74 geographic boundaries described in the articles of
75 incorporation or bylaws of the neighborhood organization.

76 5. (1) An action shall not be brought under this
77 section until sixty days after the party who brings the
78 action has mailed notice of intent to bring an action under
79 this section, postage prepaid, to:

80 (a) The tenant, if any, or to "occupant" if the
81 identity of the tenant cannot be reasonably ascertained, at
82 the property's address; and

83 (b) The property owner of record at the last known
84 address of the property owner on file with the county, city,
85 or village or, if the property owner is a corporation or
86 other type of limited liability company, to the property
87 owner's registered agent at the agent's address of record.

88 (2) Such notice shall state that a nuisance exists and
89 that legal action may be taken against the owner of the
90 property if the nuisance is not eliminated within sixty days
91 after the date on the mailed notice.

92 (3) If the notice is returned unclaimed or refused,
93 designated by the United States Postal Service to be

undeliverable, or signed for by a person other than the addressee, adequate and sufficient notice shall be provided by posting a copy of the notice on the property where the nuisance allegedly is occurring. A sworn affidavit by the person who mailed or posted the notice describing the date and manner that notice was given shall be sufficient evidence to establish that the notice was given.

(4) The notice shall specify:

(a) The act or condition that constitutes the nuisance;

(b) The date the nuisance was first discovered;

(c) The address of the property and location on the property where the act or condition that constitutes the nuisance is allegedly occurring or exists; and

(d) The relief sought in the action.

6. A proceeding under this section shall:

(1) Be heard at the earliest practicable date; and

(2) Be expedited in every way.

7. When a property owner or neighborhood organization brings an action under this section for injunctive relief to abate a nuisance, a prima facie case for injunctive relief is made upon proof that a citation has been issued by the county, city, or village with jurisdiction over the property that is subject to an action under this section. An action for injunctive relief to abate a nuisance shall be heard by the court without a jury and shall not require proof that the party bringing the action has sustained damage or loss as a result of the nuisance.

8. A copy of a notice of citation issued by the county, city, or village with jurisdiction over the property that is subject to an action under this section that shows the date the citation was issued shall be prima facie evidence of whether and for how long the property has been

126 in violation of the code or ordinance provisions provided in
127 the citation.

128 9. When a property owner or neighborhood organization
129 bringing the action prevails in such action, such property
130 owner or organization may be entitled to an award for
131 attorneys' fees and expenses, based on the amount of time
132 reasonably expended, as ordered by the court, which award
133 for attorneys' fees and expenses shall be entered as a
134 judgment against the owner of the property on which the act
135 or condition constituting the nuisance occurred or was
136 located.

137 10. (1) This section shall not be construed as to
138 abrogate any equitable or legal right or remedy otherwise
139 available under the law to abate a nuisance.

140 (2) This section shall not be construed to grant
141 standing for an action challenging any zoning application or
142 approval.

143 11. If a property owner sued under this section pleads
144 and proves that a condition alleged by the plaintiff to be a
145 nuisance is the subject matter of an order of the state
146 department of natural resources, the United States
147 Environmental Protection Agency, or the office of the
148 Missouri attorney general and further pleads and proves that
149 the property is in compliance with such order with respect
150 to such condition, such proof shall be an affirmative
151 defense to plaintiff's claim that such condition is subject
152 to one or more of the remedies provided for under this
153 section.

67.547. 1. In addition to the tax authorized by section 67.505, any county as defined in section 67.750 may, by a majority vote of its governing body, impose an additional county sales tax on all sales which are subject to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this section shall be in addition to any and all other sales tax allowed by law; except that no ordinance or order imposing a sales tax under

the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose such tax.

2. The ballot of submission shall contain, but need not be limited to the following language:

Shall the county of _____ (county's name) impose a countywide sales tax of _____ (insert rate) percent for the purpose of _____ (insert purpose)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the county shall have no power to impose the sales tax as herein authorized unless and until the governing body of the county submits another proposal to authorize the governing body of the county to impose the sales tax under the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon. A county shall not submit to the voters a proposed sales tax under this section for a period of two years from the date of an election in which the county previously submitted to the voters a proposed sales tax

under this section, regardless of whether the initial proposed sales tax was approved or disapproved by the voters. The revenue collected from the sales tax authorized under this section shall only be used for the purpose approved by voters of the county.

3. **(1)** The sales tax may be imposed at a rate of one-eighth of one percent, one-fourth of one percent, three-eighths of one percent, or one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525. In any city not within a county or any county described in subsection 5 of this section, no sales tax for the purpose of funding zoological activities and zoological facilities as those terms are defined in section 184.500 shall exceed a rate of one-eighth of one percent unless the sales tax was levied and collected before August 28, 2017. Beginning August 28, 2017, no county shall submit to the voters any proposal that results in a combined rate of sales taxes adopted under this section in excess of one percent.

(2) Notwithstanding the provisions of subdivision (1) of this subsection to the contrary, beginning August 28, 2025, a county with more than eight thousand but fewer than eight thousand nine hundred inhabitants and with a county seat with more than seven hundred thirty but fewer than eight hundred inhabitants may impose a sales tax that results in a combined rate of sales tax adopted pursuant to this section in excess of one percent, but not in excess of one and one-half percent, provided that any such sales tax shall be for the purpose of providing law enforcement

72 **services. All sales tax elections conducted during the**
73 **November 8, 2022, general election shall be deemed in**
74 **compliance with this subdivision, provided that the total**
75 **combined sales tax rate adopted pursuant to this section**
76 **does not exceed one and one-half percent.**

77 4. Except as modified in this section, all provisions
78 of sections 32.085 and 32.087 shall apply to the tax imposed
79 under this section.

80 5. In any first class county having a charter form of
81 government and having a population of nine hundred thousand
82 or more, the proceeds of the sales tax authorized by this
83 section shall be distributed so that an amount equal to
84 three-eighths of the proceeds of the tax shall be
85 distributed to the county and the remaining five-eighths
86 shall be distributed to the cities, towns and villages and
87 the unincorporated area of the county on the ratio that the
88 population of each bears to the total population of the
89 county. Three-eighths of the tax rate adopted by such a
90 county shall be included in the calculation of the county's
91 one percent combined tax rate ceiling provided in
92 subsection 3 of this section. The population of each city,
93 town or village and the unincorporated area of the county
94 and the total population of the county shall be determined
95 on the basis of the most recent federal decennial census.
96 The provisions of this subsection shall not apply if the
97 revenue collected is used to support zoological activities
98 of the zoological subdistrict as defined under section
99 184.352.

100 6. Except as prohibited under section 184.353,
101 residents of any county that does not adopt a sales tax
102 under this section for the purpose of supporting zoological
103 activities may be charged an admission fee for zoological

104 facilities, programs, or events that are not part of the
105 zoological subdistrict defined under subdivision (15) of
106 section 184.352 as of August 28, 2017.

107 7. In any county of the second classification with
108 more than nineteen thousand seven hundred but fewer than
109 nineteen thousand eight hundred inhabitants, the proceeds of
110 the sales tax authorized by this section shall be
111 distributed so that an amount equal to three-fourths of the
112 proceeds of the tax shall be distributed to the county and
113 the remaining one-fourth shall be distributed equally among
114 the incorporated cities, towns, and villages of the county.
115 Upon request from any city, town, or village within the
116 county, the county shall make available for inspection the
117 distribution report provided to the county by the department
118 of revenue. Any expenses incurred by the county in
119 supplying such report to a city, town, or village shall be
120 paid by such city, town, or village.

121 8. In any first class county having a charter form of
122 government and having a population of nine hundred thousand
123 or more, no tax shall be imposed pursuant to this section
124 for the purpose of funding in whole or in part the
125 construction, operation or maintenance of a sports stadium,
126 field house, indoor or outdoor recreational facility,
127 center, playing field, parking facility or anything
128 incidental or necessary to a complex suitable for any type
129 of professional sport or recreation, either upon, above or
130 below the ground.

131 9. No county in this state, other than a county with a
132 charter form of government and with more than nine hundred
133 fifty thousand inhabitants and a city not within a county,
134 shall impose a tax under this section for the purpose of
135 funding in whole or in part the construction, operation, or

136 maintenance of any zoological activities, zoological
137 facilities, zoological organizations, the metropolitan
138 zoological park and museum district as created under section
139 184.350, or any zoological boards.

