FISCAL ANALYSIS

ASSUMPTION

HJR - Provisions relating to reproductive health care

Officials from **Office of the Secretary of State** assume, each year, a number of joint resolutions that would refer to a vote of the people a constitutional amendment and bills that would refer to a vote of the people the statutory issue in the legislation may be considered by the General Assembly.

Unless a special election is called for the purpose, Joint Resolutions proposing a constitutional amendment are submitted to a vote of the people at the next general election. Article XII section 2(b) of the Missouri Constitution authorizes the governor to order a special election for constitutional amendments referred to the people. If a special election is called to submit a Joint Resolution to a vote of the people, section 115.063.2 RSMo requires the state to pay the costs. The cost of the special election has been estimated to be \$8 million based on the cost of the 2022 primary and general election reimbursements.

The Secretary of State's office is required to pay for publishing in local newspapers the full text of each statewide ballot measure as directed by Article XII, Section 2(b) of the Missouri Constitution and Section 116.230-116.290, RSMo. Funding for this item is adjusted each year depending upon the election cycle. A new decision item is requested in odd numbered fiscal years and the amount requested is dependent upon the estimated number of ballot measures that will be approved by the General Assembly and the initiative petitions certified for the ballot. In FY 2014, the General Assembly changed the appropriation so that it was no longer an estimated appropriation.

For the FY26 petitions cycle, the SOS estimates publication costs at \$60,000 per page. This amount is subject to change based on number of petitions received, length of those petitions and rates charged by newspaper publishers.

The Secretary of State's office will continue to assume, for the purposes of this fiscal note, that it should have the full appropriation authority it needs to meet the publishing requirements. Because these requirements are mandatory, the SOS reserves the right to request funding to meet the cost of the publishing requirements if the Governor and the General Assembly again change the amount or continue to not designate it as an estimated appropriation.

Oversight has reflected, in this fiscal note, the state potentially reimbursing local political subdivisions the cost of having this joint resolution voted on during a special election in fiscal year 2026. This reflects the decision made by the Joint Committee on Legislative Research that

the cost of the elections should be shown in the fiscal note. The next scheduled statewide general election is in November 2026 (FY 2027). It is assumed the subject within this proposal could be on this ballot; however, it could also be on a special election called for by the Governor (a different date). Therefore, Oversight will reflect a potential election cost reimbursement to local political subdivisions in FY 2026.

In response to a previous version, officials from the **Office of Attorney General (AGO)** assume any potential litigation costs arising from this proposal can be absorbed with existing resources. However, the AGO may seek additional appropriations if the proposal results in a significant increase in litigation or investigation.

Oversight does not have any information to the contrary. Therefore, Oversight assumes the AGO will be able to perform any additional duties required by this proposal with current staff and resources and will reflect no fiscal impact to the AGO for fiscal note purposes.

Officials from the **Department of Commerce and Insurance**, the **Department of Health and Senior Services**, the **Department of Public Safety - Missouri Highway Patrol**, the **Department of Social Services**, the **Missouri Consolidated Health Care Plan**, the **Missouri Department of Conservation**, the **Missouri Department of Transportation**, the **Missouri Office of Prosecution Services**, the **Office of Administration - Administrative Hearing Commission**, the **Office of the Governor**, the **Office of the State Courts Administrator**, the **Platte County Board of Elections** and the **St. Louis County Board of Elections**, each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

In response to a previous version, officials from the **Office of the State Public Defender**, the **Jackson County Board of Election Commissioners**, the **Kansas City Election Board**, the **St. Louis City Board of Elections** and the each assumed the proposal would have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other local election authorities and hospitals were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

FISCAL DESCRIPTION

Upon voter approval, this constitutional amendment prohibits abortions, except in cases of medical emergencies, fetal anomalies, rape, or incest. In the case of abortions performed or induced because of rape or incest, the abortion may be performed or induced no later than 12 weeks gestational age of the unborn child.

The amendment prohibits public funds from being used to pay for abortions; prohibits the use of surgeries, hormones, or drugs to assist a child with a gender transition; specifies which circuit court challenges shall be brought to; and holds that any person who intentionally or negligently causes damage to another person relating to the provision of reproductive health care or the performance or inducement of an abortion is liable for damages and subject to suspension or revocation of his or her medical license.

Under this constitutional amendment, a woman's right to reproductive freedom includes the right to health care in cases of miscarriages, ectopic pregnancies, and other medical emergencies.

The General Assembly will have the authority to enact laws to carry out these provisions.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
