FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education** and **Department of Mental Health** both assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the **Washington School District** assume the impact of this bill could be \$3,000 annually for administrative training, additional time for discipline, and communication costs for families.

Oversight notes that the proposal states beginning in the 2026-27 school year school, districts and charter schools must have a policy governing the use of electronic personal communications device in school. Oversight assumes that any costs resulting from the proposal can be absorbed by school districts.

Oversight received a limited number of responses from public schools related to the fiscal impact of this proposal. Oversight has presented this fiscal note on the best current information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. Oversight only reflects the responses received from state agencies and political subdivisions; however, other school districts, colleges and universities were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