140 10. The director of revenue may authorize the state
141 treasurer to make refunds from the amounts in the trust fund
142 and credited to any county for erroneous payments and
143 overpayments made, and may redeem dishonored checks and
144 drafts deposited to the credit of such counties. If any
145 county abolishes the tax, the county shall notify the
146 director of revenue of the action at least ninety days prior
147 to the effective date of the repeal and the director of
148 revenue may order retention in the trust fund, for a period
149 of one year, of two percent of the amount collected after
150 receipt of such notice to cover possible refunds or
151 overpayment of the tax and to redeem dishonored checks and
152 drafts deposited to the credit of such accounts. After one
153 year has elapsed after the effective date of abolition of
154 the tax in such county, the director of revenue shall remit
155 the balance in the account to the county and close the
156 account of that county. The director of revenue shall
157 notify each county of each instance of any amount refunded
158 or any check redeemed from receipts due the county.

159 11. No revenue received from a tax for the purpose of
160 funding zoological activities in any county shall be used
161 for the benefit of any entity that has ever been named
162 Grant's Farm or is located at ten thousand five hundred one
163 Gravois Road, Saint Louis, Missouri, or successor address,
164 or to supplant any funding received from the metropolitan
165 zoological park and museum district established under
166 section 184.350.

67.582. 1. The governing body of any county, except a county of the first class with a charter form of government with a population of greater than four hundred thousand inhabitants, is hereby authorized to impose, by ordinance or order, a sales tax in the amount of up to [one-half of] one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525 for the purpose of providing law enforcement services for such county. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

(1) If the proposal submitted involves only authorization to impose the tax authorized by this section the ballot shall contain substantially the following:

Shall the county of _____ (county's name) impose a countywide sales tax of _____ (insert amount) for the purpose of providing law enforcement services for the county?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO"; or

(2) If the proposal submitted involves authorization to enter into agreements to form a regional jail district

33 and obligates the county to make payments from the tax
34 authorized by this section the ballot shall contain
35 substantially the following:

36 Shall the county of _____ (county's name) be
37 authorized to enter into agreements for the
38 purpose of forming a regional jail district and
39 obligating the county to impose a countywide sales
40 tax of _____ (insert amount) to fund _____
41 dollars of the costs to construct a regional jail
42 and to fund the costs to operate a regional jail,
43 with any funds in excess of that necessary to
44 construct and operate such jail to be used for law
45 enforcement purposes?

46 ☐ YES ☐ NO

47 If you are in favor of the question, place an "X"
48 in the box opposite "YES". If you are opposed to
49 the question, place an "X" in the box opposite
50 "NO".

51 If a majority of the votes cast on the proposal by the
52 qualified voters voting thereon are in favor of the proposal
53 submitted pursuant to subdivision (1) of this subsection,
54 then the ordinance or order and any amendments thereto shall
55 be in effect on the first day of the second quarter
56 immediately following the election approving the proposal.
57 If the constitutionally required percentage of the voters
58 voting thereon are in favor of the proposal submitted
59 pursuant to subdivision (2) of this subsection, then the
60 ordinance or order and any amendments thereto shall be in
61 effect on the first day of the second quarter immediately
62 following the election approving the proposal. If a
63 proposal receives less than the required majority, then the
64 governing body of the county shall have no power to impose
65 the sales tax herein authorized unless and until the

66 governing body of the county shall again have submitted
67 another proposal to authorize the governing body of the
68 county to impose the sales tax authorized by this section
69 and such proposal is approved by the required majority of
70 the qualified voters voting thereon. However, in no event
71 shall a proposal pursuant to this section be submitted to
72 the voters sooner than twelve months from the date of the
73 last proposal pursuant to this section.

74 3. All revenue received by a county from the tax
75 authorized under the provisions of this section shall be
76 deposited in a special trust fund and shall be used solely
77 for providing law enforcement services for such county for
78 so long as the tax shall remain in effect. Revenue placed
79 in the special trust fund may also be utilized for capital
80 improvement projects for law enforcement facilities and for
81 the payment of any interest and principal on bonds issued
82 for said capital improvement projects.

83 4. Once the tax authorized by this section is
84 abolished or is terminated by any means, all funds remaining
85 in the special trust fund shall be used solely for providing
86 law enforcement services for the county. Any funds in such
87 special trust fund which are not needed for current
88 expenditures may be invested by the governing body in
89 accordance with applicable laws relating to the investment
90 of other county funds.

91 5. All sales taxes collected by the director of
92 revenue under this section on behalf of any county, less one
93 percent for cost of collection which shall be deposited in
94 the state's general revenue fund after payment of premiums
95 for surety bonds as provided in section 32.087, shall be
96 deposited in a special trust fund, which is hereby created,
97 to be known as the "County Law Enforcement Sales Tax Trust

Fund". The moneys in the county law enforcement sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust and which was collected in each county imposing a sales tax under this section, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of each such county, and all expenditures of funds arising from the county law enforcement sales tax trust fund shall be by an appropriation act to be enacted by the governing body of each such county. Expenditures may be made from the fund for any law enforcement functions authorized in the ordinance or order adopted by the governing body submitting the law enforcement tax to the voters.

6. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one

year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

7. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

67.597. 1. The governing body of a county with more than fifteen thousand seven hundred but fewer than seventeen thousand six hundred inhabitants and with a county seat with more than four thousand two hundred ten but fewer than six thousand inhabitants may adopt an order or ordinance imposing a sales tax on all retail sales made within the county that are subject to sales tax under chapter 144. The rate of such tax shall not exceed one percent.

2. Such tax shall not become effective unless the governing body of the county submits to the voters of the county, on any date available for elections for the county, a proposal to authorize the governing body of the county to impose such tax. Such tax shall be in addition to all other taxes imposed by law. Such tax shall be stated separately from all other charges and taxes. The proceeds of such tax shall be used by the county solely for the support of the operations of hospital services in such county.

3. The ballot of submission for such tax shall be in substantially the following form:

"Shall _____ (insert the county name) impose a sales tax at a rate of _____ (insert percentage) percent for the support of the operations of hospital services?"

24 If a majority of the votes cast on the question by the
25 qualified voters voting thereon are in favor of the
26 question, such tax shall become effective on the first day
27 of the second calendar quarter following the calendar
28 quarter in which the election was held. If a majority of
29 the votes cast on the question by the qualified voters
30 voting thereon are opposed to the question, such tax shall
31 not become effective unless and until the question is
32 resubmitted under this section to the qualified voters of
33 the county and such question is approved by a majority of
34 the qualified voters of the county voting on the question.

35 4. Except as modified in this section, all provisions
36 of sections 32.085 and 32.087 shall apply to the tax imposed
37 under this section.

38 5. All moneys collected under this section by the
39 director of the department of revenue on behalf of such
40 county shall be deposited in a special trust fund, which is
41 hereby created and shall be known as the "County Hospital
42 Operations Sales Tax Fund", except that the director may
43 deposit up to one percent for the cost of collection in the
44 state's general revenue fund. Moneys in the fund shall be
45 used solely for the designated purposes. Moneys in the fund
46 shall not be deemed to be state moneys and shall not be
47 commingled with any moneys of the state. The director may
48 make refunds from the amounts in the fund and credited to
49 the county for erroneous payments and overpayments made and
50 may redeem dishonored checks and drafts deposited to the
51 credit of such county. Any moneys in the special fund that
52 are not needed for current expenditures shall be invested in
53 the same manner as other moneys are invested. Any interest

54 and moneys earned on such investments shall be credited to
55 the fund.

56 6. The governing body of a county that has adopted
57 such tax may submit the question of repeal of the tax to the
58 voters on any date available for elections for the county.
59 If a majority of the votes cast on the question by the
60 qualified voters voting thereon are in favor of the repeal,
61 the repeal shall become effective on December thirty-first
62 of the calendar year in which such repeal was approved. If
63 a majority of the votes cast on the question by the
64 qualified voters voting thereon are opposed to the repeal,
65 such tax shall remain effective until the question is
66 resubmitted under this section to the qualified voters and
67 the repeal is approved by a majority of the qualified voters
68 voting on the question.

69 7. Whenever the governing body of a county that has
70 adopted such tax receives a petition, signed by a number of
71 registered voters of the county equal to at least ten
72 percent of the number of registered voters of the county
73 voting in the last gubernatorial election, calling for an
74 election to repeal such tax, the governing body shall submit
75 to the voters a proposal to repeal the tax. If a majority
76 of the votes cast on the question by the qualified voters
77 voting thereon are in favor of the repeal, the repeal shall
78 become effective on December thirty-first of the calendar
79 year in which such repeal was approved. If a majority of
80 the votes cast on the question by the qualified voters
81 voting thereon are opposed to the repeal, such tax shall
82 remain effective until the question is resubmitted under
83 this section to the qualified voters and the repeal is
84 approved by a majority of the qualified voters voting on the
85 question.

86 8. If such tax is repealed or terminated by any means,
87 all moneys remaining in the special trust fund shall
88 continue to be used solely for the designated purposes. The
89 county shall notify the director of the department of
90 revenue of the repeal or termination at least ninety days
91 before the effective date of the repeal or termination. The
92 director may order retention in the trust fund, for a period
93 of one year, of two percent of the amount collected after
94 receipt of such notice to cover possible refunds or
95 overpayments of the tax and to redeem dishonored checks and
96 drafts deposited to the credit of such account. After one
97 year has elapsed after the effective date of the repeal or
98 termination, the director shall remit the balance in the
99 account to the county and close the account of that county.
100 The director shall notify such county of each instance of
101 any amount refunded or any check redeemed from receipts due
102 the county.

 67.646. 1. For the purposes of this section, the
2 following terms shall mean:

3 (1) "Authority", a county sports complex authority
4 created pursuant to this section;

5 (2) "Convention and sports complex fund", the fund

59 and the time and place for receipt of proposals or
60 qualifications, as applicable, and other information that
61 may assist the political subdivision in its selection of a
62 construction manager-at-risk. The political subdivision

64 proposals or qualifications, as applicable. The selection
65 criteria may include the construction manager's experience,
66 past performance, safety record, proposed personnel and
67 methodology, and other appropriate factors that demonstrate
68 the capability of the construction manager-at-risk. The
69 political subdivision shall not request fees or prices in
70 step one. In step two, the political subdivision may
71 request that five or fewer construction managers, selected
72 solely on the basis of qualifications, provide additional
73 information, including the construction manager-at-risk's
74 proposed fee and its price for fulfilling the general
75 conditions. Qualifications shall account for a minimum of
76 forty percent of the evaluation. Cost shall account for a
77 maximum of sixty percent of the evaluation.

78 6. The political subdivision shall publish the request
79 for proposals or qualifications by publication in a

80 newspaper of general circulation published in the county
81 where the political subdivision is located once a week for
82 two consecutive weeks prior to opening the proposals or

84 that notifies interested parties for at least twenty various
85 purchases, design contracts, construction contracts, or
86 other contracts each year for the political subdivision.

87 7. For each step, the political subdivision shall
88 receive, publicly open, and read aloud the names of the
89 construction managers. Within forty-five days after the
90 date of opening the proposals or qualification submissions,
91 the political subdivision or its representative shall
92 evaluate and rank each proposal or qualification submission
93 submitted in relation to the criteria set forth in the
94 request for proposals or request for qualifications. The
95 political subdivision shall interview at least two of the
96 top qualified offerors as part of the final selection.

97 8. The political subdivision or its representative
98 shall select the construction manager that submits the
99 proposal that offers the best value for the political
100 subdivision based on the published selection criteria and on
101 its ranking evaluation. The political subdivision or its
102 representative shall first attempt to negotiate a contract
103 with the selected construction manager. If the political
104 subdivision or its representative is unable to negotiate a
105 satisfactory contract with the selected construction
106 manager, the political subdivision or its representative
107 shall, formally and in writing, end negotiations with that
108 construction manager and proceed to negotiate with the next
109 construction manager in the order of the selection ranking
110 until a contract is reached or negotiations with all ranked
111 construction managers end.

112 9. A construction manager-at-risk shall publicly
113 advertise, in the manner prescribed by chapter 50, and
114 receive bids or proposals from trade contractors or
115 subcontractors for the performance of all major elements of
116 the work other than the minor work that may be included in
117 the general conditions. A construction manager-at-risk may
118 seek to perform portions of the work itself if the
119 construction manager-at-risk submits its sealed bid or
120 sealed proposal for those portions of the work in the same
121 manner as all other trade contractors or subcontractors.
122 All sealed bids or proposals shall be submitted at the time
123 and location as specified in the advertisement for bids or
124 proposals and shall be publicly opened and the identity of
125 each bidder and their bid amount shall be read aloud. The
126 political subdivision shall have the authority to restrict
127 the construction manager-at-risk from submitting bids to
128 perform portions of the work.

129 10. The construction manager-at-risk and the political
130 subdivision or its representative shall review all trade
131 contractor, subcontractor, or construction manager-at-risk
132 bids or proposals in a manner that does not disclose the
133 contents of the bid or proposal during the selection process
134 to a person not employed by the construction manager-at-
135 risk, engineer, architect, or political subdivision involved
136 with the project. If the construction manager-at-risk
137 submitted bids or proposals, the political subdivision shall
138 determine if the construction manager-at-risk's bid or
139 proposal offers the best value for the political
140 subdivision. After all proposals have been evaluated and
141 clarified, the award of all subcontracts shall be made
142 public.

143 11. If the construction manager-at-risk reviews,
144 evaluates, and recommends to the political subdivision a bid
145 or proposal from a trade contractor or subcontractor but the
146 political subdivision requires another bid or proposal to be
147 accepted, the political subdivision shall compensate the
148 construction manager-at-risk by a change in price, time, or
149 guaranteed maximum cost for any additional cost and risk
150 that the construction manager-at-risk may incur because of
151 the political subdivision's requirement that another bid or
152 proposal be accepted.

153 12. If a selected trade contractor or subcontractor
154 materially defaults in the performance of its work or fails
155 to execute a subcontract after being selected in accordance
156 with this section, the construction manager-at-risk may
157 itself, without advertising, fulfill the contract
158 requirements or select a replacement trade contractor or
159 subcontractor to fulfill the contract requirements. The
160 penal sums of the performance and payment bonds delivered to
161 the political subdivision shall each be in an amount equal
162 to the fixed contract amount or guaranteed maximum price.
163 The construction manager-at-risk shall deliver the bonds not
164 later than the tenth day after the date the fixed contract
165 amount or guaranteed maximum price is established.

166 13. Any political subdivision engaged in a project
167 under this section, which impacts a railroad regulated by
168 the Federal Railroad Administration, shall consult with the
169 affected railroad on required specifications relating to
170 clearance, safety, insurance, and indemnification to be
171 included in the construction documents for such project.

172 14. This section shall not apply to:

173 (1) Any metropolitan sewer district established under
174 Article VI, Section 30(a) of the Constitution of Missouri;

(2) Any special charter city, or any city or county governed by home rule under Article VI, **[Section 18]** **Sections 18(a) to 18(r)** or 19 of the Constitution of Missouri that has adopted a construction manager-at-risk method via ordinance, rule or regulation.

[15. Notwithstanding the provisions of section 23.253 to the contrary, the provisions of this section shall expire September 1, 2026.]

67.5060. 1. As used in this section, the following terms mean:

(1) "Design-build", a project delivery method subject to a three-stage qualifications-based selection for which the design and construction services are furnished under one contract;

(2) "Design-build contract", a contract which is subject to a three-stage qualifications-based selection process similar to that described in sections 8.285 to 8.291 between a political subdivision and a design-builder to furnish the architectural, engineering, and related design services and the labor, materials, supplies, equipment, and other construction services required for a design-build project;

(3) "Design-build project", the design, construction, alteration, addition, remodeling, or improvement of any buildings or facilities under contract with a political subdivision. Such design-build projects include, but are not limited to:

(a) Civil works projects, such as roads, streets, bridges, utilities, airport runways and taxiways, storm drainage and flood control projects, or transit projects; and

(b) Noncivil works projects, such as buildings, site improvements, and other structures, habitable or not,

25 commonly designed by architects in excess of seven million
26 dollars;

27 (4) "Design-builder", any individual, partnership,
28 joint venture, or corporation subject to a qualification-
29 based selection that offers to provide or provides design
30 services and general contracting services through a design-
31 build contract in which services within the scope of the
32 practice of professional architecture or engineering are
33 performed respectively by a licensed architect or licensed
34 engineer and in which services within the scope of general
35 contracting are performed by a general contractor or other
36 legal entity that furnishes architecture or engineering
37 services and construction services either directly or
38 through subcontracts or joint ventures;

39 (5) "Design criteria consultant", a person,
40 corporation, partnership, or other legal entity duly
41 licensed and authorized to practice architecture or
42 professional engineering in this state under chapter 327 who
43 is employed by or contracted by the political subdivision to
44 assist the political subdivision in the development of
45 project design criteria, requests for proposals, evaluation
46 of proposals, the evaluation of the construction under a
47 design-build contract to determine adherence to the design
48 criteria, and any additional services requested by the
49 political [subdivisions] **subdivision** to represent its
50 interests in relation to a project. The design criteria
51 consultant may not submit a proposal or furnish design or
52 construction services for the design-build contract for
53 which its services were sought;

54 (6) "Design criteria package", performance-oriented
55 program, scope, and specifications for the design-build
56 project sufficient to permit a design-builder to prepare a

57 response to a political subdivision's request for proposals
58 for a design-build project, which may include capacity,
59 durability, standards, ingress and egress requirements,
60 performance requirements, description of the site, surveys,
61 soil and environmental information concerning the site,
62 interior space requirements, material quality standards,
63 design and construction schedules, site development
64 requirements, provisions for utilities, storm water
65 retention and disposal, parking requirements, applicable
66 governmental code requirements, preliminary designs for the
67 project or portions thereof, and other criteria for the
68 intended use of the project;

69 (7) "Design professional services", services that are:

70 (a) Within the practice of architecture as defined in
71 section 327.091, or within the practice of professional
72 engineering as defined in section 327.181; or

73 (b) Performed by a licensed or authorized architect or
74 professional engineer in connection with the architect's or
75 professional engineer's employment or practice;

76 (8) "Proposal", an offer in response to a request for
77 proposals by a design-builder to enter into a design-build
78 contract for a design-build project under this section;

79 (9) "Request for proposal", the document by which the
80 political subdivision solicits proposals for a design-build
81 contract;

82 (10) "Stipend", an amount paid to the unsuccessful but
83 responsive, short-listed design-builders to defray the cost
84 of participating in phase II of the selection process
85 described in this section.

86 2. In using a design-build contract, the political
87 subdivision shall determine the scope and level of detail
88 required to permit qualified persons to submit proposals in

89 accordance with the request for proposals given the nature
90 of the project.

91 3. A design criteria consultant shall be employed or
92 retained by the political subdivision to assist in
93 preparation of the design criteria package and request for
94 proposal, perform periodic site visits to observe adherence
95 to the design criteria, prepare progress reports, review and
96 approve progress and final pay applications of the design-
97 builder, review shop drawings and submissions, provide input
98 in disputes, help interpret the construction documents,
99 perform inspections upon substantial and final completion,
100 assist in warranty inspections, and provide any other
101 professional service assisting with the project
102 administration. The design criteria consultant may also
103 evaluate construction as to the adherence of the design
104 criteria. The consultant shall be selected and its contract
105 negotiated in compliance with sections 8.285 to 8.291 unless
106 the consultant is a direct employee of the political
107 subdivision.

108 4. The political subdivision shall publicly disclose
109 at a regular meeting its intent to utilize the design-build
110 method and its project design criteria at least one week
111 prior to publishing the request for proposals. Notice of
112 requests for proposals shall be advertised by publication in
113 a newspaper of general circulation published in the county
114 where the political subdivision is located once a week for
115 two consecutive weeks prior to opening the proposals, or by
116 a virtual notice procedure that notifies interested parties
117 for at least twenty various purchases, design contracts,
118 construction contracts, or other contracts each year for the
119 political subdivision. The political subdivision shall
120 publish a notice of a request for proposal with a

description of the project, the procedures for submission, and the selection criteria to be used.

5. The political subdivision shall establish in the request for proposal a time, place, and other specific instructions for the receipt of proposals. Proposals not submitted in strict accordance with the instructions shall be subject to rejection.

6. A request for proposal shall be prepared for each design-build contract containing at minimum the following elements:

(1) The procedures to be followed for submitting proposals, the criteria for evaluating proposals and their relative weight, and the procedures for making awards;

(2) The proposed terms and conditions for the design-build contract, if available;

(3) The design criteria package;

(4) A description of the drawings, specifications, or other information to be submitted with the proposal, with guidance as to the form and level of completeness of the drawings, specifications, or other information that will be acceptable;

(5) A schedule for planned commencement and completion of the design-build contract, if any;

(6) Budget limits for the design-build contract, if any;

(7) Requirements including any available ratings for performance bonds, payment bonds, and insurance, if any;

(8) The amount of the stipend which will be available; and

(9) Any other information that the political subdivision in its discretion chooses to supply including, but not limited to, surveys, soil reports, drawings of

existing structures, environmental studies, photographs, references to public records, or affirmative action and minority business enterprise requirements consistent with state and federal law.

7. The political subdivision shall solicit proposals in a three-stage process. Phase I shall be the solicitation of qualifications of the design-build team. Phase II shall be the solicitation of a technical proposal including conceptual design for the project. Phase III shall be the proposal of the construction cost.

8. The political subdivision shall review the submissions of the proposals and assign points to each proposal in accordance with this section and as set out in the instructions of the request for proposal.

9. Phase I shall require all design-builders to submit a statement of qualification that shall include, but not be limited to:

(1) Demonstrated ability to perform projects comparable in design, scope, and complexity;

(2) References of owners for whom design-build projects, construction projects, or design projects have been performed;

(3) Qualifications of personnel who will manage the design and construction aspects of the project; and

(4) The names and qualifications of the primary design consultants and the primary trade contractors with whom the design-builder proposes to subcontract or joint venture.

The design-builder **[may]** **shall** not replace an identified contractor, subcontractor, design consultant, or subconsultant without the written approval of the political subdivision.

184 10. The political subdivision shall evaluate the
185 qualifications of all the design-builders who submitted
186 proposals in accordance with the instructions of the request
187 for proposal. Architectural and engineering services on the
188 project shall be evaluated in accordance with the
189 requirements of sections 8.285 and 8.291. Qualified design-
190 builders selected by the evaluation team may proceed to
191 phase II of the selection process. Design-builders lacking
192 the necessary qualifications to perform the work shall be
193 disqualified and shall not proceed to phase II of the
194 process. This process of short listing shall narrow the
195 number of qualified design-builders to not more than five
196 nor fewer than two. Under no circumstances shall price or
197 fees be a part of the prequalification criteria. Design-
198 builders may be interviewed in either phase I or phase II of
199 the process. Points assigned in phase I of the evaluation
200 process shall not carry forward to phase II of the process.
201 All qualified design-builders shall be ranked on points
202 given in phases II and III only.

203 11. The political subdivision shall have discretion to
204 disqualify any design-builder who, in the political
205 subdivision's opinion, lacks the minimum qualifications
206 required to perform the work.

207 12. Once a sufficient number of no more than five and
208 no fewer than two qualified design-builders have been
209 selected, the design-builders shall have a specified amount
210 of time in which to assemble phase II and phase III
211 proposals.

212 13. Phase II of the process shall be conducted as
213 follows:

214 (1) The political subdivision shall invite the top
215 qualified design-builders to participate in phase II of the
216 process;

217 (2) A design-builder shall submit its design for the
218 project to the level of detail required in the request for
219 proposal. The design proposal shall demonstrate compliance
220 with the requirements set out in the request for proposal;

221 (3) The ability of the design-builder to meet the
222 schedule for completing a project as specified by the
223 political subdivision may be considered as an element of
224 evaluation in phase II;

225 (4) Up to twenty percent of the points awarded to each
226 design-builder in phase II may be based on each design-
227 builder's qualifications and ability to design, contract,
228 and deliver the project on time and within the budget of the
229 political subdivision;

230 (5) Under no circumstances shall the design proposal
231 contain any reference to the cost of the proposal; and

232 (6) The submitted designs shall be evaluated and
233 assigned points in accordance with the requirements of the
234 request for proposal. Phase II shall account for not less
235 than forty percent of the total point score as specified in
236 the request for proposal.

