56 (6) The Missouri charter public school commission created in section 160.425.

57 4. Changes in a school district's accreditation status that affect charter schools shall be  
58 addressed as follows, except for the districts described in subdivisions (1) ~~and~~, (2), and (7)  
59 of subsection 2 of this section:

60 (1) As a district transitions from unaccredited to provisionally accredited, the district  
61 shall continue to fall under the requirements for an unaccredited district until it achieves three

70 accredited without provisions and shall not be limited to the local school board as a sponsor.

71

72 A charter school operating in a school district identified in subdivision (1), (2), ~~or~~ (5), or (7)  
73 of subsection 2 of this section may be sponsored by any of the entities identified in subsection  
74 3 of this section, irrespective of the accreditation classification of the district in which it is  
75 located. A charter school in a district described in this subsection whose charter provides for  
76 the addition of grade levels in subsequent years may continue to add levels until the planned  
77 expansion is complete to the extent of grade levels in comparable schools of the district in  
78 which the charter school is operated.

79 5. The mayor of a city not within a county may request a sponsor under subdivision  
80 (2), (3), (4), (5), or (6) of subsection 3 of this section to consider sponsoring a "workplace  
81 charter school", which is defined for purposes of sections 160.400 to 160.425 as a charter  
82 school with the ability to target prospective students whose parent or parents are employed in  
83 a business district, as defined in the charter, which is located in the city.

84 6. No sponsor shall receive from an applicant for a charter school any fee of any type  
85 for the consideration of a charter, nor may a sponsor condition its consideration of a charter  
86 on the promise of future payment of any kind.

87 7. The charter school shall be organized as a Missouri nonprofit corporation  
88 incorporated pursuant to chapter 355. The charter provided for herein shall constitute a  
89 contract between the sponsor and the charter school.

90           8. As a nonprofit corporation incorporated pursuant to chapter 355, the charter school  
91 shall select the method for election of officers pursuant to section 355.326 based on the class  
92 of corporation selected. Meetings of the governing board of the charter school shall be  
93 subject to the provisions of sections 610.010 to 610.030.

94           9. A sponsor of a charter school, its agents and employees are not liable for any acts  
95 or omissions of a charter school that it sponsors, including acts or omissions relating to the  
96 charter submitted by the charter school, the operation of the charter school and the  
97 performance of the charter school.

98           10. A charter school may affiliate with a four-year college or university, including a  
99 private college or university, or a community college as otherwise specified in subsection 3 of  
100 this section when its charter is granted by a sponsor other than such college, university or  
101 community college. Affiliation status recognizes a relationship between the charter school  
102 and the college or university for purposes of teacher training and staff development,  
103 curriculum and assessment development, use of physical facilities owned by or rented on  
104 behalf of the college or university, and other similar purposes. A university, college or  
105 community college may not charge or accept a fee for affiliation status.

106           11. The expenses associated with sponsorship of charter schools shall be defrayed by  
107 the department of elementary and secondary education retaining one and five-tenths percent  
108 of the amount of state and local funding allocated to the charter school under section 160.415,  
109 not to exceed one hundred twenty-five thousand dollars, adjusted for inflation. The  
110 department of elementary and secondary education shall remit the retained funds for each  
111 charter school to the school's sponsor, provided the sponsor remains in good standing by  
112 fulfilling its sponsorship obligations under sections 160.400 to 160.425 and 167.349 with  
113 regard to each charter school it sponsors, including appropriate demonstration of the  
114 following:

115           (1) Expends no less than ninety percent of its charter school sponsorship funds in  
116 support of its charter school sponsorship program, or as a direct investment in the sponsored  
117 schools;

118           (2) Maintains a comprehensive application process that follows fair procedures and  
119 rigorous criteria and grants charters only to those developers who demonstrate strong capacity  
120 for establishing and operating a quality charter school;

121           (3) Negotiates contracts with charter schools that clearly articulate the rights and  
122 responsibilities of each party regarding school autonomy, expected outcomes, measures for  
123 evaluating success or failure, performance consequences based on the annual performance  
124 report, and other material terms;

125 (4) Conducts contract oversight that evaluates performance, monitors compliance,  
126 informs intervention and renewal decisions, and ensures autonomy provided under applicable  
127 law; and

128 (5) Designs and implements a transparent and rigorous process that uses  
129 comprehensive data to make merit-based renewal decisions.

130 12. Sponsors receiving funds under subsection 11 of this section shall be required to  
131 submit annual reports to the joint committee on education demonstrating they are in  
132 compliance with subsection 17 of this section.

133 13. No university, college or community college shall grant a charter to a nonprofit  
134 corporation if an employee of the university, college or community college is a member of the  
135 corporation's board of directors.

136 14. No sponsor shall grant a charter under sections 160.400 to 160.425 and 167.349  
137 without ensuring that a criminal background check and family care safety registry check are  
138 conducted for all members of the governing board of the charter schools or the incorporators  
139 of the charter school if initial directors are not named in the articles of incorporation, nor shall  
140 a sponsor renew a charter without ensuring a criminal background check and family care  
141 safety registry check are conducted for each member of the governing board of the charter  
142 school.

143 15. No member of the governing board of a charter school shall hold any office or  
144 employment from the board or the charter school while serving as a member, nor shall the  
145 member have any substantial interest, as defined in section 105.450, in any entity employed  
146 by or contracting with the board. No board member shall be an employee of a company that  
147 provides substantial services to the charter school. All members of the governing board of the  
148 charter school shall be considered decision-making public servants as defined in section  
149 105.450 for the purposes of the financial disclosure requirements contained in sections  
150 105.483, 105.485, 105.487, and 105.489.

151 16. A sponsor shall develop the policies and procedures for:

152 (1) The review of a charter school proposal including an application that provides  
153 sufficient information for rigorous evaluation of the proposed charter and provides clear  
154 documentation that the education program and academic program are aligned with the state  
155 standards and grade-level expectations, and provides clear documentation of effective  
156 governance and management structures, and a sustainable operational plan;

157 (2) The granting of a charter;

158 (3) The performance contract that the sponsor will use to evaluate the performance of  
159 charter schools. Charter schools shall meet current state academic performance standards as  
160 well as other standards agreed upon by the sponsor and the charter school in the performance  
161 contract;

162 (4) The sponsor's intervention, renewal, and revocation policies, including the  
163 conditions under which the charter sponsor may intervene in the operation of the charter  
164 school, along with actions and consequences that may ensue, and the conditions for renewal  
165 of the charter at the end of the term, consistent with subsections 8 and 9 of section 160.405;

166 (5) Additional criteria that the sponsor will use for ongoing oversight of the charter;  
167 and

168 (6) Procedures to be implemented if a charter school should close, consistent with the  
169 provisions of subdivision (15) of subsection 1 of section 160.405.

170

171 The department shall provide guidance to sponsors in developing such policies and  
172 procedures.

173 17. (1) A sponsor shall provide timely submission to the state board of education of  
174 all data necessary to demonstrate that the sponsor is in material compliance with all  
175 requirements of sections 160.400 to 160.425 and section 167.349. The state board of  
176 education shall ensure each sponsor is in compliance with all requirements under sections  
177 160.400 to 160.425 and 167.349 for each charter school sponsored by any sponsor. The state  
178 board shall notify each sponsor of the standards for sponsorship of charter schools,  
179 delineating both what is mandated by statute and what best practices dictate. The state board  
180 shall evaluate sponsors to determine compliance with these standards every three years. The  
181 evaluation shall include a sponsor's policies and procedures in the areas of charter application  
182 approval; required charter agreement terms and content; sponsor performance evaluation and  
183 compliance monitoring; and charter renewal, intervention, and revocation decisions. Nothing  
184 shall preclude the department from undertaking an evaluation at any time for cause.

185 (2) If the department determines that a sponsor is in material noncompliance with its  
186 sponsorship duties, the sponsor shall be notified and given reasonable time for remediation.  
187 If remediation does not address the compliance issues identified by the department, the  
188 commissioner of education shall conduct a public hearing and thereafter provide notice to the  
189 charter sponsor of corrective action that will be recommended to the state board of education.  
190 Corrective action by the department may include withholding the sponsor's funding and  
191 suspending the sponsor's authority to sponsor a school that it currently sponsors or to sponsor  
192 any additional school until the sponsor is reauthorized by the state board of education under  
193 section 160.403.

194 (3) The charter sponsor may, within thirty days of receipt of the notice of the  
195 commissioner's recommendation, provide a written statement and other documentation to  
196 show cause as to why that action should not be taken. Final determination of corrective  
197 action shall be determined by the state board of education based upon a review of the  
198 documentation submitted to the department and the charter sponsor.

199 (4) If the state board removes the authority to sponsor a currently operating charter  
200 school under any provision of law, the Missouri charter public school commission shall  
201 become the sponsor of the school.

202 18. If a sponsor notifies a charter school of closure under subsection 8 of section  
203 160.405, the department of elementary and secondary education shall exercise its financial  
204 withholding authority under subsection 12 of section 160.415 to assure all obligations of the  
205 charter school shall be met. The state, charter sponsor, or resident district shall not be liable  
206 for any outstanding liability or obligations of the charter school.

160.415. 1. For the purposes of calculation and distribution of state school aid under  
2 section 163.031, pupils enrolled in a charter school shall be included in the pupil enrollment  
3 of the school district within which each pupil resides. Each charter school shall report the  
4 eligibility for free and reduced price lunch, special education, or limited English proficiency  
5 status, as well as eligibility for categorical aid, of pupils resident in a school district who are  
6 enrolled in the charter school to the school district in which those pupils reside. The charter  
7 school shall report the average daily attendance data, free and reduced price lunch count,  
8 special education pupil count, and limited English proficiency pupil count to the state  
9 department of elementary and secondary education. Each charter school shall promptly  
10 notify the state department of elementary and secondary education and the pupil's school  
11 district when a pupil discontinues enrollment at a charter school.

12 2. Except as provided in subsections 3 and 4 of this section, the aid payments for  
13 charter schools shall be as described in this subsection.

14 (1) A school district having one or more resident pupils attending a charter school  
15 shall pay to the charter school an annual amount equal to the product of the charter school's  
16 weighted average daily attendance and the state adequacy target, multiplied by the dollar  
17 value modifier for the district, plus local tax revenues per weighted average daily attendance  
18 from the incidental and teachers' funds in excess of the performance levy as defined in section  
19 163.011 plus all other state aid attributable to such pupils.

20 (2) The district of residence of a pupil attending a charter school shall also pay to the  
21 charter school any other federal or state aid that the district receives on account of such pupil.

22 (3) If the department overpays or underpays the amount due to the charter school,  
23 such overpayment or underpayment shall be repaid by the charter school or credited to the  
24 charter school in twelve equal payments in the next fiscal year.

25 (4) The amounts provided pursuant to this subsection shall be prorated for partial year  
26 enrollment for a pupil.

27 (5) A school district shall pay the amounts due pursuant to this subsection as the  
28 disbursal agent and no later than twenty days following the receipt of any such funds. The

29 department of elementary and secondary education shall pay the amounts due when it acts as  
30 the disbursal agent within five days of the required due date.

31         3. A workplace charter school shall receive payment for each eligible pupil as  
32 provided under subsection 2 of this section, except that if the pupil is not a resident of the  
33 district and is participating in a voluntary interdistrict transfer program, the payment for such  
34 pupils shall be the same as provided under section 162.1060.

35         4. A charter school that has declared itself as a local educational agency shall receive  
36 from the department of elementary and secondary education an annual amount equal to the  
37 product of the charter school's weighted average daily attendance and the state adequacy  
38 target, multiplied by the dollar value modifier for the district, plus local tax revenues per  
39 weighted average daily attendance from the incidental and teachers funds in excess of the  
40 performance levy as defined in section 163.011 plus all other state aid attributable to such  
41 pupils. If a charter school declares itself as a local educational agency, the department of  
42 elementary and secondary education shall, upon notice of the declaration, reduce the payment  
43 made to the school district by the amount specified in this subsection and pay directly to the  
44 charter school the annual amount reduced from the school district's payment.

45         5. If a school district fails to make timely payments of any amount for which it is the  
46 disbursal agent, the state department of elementary and secondary education shall authorize  
47 payment to the charter school of the amount due pursuant to subsection 2 of this section and  
48 shall deduct the same amount from the next state school aid apportionment to the owing  
49 school district. If a charter school is paid more or less than the amounts due pursuant to this  
50 section, the amount of overpayment or underpayment shall be adjusted equally in the next  
51 twelve payments by the school district or the department of elementary and secondary  
52 education, as appropriate. Any dispute between the school district and a charter school as to  
53 the amount owing to the charter school shall be resolved by the department of elementary and  
54 secondary education, and the department's decision shall be the final administrative action for  
55 the purposes of review pursuant to chapter 536. During the period of dispute, the department  
56 of elementary and secondary education shall make every administrative and statutory effort to  
57 allow the continued education of students in their current charter school setting.

58         6. The charter school and a local school board may agree by contract for services to  
59 be provided by the school district to the charter school. The charter school may contract with  
60 any other entity for services. Such services may include but are not limited to food service,  
61 custodial service, maintenance, management assistance, curriculum assistance, media  
62 services and libraries and shall be subject to negotiation between the charter school and  
63 the local school board or other entity. Documented actual costs of such services shall be paid  
64 for by the charter school.

65           7. In the case of a proposed charter school that intends to contract with an education  
66 service provider for substantial educational services or management services, the request for  
67 proposals shall additionally require the charter school applicant to:

68           (1) Provide evidence of the education service provider's success in serving student  
69 populations similar to the targeted population, including demonstrated academic achievement  
70 as well as successful management of nonacademic school functions, if applicable;

71           (2) Provide a term sheet setting forth the proposed duration of the service contract;  
72 roles and responsibilities of the governing board, the school staff, and the service provider;  
73 scope of services and resources to be provided by the service provider; performance  
74 evaluation measures and time lines; compensation structure, including clear identification of  
75 all fees to be paid to the service provider; methods of contract oversight and enforcement;  
76 investment disclosure; and conditions for renewal and termination of the contract;

77           (3) Disclose any known conflicts of interest between the school governing board and  
78 proposed service provider or any affiliated business entities;

79           (4) Disclose and explain any termination or nonrenewal of contracts for equivalent  
80 services for any other charter school in the United States within the past five years;

81           (5) Ensure that the legal counsel for the charter school shall report directly to the  
82 charter school's governing board; and

83           (6) Provide a process to ensure that the expenditures that the education service  
84 provider intends to bill to the charter school shall receive prior approval of the governing  
85 board or its designee.

86           8. A charter school may enter into contracts with community partnerships and state  
87 agencies acting in collaboration with such partnerships that provide services to students and  
88 their families linked to the school.

89           9. A charter school shall be eligible for transportation state aid pursuant to section  
90 163.161 and shall be free to contract with the local district, or any other entity, for the  
91 provision of transportation to the students of the charter school.

92           10. (1) The proportionate share of state and federal resources generated by students  
93 with disabilities or staff serving them shall be paid in full to charter schools enrolling those  
94 students by their school district where such enrollment is through a contract for services  
95 described in this section. The proportionate share of money generated under other federal or  
96 state categorical aid programs shall be directed to charter schools serving such students  
97 eligible for that aid.

98           (2) A charter school shall provide the special services provided pursuant to section  
99 162.705 and may provide the special services pursuant to a contract with a school district or  
100 any provider of such services.

101           11. A charter school shall not charge tuition or impose fees that a school district is  
102 prohibited from charging or imposing, except that a charter school may receive tuition  
103 payments from districts in the same or an adjoining county for nonresident students who  
104 transfer to an approved charter school, as defined in section 167.895, from an unaccredited  
105 district.

106           12. A charter school is authorized to incur debt in anticipation of receipt of funds. A  
107 charter school may also borrow to finance facilities and other capital items. A school district  
108 may incur bonded indebtedness or take other measures to provide for physical facilities and  
109 other capital items for charter schools that it sponsors or contracts with. Except as otherwise  
110 specifically provided in sections 160.400 to 160.425, upon the dissolution of a charter school,  
111 any liabilities of the corporation will be satisfied through the procedures of chapter 355. A  
112 charter school shall satisfy all its financial obligations within twelve months of notice from  
113 the sponsor of the charter school's closure under subsection 8 of section 160.405. After  
114 satisfaction of all its financial obligations, a charter school shall return any remaining state  
115 and federal funds to the department of elementary and secondary education for disposition as  
116 stated in subdivision (17) of subsection 1 of section 160.405. The department of elementary  
117 and secondary education may withhold funding at a level the department determines to be  
118 adequate during a school's last year of operation until the department determines that school  
119 records, liabilities, and reporting requirements, including a full audit, are satisfied.

120           13. Charter schools shall not have the power to acquire property by eminent domain.

121           14. The governing board of a charter school is authorized to accept grants, gifts or  
122 donations of any kind and to expend or use such grants, gifts or donations. A grant, gift or  
123 donation shall not be accepted by the governing board if it is subject to any condition contrary  
124 to law applicable to the charter school or other public schools, or contrary to the terms of the  
125 charter.

126           15. In addition to any state aid remitted to charter schools under this section, the  
127 department of elementary and secondary education shall remit to any charter school an  
128 amount equal to the weighted average daily attendance of the charter school multiplied by the  
129 difference of:

130           (1) The amount of state aid and local aid per weighted average daily attendance  
131 received by the school district in which the charter school is located, not including any funds  
132 remitted to charter schools in the district. For the purposes of this subdivision, the weighted  
133 average daily attendance of the school district shall not include the weighted average daily  
134 attendance of the charter schools located in the district; and

135           (2) The amount of state aid and local aid per weighted average daily attendance of the  
136 charter school received by the charter school.

137 16. Charter schools may adjust weighted average daily attendance pursuant to section  
138 163.036.

139 17. When calculating the amounts in subdivisions (1) and (2) of subsection 15 of this  
140 section, the department shall utilize the most current data to which the department has access.

141 18. For the purposes of subsection 15 of this section:

142 (1) The definitions contained in section 163.011, shall apply;

143 (2) The term "local aid" shall mean all local and county revenue received, including,  
144 but not limited to, the following:
