

JOURNAL OF THE HOUSE

First Regular Session, 103rd General Assembly

SIXTY-SECOND DAY, WEDNESDAY, APRIL 30, 2025

The House met pursuant to adjournment.

Speaker Patterson in the Chair.

Prayer by Representative Burt Whaley.

Dear Heavenly Father, Almighty God, Jehovah El Shaddai, who was, who is, and who is to come.

We call upon You, O LORD, and come before Your heavenly throne through prayer and petition humbly asking for Your divine wisdom, knowledge, and discernment to make decisions on this floor and this chamber of the people's house.

We asked You, O LORD, for Your blessings on these proceedings. Illuminate our path You have set before us and inspire us to seek the preservation of life, liberty, and the pursuit of happiness for all Missourians.

Equip us in every good thing to do Your will, working in us that which is pleasing in Your sight, through Jesus Christ.

Let us not be distracted by division, but unite us in brotherly love and purpose.

May the Fruits of the Spirit and Your gift of unique talents be found in each one of us and be used for the betterment of mankind.

I pray that Your mighty hand be upon each of the elected officials in this chamber as You guide and direct us in service to others.

I pray that the poor in spirit shall be lifted up, those experiencing hardship shall be comforted, the meek shall be heard, the weak shall be strengthened, and the hungry shall be fed.

We thank You, O LORD, for Your many blessings and we ask for Your continued blessing on Missouri and the United States.

We ask all these things in the name of Jesus Christ, Our Lord. And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-first day was approved as printed by the following vote:

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HCS HBs 296 & 438** entitled:

An act to repeal sections 302.177, 302.272, and 302.735, RSMo, and to enact in lieu thereof three new sections relating to school bus endorsements.

With Senate Amendment No. 1 and Senate Amendment No. 2.

Senate Amendment No. 1

AMEND House Committee Substitute for House Bill Nos. 296 & 438, Page 1, Section Title, Line 3, by striking "bus endorsements" and inserting in lieu thereof the following:

"personnel"; and

Further amend said bill and page, Section A, Line 3, by inserting after all of said line the following:

"168.133. 1. As used in this section, "screened volunteer" shall mean any person who assists a school by providing uncompensated service and who may periodically be left alone with students. The school district **or charter school** shall ensure that a criminal background check is conducted for all screened volunteers, who shall complete the criminal background check prior to being left alone with a student. ~~[Screened volunteers include, but are not limited to, persons who regularly assist in the office or library, mentor or tutor students, coach or supervise a school-sponsored activity before or after school, or chaperone students on an overnight trip.]~~ Screened volunteers may only access student education records when necessary to assist the district and while supervised by staff members. Volunteers that are not screened shall not be left alone with a student or have access to student records.

2. (1) The school district **or charter school** shall ensure that a criminal background check is conducted on any person employed after January 1, 2005, authorized to have contact with pupils and prior to the individual having contact with any pupil. ~~[Such persons include, but are not limited to, administrators, teachers, aides, paraprofessionals, assistants, secretaries, custodians, cooks, screened volunteers, and nurses.]~~

(2) The school district **or charter school** shall also ensure that a criminal background check is conducted for school bus drivers **and drivers of other vehicles owned by the school district or charter school or operated under contract with a school district or charter school and used for the purpose of transporting school children**. The school district **or charter school** may allow such drivers to operate buses pending the result of the criminal background check. ~~[For bus drivers.]~~ The school district **or charter school** shall be responsible for conducting the criminal background check on drivers employed by the school district **or charter school under section 43.540**.

(3) For drivers employed **or contracted** by a pupil transportation company under contract with the school district **or the charter school**, the criminal background check shall be conducted **by the pupil transportation company** pursuant to section ~~[43.540]~~ **43.539** and conform to the requirements established in the National Child Protection Act of 1993, as amended by the Volunteers for Children Act.

(4) Personnel who have successfully undergone a criminal background check and a check of the family care safety registry as part of the professional license application process under section 168.021 and who have

received clearance on the checks within one prior year of employment shall be considered to have completed the background check requirement.

(5) A criminal background check under this section shall include a search of any information publicly available in an electronic format through a public index or single case display.

3. In order to facilitate the criminal history background check, the applicant shall submit a set of fingerprints collected pursuant to standards determined by the Missouri highway patrol. The fingerprints shall be used by the highway patrol to search the criminal history repository and shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files.

4. The applicant shall pay the fee for the state criminal history record information pursuant to section 43.530 and sections 210.900 to 210.936 and pay the appropriate fee determined by the Federal Bureau of Investigation for the federal criminal history record when he or she applies for a position authorized to have contact with pupils pursuant to this section. The department shall distribute the fees collected for the state and federal criminal histories to the Missouri highway patrol.

5. The department of elementary and secondary education shall facilitate an annual check of employed persons holding current active certificates under section 168.021 against criminal history records in the central repository under section 43.530, the sexual offender registry under sections 589.400 to 589.426, and child abuse central registry under sections 210.109 to 210.183. The department of elementary and secondary education shall facilitate procedures for school districts to submit personnel information annually for persons employed by the school districts who do not hold a current valid certificate who are required by subsection 1 of this section to undergo a criminal background check, sexual offender registry check, and child abuse central registry check. The Missouri state highway patrol shall provide ongoing electronic updates to criminal history background checks of those persons previously submitted, both those who have an active certificate and those who do not have an active certificate, by the department of elementary and secondary education. This shall fulfill the annual check against the criminal history records in the central repository under section 43.530.

