2 Dental Hygienist Compact. The purposes of this Compact are to facilitate the interstate  
3 practice of dentistry and dental hygiene and improve public access to dentistry and  
4 dental hygiene services by providing Dentists and Dental Hygienists licensed in a  
5 Participating State the ability to practice in Participating States in which they are not  
6 licensed. The Compact does this by establishing a pathway for Dentists and Dental  
7 Hygienists licensed in a Participating State to obtain a Compact Privilege that  
8 authorizes them to practice in another Participating State in which they are not licensed.  
9 The Compact enables Participating States to protect the public health and safety with  
10 respect to the practice of such Dentists and Dental Hygienists, through the State's  
11 authority to regulate the practice of dentistry and dental hygiene in the State. The  
12 Compact:

13 (1) Enables Dentists and Dental Hygienists who qualify for a Compact Privilege  
14 to practice in other Participating States without satisfying burdensome and duplicative  
15 requirements associated with securing a License to practice in those States;

- 16           **(2) Promotes mobility and addresses workforce shortages through each**  
17 **Participating State's acceptance of a Compact Privilege to practice in that State;**
- 18           **(3) Increases public access to qualified, licensed Dentists and Dental Hygienists**  
19 **by creating a responsible, streamlined pathway for Licensees to practice in Participating**  
20 **States;**
- 21           **(4) Enhances the ability of Participating States to protect the public's health and**  
22 **safety;**
- 23           **(5) Does not interfere with licensure requirements established by a Participating**  
24 **State;**
- 25           **(6) Facilitates the sharing of licensure and disciplinary information among**  
26 **Participating States;**
- 27           **(7) Requires Dentists and Dental Hygienists who practice in a Participating State**  
28 **pursuant to a Compact Privilege to practice within the Scope of Practice authorized in**  
29 **that State;**
- 30           **(8) Extends the authority of a Participating State to regulate the practice of**  
31 **dentistry and dental hygiene within its borders to Dentists and Dental Hygienists who**

48 **revoke or remove a Licensee's Compact Privilege in the Remote State for a specific**  
49 **period of time and impose fines or take any other necessary actions to protect the health**  
50 **and safety of its citizens. If a Remote State imposes an Adverse Action against a**  
51 **Compact Privilege that limits the Compact Privilege, that Adverse Action applies to all**  
52 **Compact Privileges in all Remote States. A Licensee whose Compact Privilege in a**  
53 **Remote State is removed for a specified period of time is not eligible for a Compact**  
54 **Privilege in any other Remote State until the specific time for removal of the Compact**  
55 **Privilege has passed and all encumbrance requirements are satisfied.**

56           **5. If a License in a Participating State is an Encumbered License, the Licensee**  
57 **shall lose the Compact Privilege in a Remote State and shall not be eligible for a**  
58 **Compact Privilege in any Remote State until the License is no longer encumbered.**

59           **6. Once an Encumbered License in a Participating State is restored to good**  
60 **standing, the Licensee must meet the requirements of subsection 1 of this section to**  
61 **obtain a Compact Privilege in a Remote State.**

62           **7. If a Licensee's Compact Privilege in a Remote State is removed by the Remote**  
63 **State, the individual shall lose or be ineligible for the Compact Privilege in any Remote**  
64 **State until the following occur:**

65           **(1) The specific period of time for which the Compact Privilege was removed has**  
66 **ended; and**

67           **(2) All conditions for removal of the Compact Privilege have been satisfied.**

68           **8. Once the requirements of subsection 7 of this section have been met, the**  
69 **Licensee must meet the requirements in subsection 1 of this section to obtain a Compact**  
70 **Privilege in a Remote State.**

**332.720. An Active Military Member and their spouse shall not be required to**  
2 **pay to the Commission for a Compact Privilege the fee otherwise charged by the**  
3 **Commission. If a Remote State chooses to charge a fee for a Compact Privilege, it may**  
4 **choose to charge a reduced fee or no fee to an Active Military Member and their spouse**  
5 **for a Compact Privilege.**

**332.725. 1. A Participating State in which a Licensee is licensed shall have**  
2 **exclusive authority to impose Adverse Action against the Qualifying License issued by**  
3 **that Participating State.**

4           **2. A Participating State may take Adverse Action based on the Significant**  
5 **Investigative Information of a Remote State, so long as the Participating State follows its**  
6 **own procedures for imposing Adverse Action.**

7           **3. Nothing in this Compact shall override a Participating State's decision that**  
8 **participation in an Alternative Program may be used in lieu of Adverse Action and that**  
9 **such participation shall remain non-public if required by the Participating State's laws.**  
10 **Participating States must require Licensees who enter any Alternative Program in lieu**  
11 **of discipline to agree not to practice pursuant to a Compact Privilege in any other**  
12 **Participating State during the term of the Alternative Program without prior**  
13 **authorization from such other Participating State.**

14           **4. Any Participating State in which a Licensee is applying to practice or is**  
15 **practicing pursuant to a Compact Privilege may investigate actual or alleged violations**  
16 **of the statutes and regulations authorizing the practice of dentistry or dental hygiene in**  
17 **any other Participating State in which the Dentist or Dental Hygienist holds a License or**  
18 **Compact Privilege.**

19           **5. A Remote State shall have the authority to:**

20           **(1) Take Adverse Actions as set forth in subsection 4 of section 332.715 against a**  
21 **Licensee's Compact Privilege in the State;**

22           **(2) In furtherance of its rights and responsibilities under the Compact and the**  
23 **Commission's Rules issue subpoenas for both hearings and investigations that require**  
24 **the attendance and testimony of witnesses, and the production of evidence. Subpoenas**  
25 **issued by a State Licensing Authority in a Participating State for the attendance and**  
26 **testimony of witnesses, or the production of evidence from another Participating State,**  
27 **shall be enforced in the latter State by any court of competent jurisdiction, according to**  
28 **the practice and procedure of that court applicable to subpoenas issued in proceedings**  
29 **pending before it. The issuing authority shall pay any witness fees, travel expenses,**

30 mileage, and other fees required by the service statutes of the State where the witnesses  
31 or evidence are located; and

32 (3) If otherwise permitted by State law, recover from the Licensee the costs of  
33 investigations and disposition of cases resulting from any Adverse Action taken against  
34 that Licensee.

35 6. (1) In addition to the authority granted to a Participating State by its Dentist  
36 or Dental Hygienist licensure act or other applicable State law, a Participating State  
37 may jointly investigate Licensees with other Participating States.

38 (2) Participating States shall share any Significant Investigative Information,  
39 litigation, or compliance materials in furtherance of any joint or individual investigation  
40 initiated under the Compact.

41 7. (1) After a Licensee's Compact Privilege in a Remote State is terminated, the  
42 Remote State may continue an investigation of the Licensee that began when the  
43 Licensee had a Compact Privilege in that Remote State.

44 (2) If the investigation yields what would be Significant Investigative  
45 Information had the Licensee continued to have a Compact Privilege in that Remote  
46 State, the Remote State shall report the presence of such information to the Data System  
47 as required by subdivision (6) of subsection 2 of section 332.735 as if it was Significant  
48 Investigative Information.

332.730. 1. The Compact Participating States hereby create and establish a joint  
2 government agency whose membership consists of all Participating States that have  
3 enacted the Compact. The Commission is an instrumentality of the Participating States  
4 acting jointly and not an instrumentality of any one State. The Commission shall come  
5 into existence on or after the effective date of the Compact as set forth in subsection 1 of  
6 section 332.750.

7 2. (1) Each Participating State shall have and be limited to one (1)  
8 Commissioner selected by that Participating State's State Licensing Authority or, if  
9 the State has more than one State Licensing Authority, selected collectively by the State  
10 Licensing Authorities.

11 (2) The Commissioner shall be a member or designee of such Authority or  
12 Authorities.

13 (3) The Commission may by Rule or bylaw establish a term of office for  
14 Commissioners and may by Rule or bylaw establish term limits.

15 (4) The Commission may recommend to a State Licensing Authority or  
16 Authorities, as applicable, removal or suspension of an individual as the State's  
17 Commissioner.

18           **(5) A Participating State's State Licensing Authority, or Authorities, as**  
19 **applicable, shall fill any vacancy of its Commissioner on the Commission within sixty**  
20 **(60) days of the vacancy.**

21           **(6) Each Commissioner shall be entitled to one vote on all matters that are voted**  
22 **upon by the Commission.**

23           **(7) The Commission shall meet at least once during each calendar year.**  
24 **Additional meetings may be held as set forth in the bylaws. The Commission may meet**  
25 **by telecommunication, video conference or other similar electronic means.**

26           **3. The Commission shall have the following powers:**

27           **(1) Establish the fiscal year of the Commission;**

28           **(2) Establish a code of conduct and conflict of interest policies;**

29           **(3) Adopt Rules and bylaws;**

30           **(4) Maintain its financial records in accordance with the bylaws;**

37 **State as the authenticated business records of the Commission, and designate a person**  
38 **to do so on the Commission's behalf;**

39           **(8) Purchase and maintain insurance and bonds;**

40           **(9) Borrow, accept, or contract for services of personnel, including, but not**  
41 **limited to, employees of a Participating State;**

42           **(10) Conduct an annual financial review;**

43           **(11) Hire employees, elect or appoint officers, fix compensation, define duties,**  
44 **grant such individuals appropriate authority to carry out the purposes of the Compact,**  
45 **and establish the Commission's personnel policies and programs relating to conflicts of**  
46 **interest, qualifications of personnel, and other related personnel matters;**

47           **(12) As set forth in the Commission Rules, charge a fee to a Licensee for the**  
48 **grant of a Compact Privilege in a Remote State and thereafter, as may be established by**  
49 **Commission Rule, charge the Licensee a Compact Privilege renewal fee for each**  
50 **renewal period in which that Licensee exercises or intends to exercise the Compact**  
51 **Privilege in that Remote State. Nothing herein shall be construed to prevent a Remote**  
52 **State from charging a Licensee a fee for a Compact Privilege or renewals of a Compact**  
53 **Privilege, or a fee for the Jurisprudence Requirement if the Remote State imposes such**  
54 **a requirement for the grant of a Compact Privilege;**

55           **(13) Accept any and all appropriate gifts, donations, grants of money, other**  
56 **sources of revenue, equipment, supplies, materials, and services, and receive, utilize, and**  
57 **dispose of the same; provided that at all times the Commission shall avoid any**  
58 **appearance of impropriety and/or conflict of interest;**

59           **(14) Lease, purchase, retain, own, hold, improve, or use any property, real,**  
60 **personal, or mixed, or any undivided interest therein;**

61           **(15) Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise**  
62 **dispose of any property real, personal, or mixed;**

63           **(16) Establish a budget and make expenditures;**

64           **(17) Borrow money;**

65           **(18) Appoint committees, including standing committees, which may be**  
66 **composed of members, State regulators, State legislators or their representatives, and**  
67 **consumer representatives, and such other interested persons as may be designated in**  
68 **this Compact and the bylaws;**

69           **(19) Provide and receive information from, and cooperate with, law enforcement**  
70 **agencies;**

71           **(20) Elect a Chair, Vice Chair, Secretary and Treasurer and such other officers**  
72 **of the Commission as provided in the Commission's bylaws;**

73           **(21) Establish and elect an Executive Board;**

74           **(22) Adopt and provide to the Participating States an annual report;**

75           **(23) Determine whether a State's enacted compact is materially different from**  
76 **the Model Compact language such that the State would not qualify for participation in**  
77 **the Compact; and**

78           **(24) Perform such other functions as may be necessary or appropriate to achieve**  
79 **the purposes of this Compact.**

80           **4. (1) All meetings of the Commission that are not closed pursuant to this**

84 **convene an emergency public meeting by providing at least twenty-four (24) hours prior**  
85 **notice on the Commission's website, and any other means as provided in the**  
86 **Commission's Rules, for any of the reasons it may dispense with notice of proposed**  
87 **rulemaking under subsection 12 of section 332.740. The Commission's legal counsel**  
88 **shall certify that one of the reasons justifying an emergency public meeting has been**  
89 **met.**

90           **(3) Notice of all Commission meetings shall provide the time, date, and location**  
91 **of the meeting, and if the meeting is to be held or accessible via telecommunication,**

92 video conference, or other electronic means, the notice shall include the mechanism for  
93 access to the meeting through such means.

94 (4) The Commission may convene in a closed, non-public meeting for the  
95 Commission to receive legal advice or to discuss:

96 (a) Non-compliance of a Participating State with its obligations under the

119 (5) If a meeting, or portion of a meeting, is closed, the presiding officer shall state

122 (6) The Commission shall keep minutes that fully and clearly describe all

130 **expenses of its establishment, organization, and ongoing activities.**

131           **(2) The Commission may accept any and all appropriate sources of revenue,**  
132 **donations, and grants of money, equipment, supplies, materials, and services.**

133           **(3) The Commission may levy on and collect an annual assessment from each**  
134 **Participating State and impose fees on Licensees of Participating States when a**

136 **Commission and its staff, which must be in a total amount sufficient to cover its annual**  
137 **budget as approved each fiscal year for which sufficient revenue is not provided by**  
138 **other sources. The aggregate annual assessment amount for Participating States shall**  
139 **be allocated based upon a formula that the Commission shall promulgate by Rule.**

140           **(4) The Commission shall not incur obligations of any kind prior to securing the**  
141 **funds adequate to meet the same; nor shall the Commission pledge the credit of any**

176 **may elect up to three (3) voting members from the current membership of the**  
177 **Commission.**

178           **(3) The Commission may remove any member of the Executive Board as**  
179 **provided in the Commission's bylaws.**

180           **(4) The Executive Board shall meet at least annually.**

181           **(a) An Executive Board meeting at which it takes or intends to take formal**  
182 **action on a matter shall be open to the public, except that the Executive Board may meet**  
183 **in a closed, non-public session of a public meeting when dealing with any of the matters**  
184 **covered under subdivision (4) of subsection 4 of this section.**

185           **(b) The Executive Board shall give five (5) business days' notice of its public**

193           **(c) Protect public health and safety.**

194           **7. (1) The members, officers, executive director, employees and representatives**  
195 **of the Commission shall be immune from suit and liability, both personally and in their**  
196 **official capacity, for any claim for damage to or loss of property or personal injury or**  
197 **other civil liability caused by or arising out of any actual or alleged act, error, or**  
198 **omission that occurred, or that the person against whom the claim is made had a**  
199 **reasonable basis for believing occurred within the scope of Commission employment,**  
200 **duties or responsibilities; provided that nothing in this subdivision shall be construed to**  
201 **protect any such person from suit or liability for any damage, loss, injury, or liability**  
202 **caused by the intentional or willful or wanton misconduct of that person. The**

203 procurement of insurance of any type by the Commission shall not in any way  
204 compromise or limit the immunity granted hereunder.

205 (2) The Commission shall defend any member, officer, executive director,  
206 employee, and representative of the Commission in any civil action seeking to impose  
207 liability arising out of any actual or alleged act, error, or omission that occurred within  
208 the scope of Commission employment, duties, or responsibilities, or as determined by  
209 the Commission that the person against whom the claim is made had a reasonable basis  
210 for believing occurred within the scope of Commission employment, duties, or  
211 responsibilities; provided that nothing herein shall be construed to prohibit that  
212 person from retaining their own counsel at their own expense; and provided further,  
213 that the actual or alleged act, error, or omission did not result from that person's  
214 intentional or willful or wanton misconduct.

215 (3) Notwithstanding subdivision (1) of this subsection, should any member,  
216 officer, executive director, employee, or representative of the Commission be held liable  
217 for the amount of any settlement or judgment arising out of any actual or alleged act,  
218 error, or omission that occurred within the scope of that individual's employment,  
219 duties, or responsibilities for the Commission, or that the person to whom that  
220 individual is liable had a reasonable basis for believing occurred within the scope of the  
221 individual's employment, duties, or responsibilities for the Commission, the  
222 Commission shall indemnify and hold harmless such individual, provided that the  
223 actual or alleged act, error, or omission did not result from the intentional or willful or  
224 wanton misconduct of the individual.

225 (4) Nothing herein shall be construed as a limitation on the liability of any  
226 Licensee for professional malpractice or misconduct, which shall be governed solely by  
227 any other applicable State laws.

228 (5) Nothing in this Compact shall be interpreted to waive or otherwise abrogate  
229 a Participating State's state action immunity or state action affirmative defense with  
230 respect to antitrust claims under the Sherman Act, Clayton Act, or any other State or  
231 federal antitrust or anticompetitive law or regulation.

232 (6) Nothing in this Compact shall be construed to be a waiver of sovereign  
233 immunity by the Participating States or by the Commission.

332.735. 1. The Commission shall provide for the development, maintenance,  
2 operation, and utilization of a coordinated database and reporting system containing  
3 licensure, Adverse Action, and the presence of Significant Investigative Information on  
4 all Licensees and applicants for a License in Participating States.

5 2. Notwithstanding any other provision of State law to the contrary, a  
6 Participating State shall submit a uniform data set to the Data System on all individuals

7 to whom this Compact is applicable as required by the Rules of the Commission,  
8 including:

- 9 (1) Identifying information;
- 10 (2) Licensure data;
- 11 (3) Adverse Actions against a Licensee, License applicant or Compact Privilege  
12 and information related thereto;
- 13 (4) Non-confidential information related to Alternative Program participation,  
14 the beginning and ending dates of such participation, and other information related to  
15 such participation;
- 16 (5) Any denial of an application for licensure, and the reason or reasons for such  
17 denial, (excluding the reporting of any criminal history record information where  
18 prohibited by law);
- 19 (6) The presence of Significant Investigative Information; and
- 20 (7) Other information that may facilitate the administration of this Compact or  
21 the protection of the public, as determined by the Rules of the Commission.

22 3. The records and information provided to a Participating State pursuant to  
23 this Compact or through the Data System, when certified by the Commission or an  
24 agent thereof, shall constitute the authenticated business records of the Commission,  
25 and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-  
26 judicial or administrative proceedings in a Participating State.

27 4. Significant Investigative Information pertaining to a Licensee in any  
28 Participating State will only be available to other Participating States.

29 5. It is the responsibility of the Participating States to monitor the database to  
30 determine whether Adverse Action has been taken against a Licensee or License  
31 applicant. Adverse Action information pertaining to a Licensee or License applicant in  
32 any Participating State will be available to any other Participating State.

33 6. Participating States contributing information to the Data System may  
34 designate information that may not be shared with the public without the express  
35 permission of the contributing State.

36 7. Any information submitted to the Data System that is subsequently expunged  
37 pursuant to federal law or the laws of the Participating State contributing the  
38 information shall be removed from the Data System.

332.740. 1. The Commission shall promulgate reasonable Rules in order to  
2 effectively and efficiently implement and administer the purposes and provisions of the  
3 Compact. A Commission Rule shall be invalid and have no force or effect only if a court  
4 of competent jurisdiction holds that the Rule is invalid because the Commission  
5 exercised its rulemaking authority in a manner that is beyond the scope and purposes of

6 the Compact, or the powers granted hereunder, or based upon another applicable  
7 standard of review.

8       **2. The Rules of the Commission shall have the force of law in each Participating**  
9 **State, provided however that where the Rules of the Commission conflict with the laws**  
10 **of the Participating State that establish the Participating State's Scope of Practice as**  
11 **held by a court of competent jurisdiction, the Rules of the Commission shall be**  
12 **ineffective in that State to the extent of the conflict.**

13       **3. The Commission shall exercise its Rulemaking powers pursuant to the criteria**  
14 **set forth in this section and the Rules adopted thereunder. Rules shall become binding**  
15 **as of the date specified by the Commission for each Rule.**

16       **4. If a majority of the legislatures of the Participating States rejects a**  
17 **Commission Rule or portion of a Commission Rule, by enactment of a statute or**  
18 **resolution in the same manner used to adopt the Compact, within four (4) years of the**  
19 **date of adoption of the Rule, then such Rule shall have no further force and effect in any**  
20 **Participating State or to any State applying to participate in the Compact.**

21       **5. Rules shall be adopted at a regular or special meeting of the Commission.**

22       **6. Prior to adoption of a proposed Rule, the Commission shall hold a public**  
23 **hearing and allow persons to provide oral and written comments, data, facts, opinions,**  
24 **and arguments.**

25       **7. Prior to adoption of a proposed Rule by the Commission, and at least thirty**  
26 **(30) days in advance of the meeting at which the Commission will hold a public hearing**  
27 **on the proposed Rule, the Commission shall provide a Notice of Proposed Rulemaking:**

28       **(1) On the website of the Commission or other publicly accessible platform;**

29       **(2) To persons who have requested notice of the Commission's notices of**  
30 **proposed rulemaking; and**

31       **(3) In such other way or ways as the Commission may by Rule specify.**

32       **8. The Notice of Proposed Rulemaking shall include:**

33       **(1) The time, date, and location of the public hearing at which the Commission**  
34 **will hear public comments on the proposed Rule and, if different, the time, date, and**  
35 **location of the meeting where the Commission will consider and vote on the proposed**  
36 **Rule;**

37       **(2) If the hearing is held via telecommunication, video conference, or other**  
38 **electronic means, the Commission shall include the mechanism for access to the hearing**  
39 **in the Notice of Proposed Rulemaking;**

40       **(3) The text of the proposed Rule and the reason therefor;**

41       **(4) A request for comments on the proposed Rule from any interested person;**

42 **and**

43           **(5) The manner in which interested persons may submit written comments.**

44           **9. All hearings will be recorded. A copy of the recording and all written**  
45 **comments and documents received by the Commission in response to the proposed Rule**  
46 **shall be available to the public.**

47           **10. Nothing in this section shall be construed as requiring a separate hearing on**  
48 **each Commission Rule. Rules may be grouped for the convenience of the Commission**  
49 **at hearings required by this section.**

50           **11. The Commission shall, by majority vote of all Commissioners, take final**  
51 **action on the proposed Rule based on the rulemaking record.**

52           **(1) The Commission may adopt changes to the proposed Rule provided the**  
53 **changes do not enlarge the original purpose of the proposed Rule.**

54           **(2) The Commission shall provide an explanation of the reasons for substantive**  
55 **changes made to the proposed Rule as well as reasons for substantive changes not made**  
56 **that were recommended by commenters.**

57           **(3) The Commission shall determine a reasonable effective date for the Rule.**  
58 **Except for an emergency as provided in subsection 12 of this section, the effective date**  
59 **of the Rule shall be no sooner than thirty (30) days after the Commission issuing the**  
60 **notice that it adopted or amended the Rule.**

61           **12. Upon determination that an emergency exists, the Commission may consider**  
62 **and adopt an emergency Rule with 24 hours' notice, with opportunity to comment,**  
63 **provided that the usual rulemaking procedures provided in the Compact and in this**  
64 **section shall be retroactively applied to the Rule as soon as reasonably possible, in no**  
65 **event later than ninety (90) days after the effective date of the Rule. For the purposes of**  
66 **this provision, an emergency Rule is one that must be adopted immediately in order to:**

67           **(1) Meet an imminent threat to public health, safety, or welfare;**

68           **(2) Prevent a loss of Commission or Participating State funds;**

69           **(3) Meet a deadline for the promulgation of a Rule that is established by federal**  
70 **law or rule; or**

71           **(4) Protect public health and safety.**

72           **13. The Commission or an authorized committee of the Commission may direct**  
73 **revisions to a previously adopted Rule for purposes of correcting typographical errors,**  
74 **errors in format, errors in consistency, or grammatical errors. Public notice of any**  
75 **revisions shall be posted on the website of the Commission. The revision shall be subject**  
76 **to challenge by any person for a period of thirty (30) days after posting. The revision**  
77 **may be challenged only on grounds that the revision results in a material change to a**  
78 **Rule. A challenge shall be made in writing and delivered to the Commission prior to the**  
79 **end of the notice period. If no challenge is made, the revision will take effect without**

80 further action. If the revision is challenged, the revision may not take effect without the  
81 approval of the Commission.

82 14. No Participating State's rulemaking requirements shall apply under this  
83 Compact.

332.745. 1. (1) The executive and judicial branches of State government in each  
2 Participating State shall enforce this Compact and take all actions necessary and  
3 appropriate to implement the Compact.

4 (2) Venue is proper and judicial proceedings by or against the Commission shall  
5 be brought solely and exclusively in a court of competent jurisdiction where the  
6 principal office of the Commission is located. The Commission may waive venue and  
7 jurisdictional defenses to the extent it adopts or consents to participate in alternative  
8 dispute resolution proceedings. Nothing herein shall affect or limit the selection or  
9 propriety of venue in any action against a Licensee for professional malpractice,  
10 misconduct or any such similar matter.

11 (3) The Commission shall be entitled to receive service of process in any  
12 proceeding regarding the enforcement or interpretation of the Compact or Commission  
13 Rule and shall have standing to intervene in such a proceeding for all purposes. Failure  
14 to provide the Commission service of process shall render a judgment or order void as  
15 to the Commission, this Compact, or promulgated Rules.

16 2. (1) If the Commission determines that a Participating State has defaulted in  
17 the performance of its obligations or responsibilities under this Compact or the  
18 promulgated Rules, the Commission shall provide written notice to the defaulting State.  
19 The notice of default shall describe the default, the proposed means of curing the  
20 default, and any other action that the Commission may take, and shall offer training  
21 and specific technical assistance regarding the default.

22 (2) The Commission shall provide a copy of the notice of default to the other  
23 Participating States.

24 3. If a State in default fails to cure the default, the defaulting State may be  
25 terminated from the Compact upon an affirmative vote of a majority of the  
26 Commissioners, and all rights, privileges and benefits conferred on that State by this  
27 Compact may be terminated on the effective date of termination. A cure of the default  
28 does not relieve the offending State of obligations or liabilities incurred during the  
29 period of default.

30 4. Termination of participation in the Compact shall be imposed only after all  
31 other means of securing compliance have been exhausted. Notice of intent to suspend or  
32 terminate shall be given by the Commission to the governor, the majority and minority  
33 leaders of the defaulting State's legislature, the defaulting State's State Licensing

34 Authority or Authorities, as applicable, and each of the Participating States' State  
35 Licensing Authority or Authorities, as applicable.

36 5. A State that has been terminated is responsible for all assessments,  
37 obligations, and liabilities incurred through the effective date of termination, including  
38 obligations that extend beyond the effective date of termination.

39 6. Upon the termination of a State's participation in this Compact, that State  
40 shall immediately provide notice to all Licensees of the State, including Licensees of  
41 other Participating States issued a Compact Privilege to practice within that State, of  
42 such termination. The terminated State shall continue to recognize all Compact  
43 Privileges then in effect in that State for a minimum of one hundred eighty (180) days  
44 after the date of said notice of termination.

45 7. The Commission shall not bear any costs related to a State that is found to be  
46 in default or that has been terminated from the Compact, unless agreed upon in writing  
47 between the Commission and the defaulting State.

48 8. The defaulting State may appeal the action of the Commission by petitioning  
49 the U.S. District Court for the District of Columbia or the federal district where the  
50 Commission has its principal offices. The prevailing party shall be awarded all costs of  
51 such litigation, including reasonable attorney's fees.

52 9. (1) Upon request by a Participating State, the Commission shall attempt to  
53 resolve disputes related to the Compact that arise among Participating States and  
54 between Participating States and non-Participating States.

55 (2) The Commission shall promulgate a Rule providing for both mediation and  
56 binding dispute resolution for disputes as appropriate.

57 10. (1) The Commission, in the reasonable exercise of its discretion, shall enforce  
58 the provisions of this Compact and the Commission's Rules.

59 (2) By majority vote, the Commission may initiate legal action against a  
60 Participating State in default in the United States District Court for the District of  
61 Columbia or the federal district where the Commission has its principal offices to  
62 enforce compliance with the provisions of the Compact and its promulgated Rules. The  
63 relief sought may include both injunctive relief and damages. In the event judicial  
64 enforcement is necessary, the prevailing party shall be awarded all costs of such  
65 litigation, including reasonable attorney's fees. The remedies herein shall not be the  
66 exclusive remedies of the Commission. The Commission may pursue any other  
67 remedies available under federal or the defaulting Participating State's law.

68 (3) A Participating State may initiate legal action against the Commission in the  
69 U.S. District Court for the District of Columbia or the federal district where the  
70 Commission has its principal offices to enforce compliance with the provisions of the

71 Compact and its promulgated Rules. The relief sought may include both injunctive  
72 relief and damages. In the event judicial enforcement is necessary, the prevailing party  
73 shall be awarded all costs of such litigation, including reasonable attorney's fees.

74 (4) No individual or entity other than a Participating State may enforce this  
75 Compact against the Commission.

332.750. 1. The Compact shall come into effect on the date on which the  
2 Compact statute is enacted into law in the seventh Participating State.

3 (1) On or after the effective date of the Compact, the Commission shall convene  
4 and review the enactment of each of the States that enacted the Compact prior to the  
5 Commission convening ("Charter Participating States") to determine if the statute  
6 enacted by each such Charter Participating State is materially different than the Model  
7 Compact.

8 (a) A Charter Participating State whose enactment is found to be materially  
9 different from the Model Compact shall be entitled to the default process set forth in  
10 section 332.745.

11 (b) If any Participating State is later found to be in default, or is terminated or  
12 withdraws from the Compact, the Commission shall remain in existence and the  
13 Compact shall remain in effect even if the number of Participating States should be less  
14 than seven (7).

15 (2) Participating States enacting the Compact subsequent to the Charter  
16 Participating States shall be subject to the process set forth in subdivision (23) of  
17 subsection 3 of section 332.730 to determine if their enactments are materially different  
18 from the Model Compact and whether they qualify for participation in the Compact.

19 (3) All actions taken for the benefit of the Commission or in furtherance of the  
20 purposes of the administration of the Compact prior to the effective date of the Compact  
21 or the Commission coming into existence shall be considered to be actions of the  
22 Commission unless specifically repudiated by the Commission.

23 (4) Any State that joins the Compact subsequent to the Commission's initial  
24 adoption of the Rules and bylaws shall be subject to the Commission's Rules and bylaws  
25 as they exist on the date on which the Compact becomes law in that State. Any Rule  
26 that has been previously adopted by the Commission shall have the full force and effect  
27 of law on the day the Compact becomes law in that State.

28 2. Any Participating State may withdraw from this Compact by enacting a  
29 statute repealing that State's enactment of the Compact.

30 (1) A Participating State's withdrawal shall not take effect until one hundred  
31 eighty (180) days after enactment of the repealing statute.

32           **(2) Withdrawal shall not affect the continuing requirement of the withdrawing**  
33 **State's Licensing Authority or Authorities to comply with the investigative and Adverse**  
34 **Action reporting requirements of this Compact prior to the effective date of withdrawal.**

35           **(3) Upon the enactment of a statute withdrawing from this Compact, the State**  
36 **shall immediately provide notice of such withdrawal to all Licensees within that State.**  
37 **Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing**  
38 **State shall continue to recognize all Compact Privileges to practice within that State**  
39 **granted pursuant to this Compact for a minimum of one hundred eighty (180) days after**  
40 **the date of such notice of withdrawal.**

41           **3. Nothing contained in this Compact shall be construed to invalidate or prevent**  
42 **any licensure agreement or other cooperative arrangement between a Participating**  
43 **State and a non-Participating State that does not conflict with the provisions of this**  
44 **Compact.**

45           **4. This Compact may be amended by the Participating States. No amendment to**  
46 **this Compact shall become effective and binding upon any Participating State until it is**  
47 **enacted into the laws of all Participating States.**

**332.755. 1. This Compact and the Commission's rulemaking authority shall be**  
2 **liberally construed so as to effectuate the purposes, and the implementation and**  
3 **administration of the Compact. Provisions of the Compact expressly authorizing or**  
4 **requiring the promulgation of Rules shall not be construed to limit the Commission's**  
5 **rulemaking authority solely for those purposes.**

6           **2. The provisions of this Compact shall be severable and if any phrase, clause,**  
7 **sentence or provision of this Compact is held by a court of competent jurisdiction to be**  
8 **contrary to the constitution of any Participating State, a State seeking participation in**  
9 **the Compact, or of the United States, or the applicability thereof to any government,**  
10 **agency, person or circumstance is held to be unconstitutional by a court of competent**  
11 **jurisdiction, the validity of the remainder of this Compact and the applicability thereof**  
12 **to any other government, agency, person or circumstance shall not be affected thereby.**

13           **3. Notwithstanding subsection 2 of this section, the Commission may deny a**  
14 **State's participation in the Compact or, in accordance with the requirements of**  
15 **subsection 2 of section 332.745, terminate a Participating State's participation in the**  
16 **Compact, if it determines that a constitutional requirement of a Participating State is a**  
17 **material departure from the Compact. Otherwise, if this Compact shall be held to be**  
18 **contrary to the constitution of any Participating State, the Compact shall remain in full**  
19 **force and effect as to the remaining Participating States and in full force and effect as to**  
20 **the Participating State affected as to all severable matters.**

**332.760. 1. Nothing herein shall prevent or inhibit the enforcement of any other  
2 law of a Participating State that is not inconsistent with the Compact.**

**3 2. Any laws, statutes, regulations, or other legal requirements in a Participating  
4 State in conflict with the Compact are superseded to the extent of the conflict.**

**5 3. All permissible agreements between the Commission and the Participating  
6 States are binding in accordance with their terms.**
