---

THIRTY-SEVENTH DAY, TUESDAY, MARCH 11, 2025

The House met pursuant to adjournment.

Speaker Patterson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

*The Lord shall preserve thy going out and thy coming in from this time forth and even forever more. (Psalm 121:8)*

Eternal Father of our souls, at the beginning of another lengthy day we pause a moment in Your presence seeking guidance at Your hand, strength for the long hours, and wisdom for the decisions and votes we have to make today.

May Your blessing rest upon these Representatives of our people and may Your spirit move in their hearts as they seek to promote justice in our land, goodwill between our people, and cooperation among political lines. As a result of their endeavors, may obedience to law, the rights of the individual, and loyalty to our state be firmly established among us. God bless our Missouri and keep her citizens healthy, now and forever, on this Alzheimer's Awareness Day!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-sixth day was approved as printed by the following vote:

**(2) All appeals of the order of release have been exhausted;**

**(3) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the parole board in connection with the crime for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the crime for which the person is later determined to be actually innocent, when the court's or the parole board's sole stated reason for the revocation in its order is the conviction for the crime for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that their probation or parole was revoked in connection with the crime for which the person has been exonerated; and**

(4) Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is exonerated after August 28, 2004, demonstrates a person's innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. However, no individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. ~~[No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.]~~

2. If the results of the DNA testing confirm the person's guilt, then the person filing for DNA testing under section 547.035, shall:

(1) Be liable for any reasonable costs incurred when conducting the DNA test, including but not limited to the cost of the test. Such costs shall be determined by the court and shall be included in the findings of fact and conclusions of law made by the court; and

(2) Be sanctioned under the provisions of section 217.262.

3. A petition for payment of restitution under this section may only be filed by the individual determined to be actually innocent or the individual's legal guardian. No claim or petition for restitution under this section may be filed by the individual's heirs or assigns. An individual's right to receive restitution under this section is not assignable or otherwise transferrable. The state's obligation to pay restitution under this section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

4. An individual who is determined to be actually innocent of a crime under this chapter shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordations of his or her arrest, plea, trial or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section.

3. If there is evidence that a testator signed an electronic will and neither an electronic will nor a certified paper copy of the electronic will can be located after a testator's death, there is a presumption that the testator revoked the electronic will even if no instrument or later will revoking the electronic will can be located.

Section 7001 et seq., but do not modify, limit, or supersede Section 101(c) of that act, 15 U.S.C. 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that act, 15 U.S.C. Section 7003(b).

474.564. The provisions of sections 474.540 to 474.564 shall apply to the will of a decedent who dies on or after August 28, 2025, and to each other written estate planning document signed or remotely witnessed on or after August 28, 2025.

*House Amendment No. 1*

AMEND House Committee Substitute for House Bill No. 87, Page 7, Section 302.440, Line 21, by inserting after said section and line the following:

"302.520. 1. Whenever the chemical test results are available to the law enforcement officer while the arrested person is still in custody, and where the results show an alcohol concentration of eight-hundredths of one percent or more by weight of alcohol in such person's blood or where such person is less than twenty-one years of age and the results show that there is two-hundredths of one percent or more of alcohol in the person's blood, the officer, acting on behalf of the department, shall serve the notice of suspension or revocation personally on the arrested person.

2. When the law enforcement officer serves the notice of suspension or revocation, ~~the officer shall take possession of any driver's license issued by this state which is held by the person. When the officer takes possession of a valid driver's license issued by this state,~~ the officer, acting on behalf of the department, shall issue a temporary permit which is valid for fifteen days after its date of issuance and shall also give the person arrested a notice which shall inform the person of all rights and responsibilities pursuant to sections 302.500 to 302.540. The notice shall be in such form so that the arrested person may sign the original as evidence of receipt thereof. The notice shall also contain a detachable form permitting the arrested person to request a hearing. Signing the hearing request form and mailing such request to the department shall constitute a formal application for a hearing.

3. A copy of the completed notice of suspension or revocation form, a copy of any completed temporary permit form, a copy of the notice of rights and responsibilities given to the arrested person, including any request for hearing, and any driver's license taken into possession pursuant to this section shall be forwarded to the department by the officer along with the report required in section 302.510.

4. The department shall provide forms for notice of suspension or revocation, for notice of rights and responsibilities, for request for a hearing and for temporary permits to law enforcement agencies."; and

Further amend said bill, Page 9, Section 302.525, Line 85, by inserting after said section and line the following:

"302.530. 1. Any person who has received a notice of suspension or revocation may make a request within fifteen days of receipt of the notice for a review of the department's determination at a hearing. ~~[If the person's driver's license has not been previously surrendered, it may be surrendered at the time the request for a hearing is made.]~~

2. At the time the request for a hearing is made, if it appears from the record that the person is the holder of a valid driver's license issued by this state, ~~[and that the driver's license has been surrendered,]~~ the department shall issue a temporary permit which shall be valid until the scheduled date for the hearing. The department may later issue an additional temporary permit or permits in order to stay the effective date of the suspension or revocation until the final order is issued following the hearing, as required by section 302.520.

3. The hearing may be held by telephone, or if requested by the person, such person's attorney or representative, at a regional location as designated by the director. The hearing shall be conducted by examiners who are licensed to practice law in the state of Missouri and who are employed by the department on a part-time or full-time basis as the department may determine.

4. The sole issue at the hearing shall be whether by a preponderance of the evidence the person was driving a vehicle pursuant to the circumstances set out in section 302.505. The burden of proof shall be on the state to adduce such evidence. If the department finds the affirmative of this issue, the suspension or revocation order shall be sustained. If the department finds the negative of the issue, the suspension or revocation order shall be rescinded.

5. The procedure at such hearing shall be conducted in accordance with chapter 536, with sections 302.500 to 302.540. A report certified under subsection 2 of section 302.510 shall be admissible in a like manner as a verified report as evidence of the facts stated therein and any provision of chapter 536 to the contrary shall not apply.

6. The department shall promptly notify the person of its decision including the reasons for that decision. Such notification shall include a notice advising the person that the department's decision shall be final within fifteen days from the date such notice was mailed unless the person challenges the department's decision within that time period by filing an appeal in the circuit court in the county where the arrest occurred.

7. Unless the person, within fifteen days after being notified of the department's decision, files an appeal for judicial review pursuant to section 302.535, the decision of the department shall be final.

8. The director may adopt any rules and regulations necessary to carry out the provisions of this section."; and

Further amend said bill, Page 13, Section 302.574, Line 143, by inserting after said section and line the following:

**"557.520. 1. For purposes of this section, the following terms shall mean:**

**(1) "Failed start", any attempt to start a vehicle with a breath alcohol concentration exceeding twenty-five thousandths of one percent by weight of alcohol in a person's breath, unless a subsequent retest performed within ten minutes registers a breath alcohol concentration not exceeding twenty-five thousandths of one percent by weight of alcohol in such person's breath;**

**(2) "Running retest", failure to take a breath test performed by a driver upon a certified ignition interlock device at random intervals after an initial engine startup breath test and while the vehicle's motor is running or failure to take a breath retest with a breath alcohol concentration not exceeding twenty-five thousandths of one percent by weight of alcohol in such driver's breath;**

**(3) "Vehicle", any mechanical device on wheels, designed primarily for use, or used, on highways.**

**2. In any criminal case involving an intoxication-related traffic offense, the defendant may request to divert the criminal case to a driving while intoxicated (DWI) diversion program described in this section by submitting a request to the prosecuting or circuit attorney and sending a copy of such request to the**

department of revenue within fifteen days of his or her arrest. The prosecuting or circuit attorney may divert the criminal case to this DWI diversion program by filing a motion with the court to stay the criminal proceeding, if the defendant meets the following criteria for eligibility for entry into the DWI diversion program:

(1) The defendant has not previously pled guilty to or been convicted of an intoxication-related traffic offense in violation of section 577.010, 577.012, 577.013, 577.014, 577.015, or 577.016;

(2) The defendant is not currently enrolled in, and has not in the previous five years completed, a diversion program pursuant to this section;

(3) The defendant does not hold a commercial driver's license;

(4) The offense did not occur while operating a commercial vehicle;

(5) The offense did not result in the injury or death of another person; and

(6) The defendant did not refuse to submit to any test allowed pursuant to section 577.020.

3. Upon a motion filed by the prosecuting or circuit attorney, the court may continue a diverted case involving an intoxication-related traffic offense if the prosecuting or circuit attorney deems appropriate based on the specific situation of the defendant. The case shall be diverted for a period not to exceed twenty-four months and order the defendant to comply with terms, conditions, or requirements.

4. The DWI diversion plan shall be for a specified period and be in writing. The prosecuting or circuit attorney has the sole authority to develop diversionary program requirements, but shall require installation of an ignition interlock device for a period of not less than one year, require the defendant to participate in a victim impact panel sponsored by a nonprofit organization, and require other terms deemed necessary by the court.

5. If the court continues the criminal case to divert the defendant to this DWI diversion program, a copy of such order shall be sent to the department of revenue and, upon receipt, the department shall continue any proceeding to suspend or revoke a license pursuant to chapter 302 for a period not to exceed twenty-four months. After the defendant successfully completes the requirements of the DWI diversion program, the department shall dismiss any proceeding against the defendant.

6. The court shall notify the defendant that he or she is required to install a functioning, certified ignition interlock device on each vehicle that the defendant operates and the defendant is prohibited from operating a motor vehicle unless that vehicle is equipped with a functioning, certified ignition interlock device pursuant to this section. These requirements shall be in addition to any other provisions of this chapter or chapter 302 requiring installation and maintenance of an ignition interlock device. Any person required to use an ignition interlock device shall comply with such requirement subject to the penalties provided by section 577.599.

7. The department of revenue shall inform the defendant of the requirements of this section, including the term for which the defendant is required to have a certified ignition interlock device installed and shall notify the defendant that installation of a functioning, certified ignition interlock device on a vehicle does not allow the defendant to drive without a valid driver's license. The department shall record the mandatory use of the device for the term required and the time when the device is required to be installed pursuant to the court order. A defendant who is notified by the department shall do all of the following:

(1) Arrange for each vehicle operated by the defendant to be equipped with a functioning, certified ignition interlock device by a certified ignition interlock device provider as determined by the department of transportation; and

(2) Arrange for each vehicle with a functioning, certified ignition interlock device to be serviced by the installer at least once every thirty days for the installer to recalibrate and monitor the operation of the device.

8. The certified ignition interlock device provider shall notify the department:

(1) If the device is removed or indicates that the defendant has attempted to remove, bypass by a running retest, or tamper with the device;

(2) If the defendant fails three or more times to comply with any requirement for the maintenance or calibration of the ignition interlock device; or

(3) If the device registers a failed start.

If a defendant has any failed start that occurs within the last ninety days of the required period of installation of the ignition interlock device, the term may be extended for a period of up to ninety days.

9. After the completion of the DWI diversion program and if the defendant has complied with all the imposed terms and conditions, the court shall dismiss the criminal case against the defendant, record the dismissal, and transmit the record to the central repository upon dismissal. Any court automation system, including any pilot project, that provides public access to electronic record on the internet shall redact any personal identifying information of the defendant, including name, address, and year of birth. Such information shall be provided in a confidential filing sheet contemporaneously filed with the court or entered by the court, which shall not be subject to public inspection or availability.

10. In the event of noncompliance by the defendant with the terms and conditions of the DWI diversion program, the prosecuting or circuit attorney may file a motion to terminate the defendant from the diversion program and may recommend the prosecution of the underlying case. Upon the filing of such motion, after notice to the defendant, the court shall hold a hearing to determine by preponderance of the evidence whether the defendant has failed to comply with the terms and conditions of the diversion program. If the court finds that the defendant has not complied with the terms and conditions of the diversion program, the court may end the diversion program and set the case on the next available criminal docket.

11. Any defendant who is found guilty of any intoxication-related traffic offense and who has previously utilized the DWI diversion program pursuant to this section shall be considered a prior offender as defined in section 577.001, provided that the prior offense occurred within five years of the intoxication-related offense for which the person is charged, as provided in subsection 20 of section 577.001.

12. For the limited purpose of determining whether a defendant is a chronic, habitual, persistent, or prior offender under section 577.001, a criminal case diverted to a DWI diversion program and successfully completed by a defendant shall be counted as one intoxication-related traffic offense.

13. A certified ignition interlock device provider shall adopt a discounted fee schedule that provides for the payment of the costs of the certified ignition interlock device by offenders with an income at or below one hundred and fifty percent of the federal poverty level. A person with an income at or below one hundred and fifty percent of the federal poverty level who provides income verification shall be responsible for ten percent of the cost of the ignition interlock device. Any additional costs accrued by the person for noncompliance with program requirements are not subject to discounted rates and are the sole responsibility of the person. The certified ignition interlock provider shall verify the offender's income to determine the cost of the ignition interlock device by verifying from the offender the previous year's federal income tax return, the previous three months of weekly or monthly income statements, or a court order declaring the person with an income at or below one hundred and fifty percent of the federal poverty level.

14. Nothing in this section shall prohibit a prosecuting or circuit attorney from diverting a criminal case pursuant to section 557.014 in any criminal case involving an intoxication-related traffic offense."; and