6. The school district may adopt a policy to provide for reimbursement of expenses incurred by an employee for state and federal criminal history information pursuant to section 43.530.

7. If, as a result of the criminal history background check mandated by this section, it is determined that the holder of a certificate issued pursuant to section 168.021 has pled guilty or nolo contendere to, or been found guilty of a crime or offense listed in section 168.071, or a similar crime or offense committed in another state, the United States, or any other country, regardless of imposition of sentence, such information shall be reported to the department of elementary and secondary education.

8. Any school official making a report to the department of elementary and secondary education in conformity with this section shall not be subject to civil liability for such action.

9. For any teacher who is employed by a school district on a substitute or part-time basis within one year of such teacher's retirement from a Missouri school, the state of Missouri shall not require such teacher to be subject to any additional background checks prior to having contact with pupils. Nothing in this subsection shall be construed as prohibiting or otherwise restricting a school district from requiring additional background checks for such teachers employed by the school district.

10. A criminal background check and fingerprint collection conducted under subsections 1 to 3 of this section shall be valid for at least a period of one year and transferrable from one school district to another district. A school district may, in its discretion, conduct a new criminal background check and fingerprint collection under subsections 1 to 3 **of this section** for a newly hired employee at the district's expense. A teacher's change in type of certification shall have no effect on the transferability or validity of such records.

11. Nothing in this section shall be construed to alter the standards for suspension, denial, or revocation of a certificate issued pursuant to this chapter.

12. The state board of education may promulgate rules for criminal history background checks made pursuant to this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2005, shall be invalid and void."; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 2

AMEND House Committee Substitute for House Bill Nos. 296 & 438, Page 1, Section Title, Line 3, by striking "bus endorsements" and inserting in lieu thereof the following:

"personnel"; and

Further amend said bill and page, Section A, Line 3, by inserting after all of said line the following:

"168.036. 1. 2. (1) The state board shall not grant a certificate of license to teach under this section to any individual who has not completed a background check as required under section 168.021.

(2) The state board may refuse to issue or renew, suspend, or revoke any certificate sought or issued under this section in the same manner and for the same reasons as under section 168.071.

3. The state board may grant a certificate under this section to any individual who has completed:

(1) At least thirty-six semester hours at an accredited institution of higher education; or

(2) The twenty-hour online training program required in this section and who possesses a high school diploma or the equivalent thereof.

4. The department of elementary and secondary education shall develop and maintain an online training program for individuals, which shall consist of twenty hours of training related to subjects appropriate for substitute teachers as determined by the department.

5. The state board may grant a certificate under this section to any highly qualified individual with expertise in a technical or business field or with experience in the Armed Forces of the United States who has completed the background check required in this section but does not meet any of the qualifications under subdivision (1) or (2) of subsection 3 of this section if the superintendent of the school district in which the individual seeks to substitute teach sponsors such individual and the school board of the school district in which the individual seeks to substitute teach votes to approve such individual to substitute teach.

6. (1) Notwithstanding any other provisions to contrary, beginning on June 30, 2022, and ending on June 30, ~~2025~~ 2030, any person who is retired and currently receiving a retirement allowance under sections 169.010 to 169.141 or sections 169.600 to 169.715, other than for disability, may be employed to substitute teach on a part-time or temporary substitute basis by an employer included in the retirement system without a discontinuance of the person's retirement allowance. Such a person shall not contribute to the retirement system, or to the public school retirement system established by sections 169.010 to 169.141 or to the public education employee retirement system established by sections 169.600 to 169.715, because of earnings during such period of employment.

(3) If a person is employed pursuant to this subsection on a regular, full-time basis the person shall not be entitled to receive the person's retirement allowance for any month during which the person is so employed. The retirement system may require the employer, the third-party employer, the independent contractor, and the retiree subject to this subsection to provide documentation showing compliance with this subsection. If such documentation is not provided, the retirement system may deem the retiree to have exceeded the limitations provided in this subsection.

7. A certificate granted under this section shall be valid for four years. A certificate granted under this section shall expire at the end of any calendar year in which the individual fails to substitute teach for at least five days or forty hours of in-seat instruction.

8. (1) An individual to whom the state board grants a certificate under this section may be a substitute teacher in a public school in the state if the school district agrees to employ the individual as a substitute teacher and such individual has completed a background check as required in subsection 10 of this section.

(2) No individual to whom the state board grants a certificate under this section and who is under twenty years of age shall be a substitute teacher in grades nine to twelve.

9. Each school district may develop an orientation for individuals to whom the state board grants a certificate under this section for such individuals employed by the school district and may require such individuals to complete such orientation. Such orientation shall contain at least two hours of subjects appropriate for substitute teachers and shall contain instruction on the school district's best practices for classroom management.

10. Beginning January 1, 2023, any substitute teacher may, at the time such substitute teacher submits the fingerprints and information required for the background check required under section 168.021, designate up to five school districts to which such substitute teacher has submitted an application for substitute teaching to receive the results of the substitute teacher's criminal history background check and fingerprint collection. The total amount of any fees for disseminating such results to up to five school districts under this subsection shall not exceed fifty dollars.

11. The state board may exercise the board's authority under chapter 161 to promulgate all necessary rules and regulations necessary for the administration of this section."; and

Further amend the title and enacting clause accordingly.
