

JOURNAL OF THE HOUSE

First Regular Session, 103rd General Assembly

SEVENTIETH DAY, TUESDAY, MAY 13, 2025

The House met pursuant to adjournment.

Speaker Patterson in the Chair.

Prayer by Representative Brian Seitz.

Father, we thank You for allowing us to serve the people of Missouri here in the House of Representatives.

As we enter the last few days of session, help us to keep disputes to a minimum, our passions in check and to realize that, by Your Holy Spirit in the heart of every believer, we represent You as we represent the people.

Guide us in the midst of discussion; forgive us whereby we sin against You, either by omission or commission of our deeds. Help us to see each other as people, respecting one another's individual ideas.

Protect us from the sins of pride and self-sufficiency, for it's in Jesus's name we pray.

And the House said, Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Wesley Jobe, Gideon Jobe, Jesse Jobe, Jude Jobe, and Jude William Bricker.

The Journal of the sixty-ninth day was approved as printed by the following vote:

"100.240. 1. This section shall be known and may be cited as the "Show-Me Sports Investment Act".

2. The state of Missouri, acting through the department and the office of administration, may, upon such terms and with reasonable consideration as it may determine, subject to appropriation, expend funds for the purpose of aiding and cooperating in the planning, undertaking, financing, or carrying out of an athletic and entertainment facility project for which application is made to the department and approved by the director and the commissioner.

3. As used in this section, the following terms shall mean:

(1) "Athletic and entertainment facility", structures, fixtures, systems, and facilities of sports and entertainment venues with seating capacity of more than thirty thousand, including associated parking facilities, and that the director and commissioner determine is a contributing factor in the attraction or retention of sports, recreational, or entertainment activities, whether professional, commercial, or private, and a primary factor in the retention of a professional sports franchise in the state. An athletic and entertainment facility may include a professional sports franchise's headquarters facility and training facility, regardless of whether they are co-located in or adjacent to the stadium, but still located within the state. Such structures, fixtures, systems, and facilities may include, but are not limited to, foundations, roofs, interior and exterior walls or windows, floors, steps, stairs, concourses, hallways, restrooms, event or meeting spaces or other hospitality-related areas, concession or food preparation areas, or services systems such as mechanical, gas utility, electrical, lighting, communication, sound, sanitary, HVAC, elevator, escalator, plumbing, sprinkler, cabling and wiring, life-safety security cameras, access deterrents, public safety improvements, or other building systems;

(2) "Baseline year", the calendar year prior to submission of an application to the department under this section;

For the purposes of subdivision (5) of subsection 5 of this section, in the event one component of the athletic and entertainment facility has a different end of the term of the lease date than another component, the lease term that ends the latest in time shall be applicable;

(9) "Professional sports franchise", any professional sports team that is a member of Major League Baseball or the National Football League;

(10) "Project", the development, construction, reconstruction, rehabilitation, repair, or improvement of any athletic and entertainment facility for which an application is made and approved by the director and the commissioner. A project must have total project costs of at least five hundred million dollars to be eligible for funding under this section. Residential, commercial, retail, or mixed-use development adjacent to an athletic and entertainment facility shall not be included as part of the project;

(11) "State tax liability", any liability incurred by a taxpayer under chapter 143, 147, or 148, exclusive of the provisions relating to the withholding of tax as provided for in sections 143.191 to 143.265 and related provisions;

4. Applicants shall submit an application to the department containing all information required by the department, including information to ascertain the applicant's baseline year state tax revenues. The director and the commissioner shall review the application for eligibility and may, in their discretion, enter into an agreement as described in subsection 2 of this section, provided the agreement meets all other requirements of this section. Notwithstanding section 32.057 to the contrary, the department of revenue shall, pursuant to an agreement as authorized by section 610.032, disclose to the director and the commissioner, or their duly authorized employees, information from reports or returns so that the baseline state tax revenues can be verified.

5. Any annual expenditure by the state in connection with an athletic and entertainment facility project shall be subject to annual appropriation and shall be no greater than an amount equal to the baseline year state tax revenues for the applicable professional sports franchise's athletic and entertainment facility, as stated in an agreement entered into between the department, the office of administration, and the applicant; provided, however, that:

(1) The term of state appropriations under any such agreement shall not exceed thirty years;

(5) For any athletic and entertainment facility project for which funds are expended under this section, if the owners of the applicable professional sports franchise relocate any of the professional sports franchise, athletic and entertainment facility, headquarters, or training facility, and if any such facility is located in the state at the time the application is submitted or is constructed in the state as part of the project, to another state during the term of the agreement entered into under subsections 2 through 5 of this section, it shall be considered a default event, and such owners of the professional sports franchise shall repay to the state general revenue fund:

(a) The amount of funds expended by the state pursuant to such agreement through the date of default event;

(b) The total debt service remaining for any outstanding bonded indebtedness for the project that was to be paid from state revenues under the agreement after the date of the default event through the maturity date of any such bonds or an amount sufficient to pay-off any such bonds; and

(c) The amount of the tax credits issued under subsection 6 of this section. If, however, the default event occurs within five years of the ending of the term of the lease, then the owners of the professional sports franchise shall be responsible for the total debt service remaining for any outstanding bonded indebtedness for the project that was to be paid from state revenues under the agreement or an amount sufficient to pay-off any such bonds, and for no other funds expended by the state under the agreement nor for tax credits issued under subsection 6 of this section.

6. (1) For the purposes of funding an athletic and entertainment facility project as described in this section, the board may, in addition to the authority under subsection 6 of section 100.286, authorize any taxpayer, including any charitable organization that is exempt from federal income tax and whose Missouri unrelated business taxable income, if any, would be subject to the state income tax imposed pursuant to chapter 143, to receive a tax credit in the amount of fifty percent of any amount contributed in money or property by the taxpayer to the infrastructure development fund during the taxpayer's tax year, provided, however, the tax credits awarded under this subsection for an athletic and entertainment facility project shall not exceed ten percent of the amount of private investment in the athletic and entertainment facility project or fifty million dollars, whichever is less, and the total of such tax credits may be issued over a maximum of three calendar years, at the discretion of the board. Such credit shall not apply to reserve participation fees paid by borrowers under sections 100.250 to 100.297.

(2) The portion of earned tax credits which exceeds the taxpayer's tax liability may be carried forward for up to five years following the issuance year.

(3) The annual limits in section 100.286 shall not apply to tax credits issued under this subsection. Tax credits issued under this subsection shall not count towards the annual limits in section 100.286.

(4) The tax credits issued under this subsection may be transferred or sold as described in subsection 7 of section 100.286.

(5) If an athletic and entertainment facility project receives tax credits under this subsection, such athletic and entertainment facility project shall not be permitted to receive tax credits under section 100.286.

7. In addition to any other authority granted under section 100.250, the board is authorized to issue its bonds payable from the annual expenditure by the state described in this section to assist in the financing of an athletic and entertainment facility project."; and
