

HB 60 -- NON NATIVE INVASIVE PLANTS

SPONSOR: Sassmann

This bill requires that all nurseries and nursery dealers in the State submit to the Department of Agriculture an affidavit that they will not knowingly or intentionally import, export, buy, sell, transport, distribute, or propagate any plant or seeds of Coloratus variety of Wintercreeper, any variety of Japanese Honeysuckle, or any variety of Sericea Lespedeza beginning January 1, 2027, or the Compactus variety of Burning Bush or any variety of Callery Pear beginning January 1, 2029.

This bill is similar to HCS HB 2412 (2024).