237 14. Phase III shall be conducted as follows:

238 (1) The phase III proposal shall provide a firm, fixed
239 cost of design and construction. The proposal shall be
240 accompanied by bid security and any other items, such as
241 statements of minority participation as required by the
242 request for proposal;

243 (2) Cost proposals shall be submitted in accordance
244 with the instructions of the request for proposal. The
245 political subdivision shall reject any proposal that is not

246 submitted on time. Phase III shall account for not less
247 than forty percent of the total point score as specified in
248 the request for proposal;

249 (3) Proposals for phase II and phase III shall be
250 submitted concurrently at the time and place specified in
251 the request for proposal, but in separate envelopes or other
252 means of submission. The phase III cost proposals shall be
253 opened only after the phase II design proposals have been
254 evaluated and assigned points, ranked in order, and posted;

255 (4) Cost proposals shall be opened and read aloud at
256 the time and place specified in the request for proposal.
257 At the same time and place, the evaluation team shall make
258 public its scoring of phase II. Cost proposals shall be
259 evaluated in accordance with the requirements of the request
260 for proposal. In evaluating the cost proposals, the lowest
261 responsive bidder shall be awarded the total number of
262 points assigned to be awarded in phase III. For all other
263 bidders, cost points shall be calculated by reducing the
264 maximum points available in phase III by at least one
265 percent for each percentage point by which the bidder
266 exceeds the lowest bid and the points assigned shall be
267 added to the points assigned for phase II for each design-
268 builder;

269 (5) If the political subdivision determines that it is
270 not in the best interest of the political subdivision to
271 proceed with the project pursuant to the proposal offered by
272 the design-builder with the highest total number of points,
273 the political subdivision shall reject all proposals. In
274 this event, all qualified and responsive design-builders
275 with lower point totals shall receive a stipend and the
276 responsive design-builder with the highest total number of
277 points shall receive an amount equal to two times the

278 stipend. If the political subdivision decides to award the
279 project, the responsive design-builder with the highest
280 number of points shall be awarded the contract; and

281 (6) If all proposals are rejected, the political
282 subdivision may solicit new proposals using different design
283 criteria, budget constraints, or qualifications.

284 15. As an inducement to qualified design-builders, the
285 political subdivision shall pay a reasonable stipend, the
286 amount of which shall be established in the request for
287 proposal, to each prequalified design-builder whose proposal
288 is responsive but not accepted. Such stipend shall be no
289 less than one-half of one percent of the total project
290 budget. Upon payment of the stipend to any unsuccessful
291 design-builder, the political subdivision shall acquire a
292 nonexclusive right to use the design submitted by the design-
293 builder, and the design-builder shall have no further
294 liability for the use of the design by the political
295 subdivision in any manner. If the design-builder desires to
296 retain all rights and interest in the design proposed, the
297 design-builder shall forfeit the stipend.

298 16. (1) As used in this subsection, "wastewater or
299 water contract" means any design-build contract that
300 involves the provision of engineering and construction
301 services either directly by a party to the contract or
302 through subcontractors retained by a party to the contract
303 for a wastewater or water storage, conveyance, or treatment
304 facility project.

305 (2) Any political subdivision may enter into a
306 wastewater or water contract for design-build of a
307 wastewater or water project.

308 (3) In disbursing community development block grants
309 under 42 U.S.C. Sections 5301 to 5321, the department of

310 economic development shall not reject wastewater or water
311 projects solely for utilizing wastewater or water contracts.

312 (4) The department of natural resources shall not
313 preclude wastewater or water contracts from consideration
314 for funding provided by the water and wastewater loan fund
315 under section 644.122.

316 (5) A political subdivision planning a wastewater or
317 water design-build project shall retain an engineer duly
318 licensed in this state to assist in preparing any necessary
319 documents and specifications and evaluations of design-build
320 proposals.

321 17. The payment bond requirements of section 107.170
322 shall apply to the design-build project. All persons
323 furnishing design services shall be deemed to be covered by
324 the payment bond the same as any person furnishing labor and
325 materials. The performance bond for the design-builder
326 shall not cover any damages of the type specified to be
327 covered by the professional liability insurance established
328 by the political subdivision in the request for proposals.

329 18. Any person or firm performing architectural,
330 engineering, landscape architecture, or land-surveying
331 services for the design-builder on the design-build project
332 shall be duly licensed or authorized in this state to
333 provide such services as required by chapter 327.

334 19. Any political subdivision engaged in a project
335 under this section which impacts a railroad regulated by the
336 Federal Railroad Administration shall consult with the
337 affected railroad on required specifications relating to
338 clearance, safety, insurance, and indemnification to be
339 included in the construction documents for such project.

340 20. Under section 327.465, any design-builder that
341 enters into a design-build contract with a political

subdivision is exempt from the requirement that such person or entity hold a license or that such corporation hold a certificate of authority if the architectural, engineering, or land-surveying services to be performed under the design-build contract are performed through subcontracts or joint ventures with properly licensed or authorized persons or entities, and not performed by the design-builder or its own employees.

21. This section shall not apply to:

(1) Any metropolitan sewer district established under Article VI, Section 30(a) of the Constitution of Missouri; or

(2) Any special charter city, or any city or county governed by home rule under Article VI, **[Section 18] Sections 18(a) to 18(r)** or 19 of the Constitution of Missouri that has adopted a design-build process via ordinance, rule, or regulation.

[22. The authority to use design-build and design-build contracts provided under this section shall expire September 1, 2026.]

79.235. 1. Notwithstanding any other provision of law to the contrary, for any city of the fourth classification with fewer than three thousand inhabitants, if a statute or ordinance authorizes the mayor of such city to appoint a member of a nonelected board or commission, any requirement that the appointed person be a resident of the city shall be deemed satisfied if the person owns real property or a business in the city, regardless of whether the position to which the appointment is made is considered an officer of the city under section 79.250.

2. Notwithstanding any other provision of law to the contrary, for any city of the fourth classification with fewer than three thousand inhabitants, if a statute or

ordinance authorizes the mayor of such city to appoint a member of a nonelected board that manages a municipal utility of the city, any requirement that the appointed person be a resident of the city shall be deemed satisfied if all of the following conditions are met:

(1) The board has no authority to set utility rates or to issue bonds;

(2) The person resides within five miles of the city limits;

(3) The person owns real property or a business in the city;

(4) The person or the person's business is a customer of a public utility, as described under section 91.450, managed by the board; and

(5) The person has no pecuniary interest in, and is not an employee or board member of, any utility or other entity that offers the same kind of service as the utility managed by the board.

3. The provisions of this section shall not apply to any city within a county with more than one million inhabitants.

82.1025. 1. Sections 82.1025, 82.1027 and 82.1030 apply to a nuisance located within the boundaries of:

(1) Any city not within a county [or in];

(2) Any home rule city with at least three hundred fifty thousand inhabitants which is located in more than one county;

(3) Any home rule city with more than one hundred sixty thousand but fewer than two hundred thousand inhabitants; or

(4) Any home rule city with more than seventy-one thousand but fewer than seventy-nine thousand inhabitants.

12 2. Any property owner who owns property within one
13 thousand two hundred feet of a parcel of property **[which]**
14 **that** is alleged to be a nuisance may bring a nuisance action
15 under this section against the offending property owner for
16 the amount of damage created by such nuisance to the value
17 of the petitioner's property, including diminution in value
18 of the petitioner's property, and court costs.

19 3. An action for injunctive relief to abate a nuisance
20 may be brought under this section by:

21 (1) Anyone who owns property within one thousand two
22 hundred feet to a property which is alleged to be a
23 nuisance; or

24 (2) A neighborhood organization, as defined in section
25 82.1027, on behalf of any person or persons who own property
26 within the boundaries of the neighborhood or neighborhoods
27 described in the articles of incorporation or bylaws of the
28 neighborhood organization and who could maintain a nuisance
29 action under this section or under the common law of private
30 nuisance, or on its own behalf with respect to a nuisance on
31 property anywhere within the boundaries of the neighborhood
32 or neighborhoods.

33 4. An action shall not be brought under this section
34 until sixty days after the party who brings the action has
35 **[sent written] mailed** notice of intent to bring an action
36 under this section **[by certified mail, return receipt**
37 **requested]**, postage prepaid, to:

38 (1) The tenant, if any, or to "occupant" if the
39 identity of the tenant cannot be reasonably ascertained, at
40 the property's address; and

41 (2) The property owner of record at the last known
42 address of the property owner on file with the county or
43 city, or, if the property owner is a corporation or other

44 type of limited liability company, to the property owner's
45 registered agent at the agent's address of record;

46 that a nuisance exists and that legal action may be taken
47 against the owner of the property if the nuisance is not
48 eliminated within sixty days after the date on the [written]
49 **mailed** notice. If the notice [sent by certified mail] is
50 returned unclaimed or refused, designated by the post office
51 to be undeliverable, or signed for by a person other than
52 the addressee, then adequate and sufficient notice shall be
53 provided by posting a copy of the notice on the property
54 where the nuisance allegedly is occurring. A sworn
55 affidavit by the person who mailed or posted the notice
56 describing the date and manner that notice was given shall
57 be sufficient evidence to establish that the notice was
58 given. The notice shall specify:

- 59 (a) The act or condition that constitutes the nuisance;
60 (b) The date the nuisance was first discovered;
61 (c) The address of the property and location on the
62 property where the act or condition that constitutes the
63 nuisance is allegedly occurring or exists; and
64 (d) The relief sought in the action.

65 5. A copy of a notice of citation issued by the city
66 or county that shows the date the citation was issued shall
67 be prima facie evidence of whether and for how long [a
68 citation has been pending against the property or the
69 property owner] **the property has been in violation of the**
70 **code or ordinance provisions described in the citation.**

71 6. A proceeding under this section shall:

- 72 (1) Be heard at the earliest practicable date; and
73 (2) Be expedited in every way.

74 7. When a property owner or neighborhood organization
75 brings an action under this section for injunctive relief to
76 abate a nuisance, a prima facie case for injunctive relief
77 shall be made upon proof that a nuisance exists on the
78 property. [Such] An action **for injunctive relief to abate a**
79 **nuisance shall be heard by the court without a jury and**
80 shall not require proof that the party bringing the action
81 has sustained damage or loss as a result of the nuisance.

82 8. [With respect to an action under this section
83 against the owner of commercial or industrial property,]
84 When a property owner or neighborhood organization bringing

52 7. All reports or financial statements
53 hereinabove mentioned shall be considered to be
54 public records.

55 8. The provisions of this section apply to

120 annual financial statement is the result of
121 fraud or other illegal conduct by an employee or
122 officer of the political subdivision, the
123 political subdivision shall not be subject to a
124 fine authorized under this section if the
125 statement is filed within thirty days of the

133 the time it files its first annual financial
134 statement after January 1, 2023, the director of

30 time within which the financial statement of the political
31 subdivision is required to be filed with the state auditor

14. If a political subdivision has an outstanding balance for fines or penalties at the time it files its first annual financial statement after August 28, 2025, the director of revenue shall make a one-time downward adjustment to such outstanding balance in an amount that reduces the outstanding balance by no less than ninety percent.

15. The director of revenue shall have the authority to make a one-time downward adjustment to any outstanding penalty imposed under this section on a political subdivision if the director determines the fine is uncollectable. The director of revenue may prescribe rules and regulations necessary to carry out the provisions of this subsection. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2025, shall be invalid and void.

20 d. A construction manager not-at-risk within the
21 meaning of section 8.675, or who does not otherwise enter
22 into contracts with contractors for the furnishing of labor,

24 (2) "Public entity", [any official, board, commission
25 or agency of] this state [or]; any county, city, town,
26 township, **municipality**, school[, road] district, or other
27 political subdivision of this state; **or any official, board,**
28 **commission, or agency of any of the preceding entities;**

29 (3) **"Public official", any official, officer,**
30 **employee, or member of a governing body or board of a public**
31 **entity, whether elected, employed, or appointed, and any**

33 **law or at equity, be personally liable for the failure to**
34 **require the furnishing of a payment bond under this section;**

35 (4) "Public works", the erection, construction,
36 alteration, repair or improvement of any building, road,

37 street, public utility or other public facility owned by the
38 public entity, including work for nongovernmental purposes.

40 in this state, in making contracts for public works **exempt**
41 **from attachment and execution under section 513.455**, the
42 cost of which is estimated to exceed fifty thousand dollars,
43 to be performed for:

44 (1) The public entity; or

45 (2) The public entity's lessee, agent, designee, or
46 representative on work for nongovernmental purposes,

47 to require every contractor for such work to furnish to the
48 public entity a bond with good and sufficient sureties, in
49 an amount fixed by the public entity. Such bond, among
50 other conditions, shall be conditioned for the payment of
51 any and all materials, incorporated, consumed or used in
52 connection with the construction of such work; all insurance
53 premiums, both for compensation, and for all other kinds of
54 insurance, on said work; and for all labor performed in such
55 work whether by a subcontractor, a supplier at any tier, or
56 otherwise. Remote suppliers shall not be entitled to
57 recovery under the bond required by this section, unless
58 such suppliers shall have given written notice to the
59 contractor that it has not been paid within ninety days of
60 the time the supplier last supplied materials on the public
61 works project. For purposes of this provision, a "remote
62 supplier" is any material supplier to a public works project
63 having a contract with a second, or lower, tier
64 subcontractor, or with another material supplier of any tier.

65 3. All bonds executed and furnished under the
66 provisions of this section shall be deemed to contain the
67 requirements and conditions as herein set out, regardless of

68 whether the same be set forth in said bond, or of any terms
69 or provisions of said bond to the contrary notwithstanding.

70 4. Nothing in this section shall be construed to
71 require a [member of the school board of any public school
72 district of this state] **public official** to independently
73 confirm the existence or solvency of any bonding company if
74 a contractor represents to the [member] **public official** that
75 the bonding company is solvent and that the representations
76 made in the purported bond are true and correct. This
77 subsection shall not relieve from any liability any [school
78 board member] **public official** who has any actual knowledge
79 of the insolvency of any bonding company, or any [school
80 board member] **public official** who does not act in good faith
81 in complying with the provisions of subsection 2 of this
82 section.

83 5. A public entity may defend, save harmless and
84 indemnify any of its [officers and employees] **public**
85 **officials**, whether [elective or appointive] **elected**,
86 **employed, or appointed**, against any claim or demand, whether
87 groundless or otherwise arising out of an alleged act or
88 omission occurring in the performance of a duty under this
89 section. The provisions of this subsection do not apply in
90 case of malfeasance in office or willful or wanton neglect
91 of duty.

92 6. [Nothing in this section shall be deemed to require
93 any contractor who provides construction services for a
94 public works project used for nongovernmental purposes and
95 who contracts with a public entity's lessee, agent,
96 designee, or representative on such public works project
97 used for nongovernmental purposes to furnish a bond when the
98 public entity's lessee, agent, designee, or representative
99 is required under this section to furnish a bond] **If consent**

that meets the requirements of subsection 2 of section 513.455 has been executed and recorded as therein required, no bond is required to be furnished under this section.

7. Nothing in this section shall be deemed to require any public entity's lessee, agent, designee, or representative that contracts with a contractor to provide construction services for a public works project intended be leased primarily to a private entity for nongovernmental use to furnish a bond when the contractor is required to furnish a bond under this section or in fact furnishes a complying bond.

8. The providing of a bond under this section shall preclude the filing of a mechanic's lien under chapter 429 by any subcontractor or supplier. Any mechanic's lien filed in violation hereof shall be void and unenforceable and shall be summarily discharged by a judge of the county in which the mechanic's lien is filed.

137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The true value in money of any possessory interest in real property in subclass (3),

16 where such real property is on or lies within the ultimate
17 airport boundary as shown by a federal airport layout plan,
18 as defined by 14 CFR 151.5, of a commercial airport having a
19 FAR Part 139 certification and owned by a political
20 subdivision, shall be the otherwise applicable true value in
21 money of any such possessory interest in real property, less
22 the total dollar amount of costs paid by a party, other than
23 the political subdivision, towards any new construction or
24 improvements on such real property completed after January
25 1, 2008, and which are included in the above-mentioned
26 possessory interest, regardless of the year in which such
27 costs were incurred or whether such costs were considered in
28 any prior year. The assessor shall annually assess all real
29 property in the following manner: new assessed values shall
30 be determined as of January first of each odd-numbered year
31 and shall be entered in the assessor's books; those same
32 assessed values shall apply in the following even-numbered
33 year, except for new construction and property improvements
34 which shall be valued as though they had been completed as
35 of January first of the preceding odd-numbered year. The
36 assessor may call at the office, place of doing business, or
37 residence of each person required by this chapter to list
38 property, and require the person to make a correct statement
39 of all taxable tangible personal property owned by the
40 person or under his or her care, charge or management,
41 taxable in the county. On or before January first of each
42 even-numbered year, the assessor shall prepare and submit a
43 two-year assessment maintenance plan to the county governing
44 body and the state tax commission for their respective
45 approval or modification. The county governing body shall
46 approve and forward such plan or its alternative to the plan
47 to the state tax commission by February first. If the

48 county governing body fails to forward the plan or its
49 alternative to the plan to the state tax commission by
50 February first, the assessor's plan shall be considered
51 approved by the county governing body. If the state tax
52 commission fails to approve a plan and if the state tax
53 commission and the assessor and the governing body of the
54 county involved are unable to resolve the differences, in
55 order to receive state cost-share funds outlined in section
56 137.750, the county or the assessor shall petition the
57 administrative hearing commission, by May first, to decide
58 all matters in dispute regarding the assessment maintenance
59 plan. Upon agreement of the parties, the matter may be
60 stayed while the parties proceed with mediation or
61 arbitration upon terms agreed to by the parties. The final
62 decision of the administrative hearing commission shall be
63 subject to judicial review in the circuit court of the
64 county involved. In the event a valuation of subclass (1)
65 real property within any county with a charter form of
66 government, or within a city not within a county, is made by
67 a computer, computer-assisted method or a computer program,
68 the burden of proof, supported by clear, convincing and
69 cogent evidence to sustain such valuation, shall be on the
70 assessor at any hearing or appeal. In any such county,
71 unless the assessor proves otherwise, there shall be a
72 presumption that the assessment was made by a computer,
73 computer-assisted method or a computer program. Such
74 evidence shall include, but shall not be limited to, the
75 following:

76 (1) The findings of the assessor based on an appraisal
77 of the property by generally accepted appraisal techniques;
78 and

79 (2) The purchase prices from sales of at least three
80 comparable properties and the address or location thereof.
81 As used in this subdivision, the word "comparable" means
82 that:

83 (a) Such sale was closed at a date relevant to the
84 property valuation; and

85 (b) Such properties are not more than one mile from
86 the site of the disputed property, except where no similar
87 properties exist within one mile of the disputed property,
88 the nearest comparable property shall be used. Such
89 property shall be within five hundred square feet in size of
90 the disputed property, and resemble the disputed property in
91 age, floor plan, number of rooms, and other relevant
92 characteristics.

93 2. Assessors in each county of this state and the City
94 of St. Louis may send personal property assessment forms
95 through the mail.

96 3. The following items of personal property shall each
97 constitute separate subclasses of tangible personal property
98 and shall be assessed and valued for the purposes of
99 taxation at the following percentages of their true value in
100 money:

101 (1) Grain and other agricultural crops in an
102 unmanufactured condition, one-half of one percent;

103 (2) Livestock, twelve percent;

104 (3) Farm machinery, twelve percent;

105 (4) Motor vehicles which are eligible for registration
106 as and are registered as historic motor vehicles pursuant to
107 section 301.131 and aircraft which are at least twenty-five
108 years old and which are used solely for noncommercial
109 purposes and are operated less than two hundred hours per

110 year or aircraft that are home built from a kit, five
111 percent;

112 (5) Poultry, twelve percent; and

113 (6) Tools and equipment used for pollution control and
114 tools and equipment used in retooling for the purpose of
115 introducing new product lines or used for making
116 improvements to existing products by any company which is
117 located in a state enterprise zone and which is identified
118 by any standard industrial classification number cited in
119 subdivision (7) of section 135.200, twenty-five percent.

120 4. The person listing the property shall enter a true
121 and correct statement of the property, in a printed blank
122 prepared for that purpose. The statement, after being
123 filled out, shall be signed and either affirmed or sworn to
124 as provided in section 137.155. The list shall then be
125 delivered to the assessor.

126 5. (1) All subclasses of real property, as such
127 subclasses are established in Section 4(b) of Article X of
128 the Missouri Constitution and defined in section 137.016,
129 shall be assessed at the following percentages of true value:

130 (a) For real property in subclass (1), nineteen
131 percent;

132 (b) For real property in subclass (2), twelve percent;
133 and

134 (c) For real property in subclass (3), thirty-two
135 percent.

136 (2) A taxpayer may apply to the county assessor, or,
137 if not located within a county, then the assessor of such
138 city, for the reclassification of such taxpayer's real
139 property if the use or purpose of such real property is
140 changed after such property is assessed under the provisions
141 of this chapter. If the assessor determines that such

property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

6. Manufactured homes, as defined in section 700.010, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

173 8. Any amount of tax due and owing based on the
174 assessment of a manufactured home shall be included on the
175 personal property tax statement of the manufactured home
176 owner unless the manufactured home is deemed to be real
177 estate as defined in subsection 7 of section 442.015, in
178 which case the amount of tax due and owing on the assessment
179 of the manufactured home as a realty improvement to the
180 existing real estate parcel shall be included on the real
181 property tax statement of the real estate owner.

182 9. The assessor of each county and each city not
183 within a county shall use [the trade-in value published in
184 the October issue of] **a nationally recognized automotive**
185 **trade publication such as** the National Automobile Dealers'
186 Association Official Used Car Guide, [or its successor
187 publication,] **Kelley Blue Book, Edmunds, or other similar**
188 **publication** as the recommended guide of information for
189 determining the true value of motor vehicles described in
190 such publication. **The state tax commission shall select,**
191 **secure, and make available to all assessors which**
192 **publication shall be used. The assessor of each county and**
193 **each city not within a county shall use the trade-in value**
194 **published in the current October issue of the publication**
195 **selected by the state tax commission.** The assessor shall
196 not use a value that is greater than the average trade-in
197 value in determining the true value of the motor vehicle
198 without performing a physical inspection of the motor
199 vehicle. For vehicles two years old or newer from a
200 vehicle's model year, the assessor may use a value other
201 than average without performing a physical inspection of the
202 motor vehicle. In the absence of a listing for a particular
203 motor vehicle in such publication, the assessor shall use
204 such information or publications [which] **that**, in the

assessor's judgment, will fairly estimate the true value in money of the motor vehicle. **The assessor shall not assess a motor vehicle for an amount greater than such motor vehicle was assessed in the previous year, provided that such motor vehicle was properly assessed in the previous year.**

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

237 13. A county or city collector may accept credit cards
238 as proper form of payment of outstanding property tax or
239 license due. No county or city collector may charge
240 surcharge for payment by credit card which exceeds the fee
241 or surcharge charged by the credit card bank, processor, or
242 issuer for its service. A county or city collector may
243 accept payment by electronic transfers of funds in payment
244 of any tax or license and charge the person making such
245 payment a fee equal to the fee charged the county by the
246 bank, processor, or issuer of such electronic payment.

247 14. Any county or city not within a county in this
248 state may, by an affirmative vote of the governing body of
249 such county, opt out of the provisions of this section and
250 sections 137.073, 138.060, and 138.100 as enacted by house
251 bill no. 1150 of the ninety-first general assembly, second
252 regular session and section 137.073 as modified by house
253 committee substitute for senate substitute for senate
254 committee substitute for senate bill no. 960, ninety-second
255 general assembly, second regular session, for the next year
256 of the general reassessment, prior to January first of any
257 year. No county or city not within a county shall exercise
258 this opt-out provision after implementing the provisions of
259 this section and sections 137.073, 138.060, and 138.100 as
260 enacted by house bill no. 1150 of the ninety-first general
261 assembly, second regular session and section 137.073 as
262 modified by house committee substitute for senate substitute
263 for senate committee substitute for senate bill no. 960,
264 ninety-second general assembly, second regular session, in a
265 year of general reassessment. For the purposes of applying
266 the provisions of this subsection, a political subdivision
267 contained within two or more counties where at least one of
268 such counties has opted out and at least one of such

counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

15. The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that has exercised its authority to opt out under subsection 14 of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling.

16. Any portion of real property that is available as reserve for strip, surface, or coal mining for minerals for purposes of excavation for future use or sale to others that has not been bonded and permitted under chapter 444 shall be assessed based upon how the real property is currently being used. Any information provided to a county assessor, state

301 tax commission, state agency, or political subdivision
302 responsible for the administration of tax policies shall, in
303 the performance of its duties, make available all books,
304 records, and information requested, except such books,
305 records, and information as are by law declared confidential
306 in nature, including individually identifiable information
307 regarding a specific taxpayer or taxpayer's mine property.
308 For purposes of this subsection, "mine property" shall mean
309 all real property that is in use or readily available as a
310 reserve for strip, surface, or coal mining for minerals for
311 purposes of excavation for current or future use or sale to
312 others that has been bonded and permitted under chapter 444.

137.1050. 1. For the purposes of this section, the
2 following terms shall mean:

3 (1) "Eligible credit amount", the difference between
4 an eligible taxpayer's real property tax liability on such
5 taxpayer's homestead for a given tax year, minus the real
6 property tax liability on such homestead in the eligible
7 taxpayer's initial credit year;

8 (2) "Eligible taxpayer", a Missouri resident who:

9 (a) Is sixty-two years of age or older;

10 (b) Is an owner of record of a homestead or has a
11 legal or equitable interest in such property as evidenced by
12 a written instrument; and

13 (c) Is liable for the payment of real property taxes
14 on such homestead;

15 (3) "Homestead", real property actually occupied by an
16 eligible taxpayer as the primary residence. An eligible
17 taxpayer shall not claim more than one primary residence;

18 (4) "Initial credit year":

19 (a) In the case of a taxpayer that meets all
20 requirements of subdivision (2) of this subsection prior to

21 the year in which a credit is authorized pursuant to
22 subsection 2 of this section, the year in which such credit
23 is authorized;

24 (b) For all other taxpayers, the year in which the
25 taxpayer meets all requirements of subdivision (2) of this
26 subsection.

27 If in any tax year subsequent to the eligible taxpayer's
28 initial credit year the eligible taxpayer's real property
29 tax liability is lower than such liability in the initial
30 credit year, such tax year shall be considered the eligible
31 taxpayer's initial credit year for all subsequent tax
32 years. **This provision shall not apply if an eligible**
33 **taxpayer's real property tax liability is lower than such**
34 **liability in the taxpayer's initial credit year solely due**
35 **to a reduction in a property tax levy made pursuant to**
36 **section 321.905.**

37 2. (1) Any county authorized to impose a property tax
38 may grant a property tax credit to eligible taxpayers
39 residing in such county in an amount equal to the taxpayer's
40 eligible credit amount, provided that:

41 (a) Such county adopts an ordinance authorizing such
42 credit; or

43 (b) a. A petition in support of a referendum on such
44 a credit is signed by at least five percent of the
45 registered voters of such county voting in the last
46 gubernatorial election and the petition is delivered to the
47 governing body of the county, which shall subsequently hold
48 a referendum on such credit.

49 b. The ballot of submission for the question submitted
50 to the voters pursuant to paragraph (b) of this subdivision
51 shall be in substantially the following form:

82 (3) If an eligible taxpayer's homestead is annexed
83 into a taxing jurisdiction to which such eligible taxpayer
84 did not owe real property tax in the eligible taxpayer's
85 initial credit year, then the real property tax liability
86 for the taxpayer's initial credit year shall be increased to
87 reflect the real property tax liability owed to the annexing
88 taxing jurisdiction.

89 4. For the purposes of calculating property tax levies
90 pursuant to section 137.073, the total amount of credits
91 authorized by a county pursuant to this section shall be
92 considered tax revenue, as such term is defined in section
93 137.073, actually received.

94 5. A county granting a tax credit pursuant to this
95 section shall notify each political subdivision within such
96 county of the total credit amount applicable to such
97 political subdivision by no later than November thirtieth of
98 each year.

140.984. 1. The income of a land bank agency shall be
2 exempt from all taxation by the state and by any of its
3 political subdivisions. Upon acquiring title to any real
4 estate, a land bank agency shall immediately notify the
5 county assessor and the county collector of such ownership;
6 all taxes, special taxes, fines, and fees on such real
7 estate shall be deemed satisfied by transfer to the land
8 bank agency; and such property shall be exempt from all
9 taxation during the land bank agency's ownership thereof, in
10 the same manner and to the same extent as any other publicly
11 owned real estate. Upon the sale or other disposition of
12 any real estate held by it, the land bank agency shall
13 immediately notify the county assessor and the county
14 collector of such change of ownership. However, that such
15 tax exemption for improved and occupied real property held

16 by the land bank agency as a lessor pursuant to a ground
17 lease shall terminate upon the first occupancy, and the land
18 bank agency shall immediately notify the county assessor and
19 the county collector of such occupancy.

20 2. A land bank agency may acquire real property by
21 gift, devise, transfer, exchange, foreclosure, purchase, or
22 pursuant to sections 141.560 to 141.580 or section 141.821,
23 except a land bank agency shall not acquire property located
24 partially or wholly outside the boundaries of the county or
25 municipality that established such land bank agency. [For
26 purchases of real property not made through foreclosure or

45 If you are in favor of the question, place an "X"
46 in the box opposite "YES". If you are opposed to
47 the question, place an "X" in the box opposite
48 "NO".

49 3. If a majority of the votes cast on the proposal by
50 the qualified voters voting thereon are in favor of the

64 authorized by this section and such proposal is approved by
65 a majority of the qualified voters voting thereon.

66 4. All revenue received by a district from the tax
67 authorized pursuant to this section shall be deposited in a
68 special trust fund, and be used solely for the purposes
69 specified in the proposal submitted pursuant to this section
70 for so long as the tax shall remain in effect.

71 5. All sales taxes collected by the director of

101 refunds or overpayment of the tax and to redeem dishonored
102 checks and drafts deposited to the credit of such accounts.
103 After one year has elapsed after the effective date of

107 director of revenue shall notify each district of each
108 instance of any amount refunded or any check redeemed from
109 receipts due the district.

110 7. Except as modified in this section, all provisions
111 of sections 32.085 and 32.087 shall apply to the tax imposed
112 pursuant to this section.

321.905. 1. For the purposes of this section, the

25 ad valorem taxes on all real property located within the

political subdivision for the purposes of providing fire protection services; provided that, no ordinance or order enacted pursuant to this subsection shall be effective unless the governing body submits to the voters of the political subdivision a proposal to authorize the governing body to impose such tax. The ballot of submission shall contain, but need not be limited to, the following language:

(Place an X in the square opposite the one for which you wish to vote.)

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the political subdivision shall have no power to impose the property tax as herein authorized unless and until the governing body of the political subdivision shall again have submitted another proposal to authorize the governing body to impose the property tax.

3. The governing body of any fire protection district, of any ambulance district, or of any political subdivision imposing a property tax pursuant to subsection 1 of this section, may, by a majority vote of its governing body, impose a sales tax of up to one percent, or, for ambulance districts, up to one-half of one percent, on all sales which

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the district or political subdivision shall have no power to impose the sales tax and reduce the property tax as herein authorized unless and until the governing body of the district or political

89 authorize the governing body to impose the sales tax and
90 reduce the property tax.

91 5. The total property tax levy subject to reduction
92 pursuant to this section shall not include those taxes
93 levied to retire indebtedness.

94 6. Each year in which a sales tax is imposed pursuant
95 to this section, the ambulance district, fire protection
96 district, or political subdivision shall, after determining
97 its budget for the provision of ambulance or fire protection
