023 (HB 968), officials from the **Office of the State Courts Administrator (OSCA)** stated there may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

**Oversight** notes OSCA assumes this proposal may have some impact on their organization although it can't be quantified at this time. As OSCA is unable to provide additional information regarding the potential impact, Oversight assumes the proposed legislation will have a \$0 to (Unknown) cost to the General Revenue Fund. For fiscal note purposes, Oversight also assumes the impact will be under \$250,000 annually. If this assumption is incorrect, this would alter the fiscal impact as presented in this fiscal note. If additional information is received, Oversight will review it to determine if an updated fiscal note should be prepared and seek approval to publish a new fiscal note.

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION
