43 the risks and consequences of the abortion; that the minor is of sound mind and has sufficient
44 intellectual capacity to consent to the abortion; that, if the court does not grant the minor
45 majority rights for the purpose of consent to the abortion, the court should find that the
46 abortion is in the best interest of the minor and give judicial consent to the abortion; that the
47 court should appoint a guardian ad litem of the child; and if the minor does not have private
48 counsel, that the court should appoint counsel. The petition shall be signed by the minor or
49 the next friend;

50 (2) A hearing on the merits of the petition, to be held on the record, shall be held as
51 soon as possible within five days of the filing of the petition. If any party is unable to afford

63 (4) If the petition is allowed, the informed consent of the minor, pursuant to a court
64 grant of majority rights, or the judicial consent, shall bar an action by the parents or guardian
65 of the minor on the grounds of battery of the minor by those performing or inducing the
66 abortion. The immunity granted shall only extend to the performance or induction of the
67 abortion in accordance herewith and any necessary accompanying services which are
68 performed in a competent manner. The costs of the action shall be borne by the parties;

69 (5) An appeal from an order issued under the provisions of this section may be taken
70 to the court of appeals of this state by the minor or by a parent or guardian of the minor. The
71 notice of intent to appeal shall be given within twenty-four hours from the date of issuance of
72 the order. The record on appeal shall be completed and the appeal shall be perfected within
73 five days from the filing of notice to appeal. Because time may be of the essence regarding
74 the performance or induction of the abortion, the supreme court of this state shall, by court
75 rule, provide for expedited appellate review of cases appealed under this section.

76 3. If a minor desires an abortion, then she shall be orally informed of and, if possible,
77 sign the written consent required under this chapter in the same manner as an adult person.
78 No abortion shall be performed or induced on any minor against her will, except that an
79 abortion may be performed or induced against the will of a minor pursuant to a court order

5 children's division and to the appropriate prosecuting attorney. Upon receipt of the order, the
6 children's division shall list the individual as a perpetrator of child abuse or neglect in the
7 central registry.

17

18 the court shall enter an order directing the children's division to list the individual as a
19 perpetrator of child abuse or neglect in the central registry. The clerk shall send a certified
20 copy of the order to the children's division. Upon receipt of the order, the children's division
21 shall list the individual as a perpetrator of child abuse or neglect in the central registry.

210.145. 1. The division shall develop protocols which give priority to:

2 (1) Ensuring the well-being and safety of the child in instances where child abuse or
3 neglect has been alleged;

4 (2) Promoting the preservation and reunification of children and families consistent
5 with state and federal law;

6 (3) Providing due process for those accused of child abuse or neglect; and

7 (4) Maintaining an information system operating at all times, capable of receiving and
8 maintaining reports. This information system shall have the ability to receive reports over a
9 single, statewide toll-free number. Such information system shall maintain the results of all
10 investigations, family assessments and services, and other relevant information.

11 2. (1) The division shall utilize structured decision-making protocols, including a
12 standard risk assessment that shall be completed within seventy-two hours of the report of
13 abuse or neglect, for classification purposes of all child abuse and neglect reports. The
14 protocols developed by the division shall give priority to ensuring the well-being and safety
15 of the child. All child abuse and neglect reports shall be initiated within twenty-four hours
16 and shall be classified based upon the reported risk and injury to the child. The division shall
17 promulgate rules regarding the structured decision-making protocols to be utilized for all
18 child abuse and neglect reports.

19 (2) The director of the division and the office of state courts administrator shall
20 develop a joint safety assessment tool before December 31, 2020, and such tool shall be
21 implemented before January 1, 2022. The safety assessment tool shall replace the standard
22 risk assessment required under subdivision (1) of this subsection and shall also be completed
23 within seventy-two hours of the report of abuse or neglect.

24 3. Upon receipt of a report, the division shall determine if the report merits
25 investigation, including reports which if true would constitute a suspected violation of any of
26 the following: section 565.020, 565.021, 565.023, 565.024, or 565.050 if the victim is a child
27 less than eighteen years of age, section 566.030 or 566.060 if the victim is a child less than
28 eighteen years of age, or other crimes under chapter 566 if the victim is a child less than
29 eighteen years of age and the perpetrator is twenty-one years of age or older, section 567.050
30 **as it existed prior to August 28, 2025**, if the victim is a child less than eighteen years of age,
31 **section 567.016 if the victim is a child less than eighteen years of age**, section 568.020,
32 568.030, 568.045, 568.050, 568.060, 573.200, or 573.205, section 573.025, 573.035, 573.037,
33 or 573.040, or an attempt to commit any such crimes. The division shall immediately
34 communicate all reports that merit investigation to its appropriate local office and any
35 relevant information as may be contained in the information system. The local division staff
36 shall determine, through the use of protocols developed by the division, whether an
37 investigation or the family assessment and services approach should be used to respond to the
38 allegation. The protocols developed by the division shall give priority to ensuring the well-
39 being and safety of the child.

40 4. The division may accept a report for investigation or family assessment if either the
41 child or alleged perpetrator resides in Missouri, may be found in Missouri, or if the incident
42 occurred in Missouri.

43 5. If the division receives a report in which neither the child nor the alleged
44 perpetrator resides in Missouri or may be found in Missouri and the incident did not occur in
45 Missouri, the division shall document the report and communicate it to the appropriate agency
46 or agencies in the state where the child is believed to be located, along with any relevant
47 information or records as may be contained in the division's information system.

48 6. When the child abuse and neglect hotline receives three or more calls, within a
49 seventy-two hour period, from one or more individuals concerning the same child, the
50 division shall conduct a review to determine whether the calls meet the criteria and statutory
51 definition for a child abuse and neglect report to be accepted. In conducting the review, the
52 division shall contact the hotline caller or callers in order to collect information to determine
53 whether the calls meet the criteria for harassment.

54 7. The local office shall contact the appropriate law enforcement agency immediately
55 upon receipt of a report which division personnel determine merits an investigation and
56 provide such agency with a detailed description of the report received. In such cases the local
57 division office shall request the assistance of the local law enforcement agency in all aspects
58 of the investigation of the complaint. The appropriate law enforcement agency shall either
59 assist the division in the investigation or provide the division, within twenty-four hours, an
60 explanation in writing detailing the reasons why it is unable to assist.

61 8. The local office of the division shall cause an investigation or family assessment
62 and services approach to be initiated in accordance with the protocols established in
63 subsection 2 of this section, except in cases where the sole basis for the report is educational
64 neglect. If the report indicates that educational neglect is the only complaint and there is no
65 suspicion of other neglect or abuse, the investigation shall be initiated within seventy-two
66 hours of receipt of the report. If the report indicates the child is in danger of serious physical
67 harm or threat to life, an investigation shall include direct observation of the subject child
68 within twenty-four hours of the receipt of the report. Local law enforcement shall take all
69 necessary steps to facilitate such direct observation. Callers to the child abuse and neglect
70 hotline shall be instructed by the division's hotline to call 911 in instances where the child
71 may be in immediate danger. If the parents of the child are not the alleged perpetrators, a
72 parent of the child must be notified prior to the child being interviewed by the division. No
73 person responding to or investigating a child abuse and neglect report shall call prior to a
74 home visit or leave any documentation of any attempted visit, such as business cards,
75 pamphlets, or other similar identifying information if he or she has a reasonable basis to
76 believe the following factors are present:

- 77 (1) (a) No person is present in the home at the time of the home visit; and
78 (b) The alleged perpetrator resides in the home or the physical safety of the child may
79 be compromised if the alleged perpetrator becomes aware of the attempted visit;
80 (2) The alleged perpetrator will be alerted regarding the attempted visit; or
81 (3) The family has a history of domestic violence or fleeing the community.

82

83 If the alleged perpetrator is present during a visit by the person responding to or investigating
84 the report, such person shall provide written material to the alleged perpetrator informing him

85 or her of his or her rights regarding such visit, including but not limited to the right to contact
86 an attorney. The alleged perpetrator shall be given a reasonable amount of time to read such
87 written material or have such material read to him or her by the case worker before the visit
88 commences, but in no event shall such time exceed five minutes; except that, such
89 requirement to provide written material and reasonable time to read such material shall not
90 apply in cases where the child faces an immediate threat or danger, or the person responding
91 to or investigating the report is or feels threatened or in danger of physical harm. If the abuse
92 is alleged to have occurred in a school or child care facility the division shall not meet with
93 the child in any school building or child-care facility building where abuse of such child is
94 alleged to have occurred. When the child is reported absent from the residence, the location
95 and the well-being of the child shall be verified. For purposes of this subsection, "child care
96 facility" shall have the same meaning as such term is defined in section 210.201.

97 9. The director of the division shall name at least one chief investigator for each local
98 division office, who shall direct the division response on any case involving a second or
99 subsequent incident regarding the same subject child or perpetrator. The duties of a chief
100 investigator shall include verification of direct observation of the subject child by the division
101 and shall ensure information regarding the status of an investigation is provided to the public
102 school district liaison. The public school district liaison shall develop protocol in conjunction
103 with the chief investigator to ensure information regarding an investigation is shared with
104 appropriate school personnel. The superintendent of each school district shall designate a
105 specific person or persons to act as the public school district liaison. Should the subject child
106 attend a nonpublic school the chief investigator shall notify the school principal of the
107 investigation. Upon notification of an investigation, all information received by the public
108 school district liaison or the school shall be subject to the provisions of the federal Family
109 Educational Rights and Privacy Act (FERPA), 20 U.S.C. Section 1232g, and federal rule 34
110 C.F.R. Part 99.

111 10. The investigation shall include but not be limited to the nature, extent, and cause
112 of the abuse or neglect; the identity and age of the person responsible for the abuse or neglect;
113 the names and conditions of other children in the home, if any; the home environment and the
114 relationship of the subject child to the parents or other persons responsible for the child's care;
115 any indication of incidents of physical violence against any other household or family
116 member; and other pertinent data.

117 11. When a report has been made by a person required to report under section
118 210.115, the division shall contact the person who made such report within forty-eight hours
119 of the receipt of the report in order to ensure that full information has been received and to
120 obtain any additional information or medical records, or both, that may be pertinent.

121 12. Upon completion of the investigation, if the division suspects that the report was
122 made maliciously or for the purpose of harassment, the division shall refer the report and any
123 evidence of malice or harassment to the local prosecuting or circuit attorney.

124 13. Multidisciplinary teams shall be used whenever conducting the investigation as
125 determined by the division in conjunction with local law enforcement. Multidisciplinary
126 teams shall be used in providing protective or preventive social services, including the
127 services of law enforcement, a liaison of the local public school, the juvenile officer, the
128 juvenile court, and other agencies, both public and private.

129 14. For all family support team meetings involving an alleged victim of child abuse or
130 neglect, the parents, legal counsel for the parents, foster parents, the legal guardian or
131 custodian of the child, the guardian ad litem for the child, and the volunteer advocate for the
132 child shall be provided notice and be permitted to attend all such meetings. Family members,
133 other than alleged perpetrators, or other community informal or formal service providers that
134 provide significant support to the child and other individuals may also be invited at the
135 discretion of the parents of the child. In addition, the parents, the legal counsel for the
136 parents, the legal guardian or custodian and the foster parents may request that other
137 individuals, other than alleged perpetrators, be permitted to attend such team meetings. Once
138 a person is provided notice of or attends such team meetings, the division or the convenor of
139 the meeting shall provide such persons with notice of all such subsequent meetings involving
140 the child. Families may determine whether individuals invited at their discretion shall
141 continue to be invited.

142 15. If the appropriate local division personnel determine after an investigation has
143 begun that completing an investigation is not appropriate, the division shall conduct a family
144 assessment and services approach. The division shall provide written notification to local law
145 enforcement prior to terminating any investigative process. The reason for the termination of
146 the investigative process shall be documented in the record of the division and the written
147 notification submitted to local law enforcement. Such notification shall not preclude nor
148 prevent any investigation by law enforcement.

149 16. If the appropriate local division personnel determines to use a family assessment
150 and services approach, the division shall:

151 (1) Assess any service needs of the family. The assessment of risk and service needs
152 shall be based on information gathered from the family and other sources;

153 (2) Provide services which are voluntary and time-limited unless it is determined by
154 the division based on the assessment of risk that there will be a high risk of abuse or neglect if
155 the family refuses to accept the services. The division shall identify services for families
156 where it is determined that the child is at high risk of future abuse or neglect. The division
157 shall thoroughly document in the record its attempt to provide voluntary services and the

158 reasons these services are important to reduce the risk of future abuse or neglect to the child.
159 If the family continues to refuse voluntary services or the child needs to be protected, the
160 division may commence an investigation;

161 (3) Commence an immediate investigation if at any time during the family
162 assessment and services approach the division determines that an investigation, as delineated
163 in sections 210.109 to 210.183, is required. The division staff who have conducted the
164 assessment may remain involved in the provision of services to the child and family;

165 (4) Document at the time the case is closed, the outcome of the family assessment and
166 services approach, any service provided and the removal of risk to the child, if it existed.

167 17. (1) Within forty-five days of an oral report of abuse or neglect, the local office
168 shall update the information in the information system. The information system shall contain,
169 at a minimum, the determination made by the division as a result of the investigation,
170 identifying information on the subjects of the report, those responsible for the care of the
171 subject child and other relevant dispositional information. The division shall complete all
172 investigations within forty-five days, unless good cause for the failure to complete the
173 investigation is specifically documented in the information system. Good cause for failure to
174 complete an investigation shall include, but not be limited to:

175 (a) The necessity to obtain relevant reports of medical providers, medical examiners,
176 psychological testing, law enforcement agencies, forensic testing, and analysis of relevant
177 evidence by third parties which has not been completed and provided to the division;

178 (b) The attorney general or the prosecuting or circuit attorney of the city or county in
179 which a criminal investigation is pending certifies in writing to the division that there is a
180 pending criminal investigation of the incident under investigation by the division and the
181 issuing of a decision by the division will adversely impact the progress of the investigation; or

182 (c) The child victim, the subject of the investigation or another witness with
183 information relevant to the investigation is unable or temporarily unwilling to provide
184 complete information within the specified time frames due to illness, injury, unavailability,
185 mental capacity, age, developmental disability, or other cause.

186

187 The division shall document any such reasons for failure to complete the investigation.

188 (2) If a child fatality or near-fatality is involved in a report of abuse or neglect, the
189 investigation shall remain open until the division's investigation surrounding such death or
190 near-fatal injury is completed.

191 (3) If the investigation is not completed within forty-five days, the information
192 system shall be updated at regular intervals and upon the completion of the investigation,
193 which shall be completed no later than ninety days after receipt of a report of abuse or
194 neglect, or one hundred twenty days after receipt of a report of abuse or neglect involving

195 sexual abuse, or until the division's investigation is complete in cases involving a child
196 fatality or near-fatality. The information in the information system shall be updated to reflect
197 any subsequent findings, including any changes to the findings based on an administrative or
198 judicial hearing on the matter.

199 18. A person required to report under section 210.115 to the division and any person
200 making a report of child abuse or neglect made to the division which is not made
201 anonymously shall be informed by the division of his or her right to obtain information
202 concerning the disposition of his or her report. Such person shall receive, from the local
203 office, if requested, information on the general disposition of his or her report. Such person
204 may receive, if requested, findings and information concerning the case. Such release of
205 information shall be at the discretion of the director based upon a review of the reporter's
206 ability to assist in protecting the child or the potential harm to the child or other children
207 within the family. The local office shall respond to the request within forty-five days. The
208 findings shall be made available to the reporter within five days of the outcome of the
209 investigation. If the report is determined to be unsubstantiated, the reporter may request that
210 the report be referred by the division to the office of child advocate for children's protection
211 and services established in sections 37.700 to 37.730. Upon request by a reporter under this
212 subsection, the division shall refer an unsubstantiated report of child abuse or neglect to the
213 office of child advocate for children's protection and services.

214 19. The division shall provide to any individual who is not satisfied with the results of
215 an investigation information about the office of child advocate and the services it may provide
216 under sections 37.700 to 37.730.

217 20. In any judicial proceeding involving the custody of a child the fact that a report
218 may have been made pursuant to sections 210.109 to 210.183 shall not be admissible.
219 However:

220 (1) Nothing in this subsection shall prohibit the introduction of evidence from
221 independent sources to support the allegations that may have caused a report to have been
222 made; and

223 (2) The court may on its own motion, or shall if requested by a party to the
224 proceeding, make an inquiry not on the record with the children's division to determine if
225 such a report has been made.

226

227 If a report has been made, the court may stay the custody proceeding until the children's
228 division completes its investigation.

229 21. Nothing in this chapter shall be construed to prohibit the children's division from
230 coinvestigating a report of child abuse or neglect or sharing records and information with
231 child welfare, law enforcement, or judicial officers of another state, territory, or nation if the

232 children's division determines it is appropriate to do so under the standard set forth in
233 subsection 4 of section 210.150 and if such receiving agency is exercising its authority under
234 the law.

235 22. In any judicial proceeding involving the custody of a child where the court
236 determines that the child is in need of services under paragraph (d) of subdivision (1) of
237 subsection 1 of section 211.031 and has taken jurisdiction, the child's parent, guardian or
238 custodian shall not be entered into the registry.

239 23. The children's division is hereby granted the authority to promulgate rules and
240 regulations pursuant to the provisions of section 207.021 and chapter 536 to carry out the
241 provisions of sections 210.109 to 210.183.

242 24. Any rule or portion of a rule, as that term is defined in section 536.010, that is
243 created under the authority delegated in this section shall become effective only if it complies
244 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.
245 This section and chapter 536 are nonseverable and if any of the powers vested with the
246 general assembly pursuant to chapter 536 to review, to delay the effective date or to
247 disapprove and annul a rule are subsequently held unconstitutional, then the grant of
248 rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid
249 and void.

210.156. 1. The children's division shall make available to the state registrar of vital

2 ~~activity]~~ **commercial sexual exploitation** prohibited by this chapter is a public nuisance.

3 2. The attorney general, circuit attorney or prosecuting attorney may, in addition to all
4 criminal sanctions, prosecute a suit in equity to enjoin the nuisance. If the court finds that the
5 owner of the room, building or structure knew or had reason to believe that the premises were

4 secondary effects of sexually oriented businesses within the state. The provisions of sections
5 573.525 to 573.537 have neither the purpose nor effect of imposing a limitation or restriction
6 on the content or reasonable access to any communicative materials, including sexually
7 oriented materials. Similarly, it is neither the intent nor effect of sections 573.525 to 573.537
8 to restrict or deny access by adults to sexually oriented materials protected by the first
9 amendment, or to deny access by the distributors and exhibitors of sexually oriented
10 entertainment to their intended market. Neither is it the intent nor effect of sections 573.525
11 to 573.537 to condone or legitimize the distribution of obscene material.

13 (1) Sexually oriented businesses, as a category of commercial enterprises, are
14 associated with a wide variety of adverse secondary effects, including but not limited to
15 personal and property crimes, [~~prostitution~~], **commercial sexual exploitation**, potential
16 spread of disease, lewdness, public indecency, obscenity, illicit drug use and drug trafficking,
17 negative impacts on surrounding properties, urban blight, litter, and sexual assault and
18 exploitation;

19 (2) Sexually oriented businesses should be separated from sensitive land uses to
20 minimize the impact of their secondary effects upon such uses, and should be separated from
21 other sexually oriented businesses, to minimize the secondary effects associated with such
22 uses and to prevent an unnecessary concentration of sexually oriented businesses in one area;

23 (3) Each of the foregoing negative secondary effects constitutes a harm which the
24 state has a substantial interest in preventing or abating, or both. Such substantial government
25 interest in preventing secondary effects, which is the state's rationale for sections 573.525 to
26 573.537, exists independent of any comparative analysis between sexually oriented and
27 nonsexually oriented businesses. Additionally, the state's interest in regulating sexually
28 oriented businesses extends to preventing future secondary effects of current or future
29 sexually oriented businesses that may locate in the state.

573.531. 1. No person shall establish a sexually oriented business within one thousand feet of any preexisting primary or secondary school, house of worship, state-licensed day care facility, public library, public park, residence, or other sexually oriented business. For purposes of this subsection, measurements shall be made in a straight line, without regard to intervening structures or objects, from the closest portion of the parcel containing the sexually oriented business to the closest portion of the parcel containing the preexisting primary or secondary school, house of worship, state-licensed day care facility, public library, public park, residence, or other sexually oriented business.

2. No person shall establish a sexually oriented business if a person with an influential interest in the sexually oriented business has been found guilty of any of the following specified offenses for which less than eight years has elapsed since the date of conviction or the date of release from confinement for the conviction, whichever is later:

- (1) Rape and sexual assault offenses;
- (2) Sexual offenses involving minors;

3. No person shall knowingly or intentionally, in a sexually oriented business, appear in a state of nudity.

4. No employee shall knowingly or intentionally, in a sexually oriented business, appear in a semi-nude condition unless the employee, while semi-nude, shall be and remain on a fixed stage at least six feet from all patrons and at least eighteen inches from the floor in a room of at least six hundred square feet.

39 (1) The interior of the premises shall be configured in such a manner that there is an
40 unobstructed view from an operator's station of every area of the premises, including the

45 premises shall be configured in such a manner that there is an unobstructed view of each area
46 of the premises to which any patron is permitted access for any purpose from at least one of
47 the operator's stations;

48 (4) The view required under this subsection shall be by direct line of sight from the
49 operator's station;

50 (5) It is the duty of the operator to ensure that at least one employee is on duty and
51 situated in an operator's station at all times that any patron is on the portion of the premises
52 monitored by such operator station; and

53 (6) It shall be the duty of the operator and of any employees present on the premises
54 to ensure that the view area specified in this subsection remains unobstructed by any doors,
55 curtains, walls, merchandise, display racks, or other materials or enclosures at all times that
56 any patron is present on the premises.

57 7. Sexually oriented businesses that do not have stages or interior configurations
58 which meet at least the minimum requirements of sections 573.525 to 573.537 shall be given
