## FISCAL ANALYSIS

### ASSUMPTION

#### §590.100 – DPS can deny peace officer license under certain circumstances

Officials from the **Springfield Police Department** indicated the proposal would have an impact on their organization. However, no other information was provided. Therefore, **Oversight** assumes any impact that may occur would be minimal and absorbable within current funding levels and will present no impact for fiscal note purposes.

Officials from the **Department of Natural Resources**, the **Department of Public Safety – Director’s Office** and **Missouri Highway Patrol**, the **Department of Social Services**, the **Missouri Department of Conservation**, the **Phelps County Sheriff**, the **Kansas City Police Department** and the **St. Louis County Police Department** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

**Oversight** only reflects the responses received from state agencies and political subdivisions; however, other local law enforcement agencies were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.
